NUMBER 1.

### BUCKNELL WINS

#### THE FIRST GAME

#### LOCK HAVEN PROVES STRONG.

Captain Clark is Consistent Ground Gainer. New Rules Change Game Considerably.

A victory for Bucknell over the strong Lock Haven Normal team, marked the opening of the 1910 football season. For a "prep" school, Lock Haven presented an unusually strong aggregation of players and this together with the fact that the "Varsity" had had very few scrimmages prior to the game, accounts for the small margin by which the home team won.

Although on the whole the "Varsity" played a loose game, there were at times flashes of brilliant playing which helped to offset the many weak points which the team showed. The way in which the line held on the defensive was worthy of especial note. Time and time again the Normal school boys directed line plunges against the "Varsity" but never did they make any material gain. The feature of Bucknell's offensive work was the splendid end run and line plunges of Captain "Jimmy" Clark. "Jimmy's" punts were also of first class order, Bucknell always having the better of the argument in the exchange of kicks. O'Brien not only handled the punts well but often advanced the ball for big gains after receiving the kick.

The "Varsity's" chief trouble seemed to be in fumbling. This was without doubt due to the fact that the ball in the new game is passed direct from center to the runner and the team has not had enough experience as yet to practice putting this new style of play into actual execution. In one more week this difficulty should be overcome so that we can line up against the Indians a team worthy of the college.

Lock Haven played a good game from start to finish. They started especially in the execution of the forward pass which at times puzzled our men. Fleming and Bernheisel played the best game of the "prep" school.

It was in the first quarter that the Orange and Blue made its first and last score. Bucknell kicked off to Lock Haven who were held on their own ten yard line. Lock Haven was forced to kick. O'Brien received the punt and in a pretty run advanced the ball for twenty-five yards back to Lock Haven's ten yard line. In three line plunges, Captain Clark went over the line for a touchdown. O'Brien kicked the goal. During the remainder of the quarter neither side was able to advance far.

The second quarter opened with Bucknell in possession of the ball on their own ten-yard line. Bucknell kicked and Lock Haven immediately returned it. The "Varsity" was not expecting a kick and the result was that the Normal boys recovered the ball on Bucknell's ten yard line. Three line plunges were directed against the Orange and Blue squad but Lock Haven could get no farther than the five-yard line. Fleming then tried for a field goal but the ball went wide. The quarter ended with the ball on Lock Haven's forty yard line.

In the third quarter the "Varsity" line-up was almost entirely changed by Coach Dickson, but the new line-up could do no better than the first. Neither side came dangerously near scoring in this quarter, the only interesting feature being a great thirty-yard line run by Captain Clark.

Bucknell began the last quarter by an attempt at the forward pass but failed as before. The team soon recovered this loss, however, and made several good gains towards a touchdown. A bad fumble spoiled hopes of this and Lock Haven had the ball in their possession in Bucknell's territory. In a last spurt to score the Normal school made a first down by use of the forward pass and end runs. The Orange and Blue squad

then held and Lock Haven was unable to get any nearer the goal. Time was called just when Lock Haven was about to kick.

The line-up was as follows:—  
B. U. . . . . Po. . . . . Adams  
Jordan . . . . . left end . . . . . Hipple, Moore  
Kerstetter . . . . . left tackle . . . . . Lininger

### ANNUAL CLASS SCRAP

#### UNDERCLASSMEN HOLD LIVELY CONTEST ON ATHLETIC FIELD.

According to the custom of previous years, the Sophomores and Freshmen gathered on the athletic field to engage in the annual class scrap, the Saturday following the opening of college activities. The Sophomores were greatly outnumbered by the large Freshmen class and were thus at a disadvantage.

After assembling at the entrance to the campus and giving class yells, the class of 1911, with their President protem at the head of the line, marched to their positions and waited for the appearance of their rivals.

The pause was only for a short time, for the Sophs eager for the contest came swooping down the hill with President Steele leading. While they waited for the signal to start, the Juniors, ever-ready to help the Freshmen, got busy and marked the new men. The Sophomores not to be handicapped also marked themselves.

With the report of the pistol shot, the two classes came together. Pushing and pulling, struggling and tossing, they contested with each other. Soon the superiority in numbers of the Freshmen counted and gradually the Sophomores were pushed and pulled back over their line. However, here and there hunches of underclassmen still fought.

When the signal was given that the scrap was at an end, there were a number of Freshmen held by Sophs over the Freshmen line. However the new class had been victorious as has been the case since the new scrap was arranged.

### Y. M. C. A. RECEPTION.

The annual reception of the Y. M. C. A. to the new College men was held in the Association rooms in West College on the evening of Saturday, Sept. 24th. The evening was spent in getting acquainted, listening to speeches and singing college songs. Refreshments were then served and the evening came to its close with a rousing Bucknell-chel.

### B. U. MEN IN THE WEST.

Several Bucknell men have taken up their new work in the west. Elssesser, '07, is at Hot Springs, South Dakota; Waltz, '07, and Burke, '07, are also located in the same state. Holmstrom, '06, is at Camp Brook, South Dakota.

The Rev. W. Elssesser graduated this year from Crozer Seminary and after his wedding, set out for his new home in the west.

### FIFTIETH ANNIVERSARY.

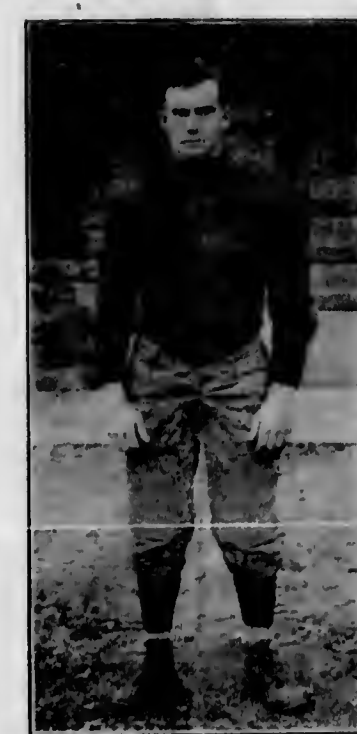

A. J. Furman, D. D., '59, celebrated the fiftieth anniversary of his ordination and wedding on July 29, at Homer City. Dr. Furman preached his anniversary sermon on July 31. The Orange and Blue extends congratulations.

### BIG TEAMS SCHEDULED FOR THIS YEAR

#### HARD WORK IS NECESSARY.

Teams That Are New to Bucknell Players Are Scheduled for This Year.

The football schedule, as arranged by Manager McNulty presents an array of hard games from start to finish. Beginning with the Indian game at Wilkes-Barre, which will be the first real test of the team's strength, each succeeding week will see the "Varsity" lined up against teams, which according to all indications, will be of such calibre that

Captain James Clark.

the Orange and Blue combination will have to fight with the best of their strength and skill in order to carry off the expected laurels.

For the first time in years, Susquehanna was not scheduled for the opening game. Lock Haven being substituted. Lafayette whom we tied two years ago will be played again this year in place of Pittsburgh another regular gridiron opponent, dropped for the first time from the schedule.

The last three teams which we meet will be, perhaps, of the most interest to the students. State, Swarthmore and George Washington. There should be even more interest than ever in the State game this fall, since our old rivals lost the best of their last year's "Varsity" by graduation and no doubt will be weakened by their loss, while our own team promises to be much stronger this year and looks to be able to turn the tables on the State aggregation. Both team and students will look forward to the opportunity of taking revenge on Swarthmore for last year's defeat at the hands of the Garnet squad and to be able to repeat our victory at the end of the season in the annual Thanksgiving contest with the Washington team.

The Bucknell-State game which was announced to take place at Williamsport will in all likelihood be transferred to State College. At a large mass-meeting of State faculty and students several days ago, the consensus of opinion was that the Bucknell game should be played on Beaver field. In all probability the advisory boards of both colleges will yield to their desire.

### ALUMNUS PROMOTED.

John I. Catherman, '07, recently received a promotion that will be learned with satisfaction by his many friends. For the past two years he has been in the employ of the Vandalia railroad at Decatur, Ill., but a short time ago he went into the employ of the Illinois Traction Co. as chief draughtsman and civil engineer. The company operates about five hundred miles of trolley lines in that state, and covers such distances that it has its own sleepers and dining cars.

### ACADEMY PUBLICATION.

A new departure for the Academy will appear soon in the form of a school magazine. J. H. Auslaender, the Academy correspondent for the Orange and Blue will be editor-in-chief and will be assisted by other competent Academy men. The new publication will have short stories and Academy news in it and will give the preparatory students a chance to do some practical work in literary lines.

### NEW FOOTBALL CHANGES

#### THE FIRST GAME SHOWS MANY CHANGES IN STYLE OF PLAY.

Until the first game of the season was played here, there was a great deal of speculation as to what the new game would look like. There had been many changes made in football as it was played last year and many came to see the new game as it is played according to the new rules.

The rules affecting the forward pass change it to some extent. If a forward pass is even touched or fumbled by a player, still no players on the other side may interfere with the opponent until the ball is actually in possession of the player except in an attempt to get at the ball. The players may, however, interfere with opponents who have not crossed their own line of scrimmage. The pass is not legal if it goes more than twenty yards beyond the line of scrimmage. However an on-side kick does not become an on-side kick, unless it goes more than twenty yards beyond the line of scrimmage.

In the case of a kick, the players on the defense within the twenty-yard zone must not interfere with the ends, or other players, in any way until these opponents have advanced twenty yards beyond the scrimmage line.

Interlocked interference or using the hands or arms to help teammates in any way is forbidden.

The man tackling an opponent must have one foot at least on the ground.

With the ball snapped back direct to the half-backs and full-back without the quarterback's interference saves time and enables the backs to get off quicker.

On the whole the new rules seem to have eliminated a great deal of the old game. This season's work will prove whether the dangerous plays have been eliminated.

### BIBLE STUDY.

Prof. Phillips who has charge of the Normal Bible Class again this year will make that class one which all students can attend by holding it in the Baptist church every Sunday morning at 9.30. The subject for this term is: "What Jesus Did." Everybody is invited.

### BUCKNELL'S PROSPECTS

#### THIS YEAR LOOK GOOD

#### OLD MEN FORM NUCLEUS.

New Class Brings in Number of Promising Men. Coach Dickson Stirs Up Spirit.

The prospects for a good team to hold up Bucknell's reputation on the gridiron this fall look unusually bright. With a good up-to-date coach; the return of a number of the old "Varsity" men to college; an abundance of promising new material and a more general interest in football among the students, there is every reason to believe that the team will be a winner.

"By" Dickson is proving himself to be an efficient coach. He is not only well versed in the new rules and the theory of football but is himself a player of no mean repute, having played a star game at end for the University of Pennsylvania team in 1905. His advent has marked an entirely new system of coaching and has introduced a number of new trick plays and formations which will prove invaluable in the new style football.

Last year's veterans who are again with us will be a good nucleus about which to form a strong team. With Snyder at center, Tyson, Kerstetter and Arnold for the tackle positions, and Schmidt to cover right end, the line will not be greatly wanting for experienced "vets." In the back-field there is more than one "Varsity" man for each position, with O'Brien at quarter, Clark at full-back and Zehner, Jordan and Kurtz at half-back. It has been said that men who never played football before would be better material for the new game, but he it said for our "Varsity" men that they have all learned the new style of play quite as handily as any man unlearned in football could do. Besides the "Varsity," a number of men who showed up well on the scrub and class teams last year are out for regular berths on the team and will materially strengthen the squad.

The new material this year is unusually promising and bids fair not only to fill in the places made vacant by the men who left, but to give many of the "Varsity" men a hostile for regular berths on the team and men North-East Manual star has been playing regularly at half in scrimmage and is making good by his speed in getting into the plays. Assisted from Germantown Academy looks to be able to hold down the quarter-back position together with O'Brien. Hipple, a former State College man has been making good at left end especially on account of his dexterity in handling the forward pass. Richardson, a big husky lad from West Virginia looks good to Coach Dickson and will no doubt have a regular berth at guard. Teamer, Talbot, Whited and Murray, all new men, are also displaying line form at their various positions, on the second team.

The fact that Jimmy Clark's ankle is strong enough to permit him to punt again will be a big boon to the team. Thatcher and Talbot are also punting well and can be used in case of necessity.

With the return of so many old men to college and such an array of new material with a good coach to develop it, Bucknell should look for many football trophies this fall.

### RECENT DANCES.

On the evening of September 23, the Phi Kappa Psi fraternity gave an informal dance in their halls. A number of town friends were present besides guests from Sunbury.

The Sigma Chi fraternity also gave a dance in their hall on Saturday evening, October 1. Campbell's Orchestra furnished the music for the occasion.

### MASS MEETING.

Manager McNulty has called a mass-meeting for tonight at 8 o'clock in Commencement Hall. Everybody out.

## GREETING.

The new college year has opened and already classes are in full operation. To the new student the college life opens up many opportunities and many advantages. The question should arise in his mind whether or he will make the best of them or will be content to gradually drift along with the current. Using the old expression "it is up to you to make good." Of course different men have different ideals, but let us have the mark to be attained placed high and then the first year of your college life can be looked back upon with satisfaction.

Those who have returned to continue their courses at Bucknell, will miss the faces of many who have either graduated or left school. Some have ceased to study, while others will complete their work at other institutions. At all events, to those who return the college life will not be new. Will they be satisfied with the quality of the work accomplished last year or will they go on and try to eclipse their former efforts? Now is the time to decide before the school work is too far advanced.

Let every man do his best not only in the class room and on the athletic field, but in every line of college activity. Help the new men and join in making them feel that the doors of opportunity are open wide at Bucknell.

## ONE THING LACKING.

Comments were heard after the game on Saturday about the lack of enthusiasm shown by the students. Those who have seen any of the larger colleges play, such as Princeton or Pennsylvania, will remember that every student is on his feet when the team appears on the field. Yell after yell is given and thus the team is given a send-off which helps a great deal towards stirring up the spirit and courage they need to win.

Of course our cheer leaders are not here, but can we not get together before the game with the Indians on next Saturday, and hold a rousing good mass-meeting? At that time new cheer leaders can be chosen and the yell practiced. Now is the time for the new men to learn the yell. Start early and arouse some spirit in the team before they go to Wilkes-Barre to play the Indians.

## SEASON TICKETS.

Just at this time, too much importance cannot be placed on the early purchase of season tickets. The Athletic Association cannot be financed on love. A number of heavy expenses are being incurred at this time and someone will have to pay for them. The receipts from the season tickets will be all too small un-

less a larger number than usual are sold. Merely because we are allowed to choose whether or not we will buy a ticket should be only a strong reason for the investment. Bucknell is one of the few remaining colleges where the athletic fee is not as much a matter of course as the college bill. At many other institutions the charges are double the price of our season tickets. Every man should make an extra effort to get one this year. For the benefit of the freshman we would say that he will probably spend more than five dollars in admission tickets if he does not buy a ticket for the season.

From every view point, the season ticket movement should be supported. It is our duty to support the teams in this way, for if they do not have our financial support as well as our cheers and our encouragement, we cannot expect them to be successful. Let every Bucknell man who has Bucknell at heart join in and make the sale of the season tickets greater than ever before. It is up to you!

## COLLEGE BIBLE CLASS.

The topic of study this year is, What did Jesus do? This study concerns the method and the aim. So comprehensive was his life, so intensive his activity, so powerful his personality, so acute his perception, so simple and yet his thought, that every one who seeks him finds him even though the seeker makes his own path.

The first three gospels are the secret road to him. But the use of the gospels is attended with difficulties. For they are interpreted not factual narratives and they have divergences in plan, in material, and in word. We need, therefore, to handle them with caution and care. Besides the gospels the contemporary literature and history of the Jewish and the Roman world render valuable aid to one seeking to understand Jesus.

Using the gospels and other sources we approach our study with the question, What did Jesus do? But the ultimate aim is not to revive the facts of history but by reviving these facts to perceive what he is now doing in the modern world.

## STUDENT PASSES AWAY.

It was a shock to those of the student body who knew Fred C. Condit, a member of the class of 1912, when they heard of his death occurring on August 8.

Nine years ago he lost the sight of one of his eyes by a shot from an air rifle and following an operation at the Wilks Eye Hospital, Philadelphia, the optic was removed during the summer, at the Jefferson Hospital. A flow of blood, which could not be stopped by arts known to the most learned physicians at the hospital, resulted in his death. Transfusion of blood was tried in an effort to save his life but all efforts were unsuccessful.

The funeral took place in Trenton, N. J., the home of the deceased. Charles H. Steele, President of the Sophomore class of which our late fellow-student was a member, has appointed the following committee to draft appropriate resolutions:—Heck, '13, Piersol, '13, and H. W. Smith, '13.

# \$1000 for One Story

A Prize Offer of \$2250 for Three

Short Stories by Girls' College Alumnae

The Editors of THE LADIES' HOME JOURNAL offer to the alumnae of girls' colleges three prizes,

amounting to \$2250, for three short stories:

\$1000 for the Best Short Story

\$750 for the Next Best Short Story

\$500 for the Third Best Short Story

Any phase of life of interest to women may be described. Do not be deterred from telling the truth because you are not a writer or have not a literary style. If you have a real story to tell, tell it to the best of your ability and let us judge the result. Even if your story does not take a prize it may be so attractive that we will want to buy it, for we hope to purchase a number of the stories in addition to the prize-winning ones.

## Read These Special Points Carefully and Keep Them in Mind

The stories must contain at least two thousand words, but not more than seven thousand words.

There is no limit to the number of stories which may be submitted by any one competitor. Stories by two or more alumnae working in collaboration will be considered. The stories should be typewritten if possible. If that is out of the question then the handwriting should be neat and clear.

Manuscripts must be written on one side of the paper only, and sent either flat or folded. Do not roll them, nor send letters with them unless special explanations are needed.

Be careful to put your name, your address, the name of your college, and the year of your class at the head of the manuscript. If married give in parentheses your full name at the time of your graduation. Where manuscripts are the work of more than one graduate these details must be given by each collaborator.

Be sure to preserve the original manuscript or to retain a copy of your story, as no manuscripts will be returned. No postage, therefore, need be inclosed. Such stories as are found worthy will be awarded prizes; others will be considered for purchase at good rates; the rest will be destroyed.

We reserve the right to withhold any or all of the prizes if in our judgment the store do not come up to the required standard.

This offer will remain open until November thirtieth. All stories must be mailed so as to be in our hands on or before that date.

Read these conditions over carefully. They are stated here as clearly as they can be stated; hence do not write to us about them, as such letters of inquiry cannot be answered.

Address all short stories intended for entry in this prize competition to

The College Story Editor, THE LADIES' HOME JOURNAL

Philadelphia, Pennsylvania

## COLLEGE LOCALS.

Smith, '13, had charge of the church at Burlington, Pa.

H. H. Bliss, '70, of Washington, D. C., visited his son recently.

Brush, '13, was located at three churches in Fleetville and Greenfield.

Mason, '10, visited Bowman, '10, recently and attended the Allentown fair.

Waltz, '12, preached at Bloomfield and Lincolnville during the summer months.

Vette, '10, has returned from a trip to South Dakota and is visiting friends on the hill.

Crossman, '11, had charge of three churches during vacation, at Meeker, Outlet and Cass' Mills.

Daniel Webster Keller who worked for the university thirty years ago, visited friends here recently. He resides at present in Rochester, N. Y.

McAllister, '11, preached during the summer at Karthaus. Early in the fall while coaching football in Illinois, he had his collar bone broken. Latest reports indicate that his injuries are improving.

## ACADEMY TEAM.

Prof. W. S. Wilcox, at one time All-American center is developing the Academy team into a fast bunch of players. Prospects are bright for a winning season and has already commenced by the victory over Milton High. "Jimmie" Loewen, last year's star quarter is again with the team and is leading the boys. Shipman also of last year's team, is playing a great game at full-back. Special mention is given to Gels at guard, Reichelderfer at tackle, Fulmer at end, Haus and Fry at half.

In the past very few of the college men have turned out to see the "Preps" play but they should have the encouragement from the "BHP" as they are a part of the college and help the college teams.

The games to be played at Lewisburg are: Hellefote Normal, Oct. 23; Mt. Carmel High, Nov. 12.

On Saturday, the Academy was from Milton, by the score of 12-0.

Evelyn McCauley, '11, and Vera Cober, '11, who have been teaching in Porto Rico during the past year are back to graduate with their class.

### BUCKNELL YELLS.

For the benefit of the new men who do not know the Bucknell yells we print them as follows:—

Yah! Yah! Yah! Bucknell! B. U.!

Wah! Hoo! Wah! Bang!

Hoorah! Hoorah! Hoorah!

Yell! Yell!

Bucknell! Bucknell! Bucknell!

Bucknell-el-el!

Bucknell-el-el!

Give-el Bucknell!

Give-el Bucknell! Bucknell!

Ray! Ray! Ray!

1 yell! 1 yell! (first party)

Bucknell! Bucknell! (second party)

We-el! We-el! We-el! (first party)

Bucknell Songs

Air:—"College Life."

Give us a song for old Bucknell

And cheer our warriors on

Make the old hill echo with our yell

Yell! Yah! Yah!

Give us the spirit of former games

When victors we've won

And yell with today's men

For old Bucknell.

Air:—"Jungle Town."

Ray for old Bucknell.

For her we cheer, for her we yell.

We are out for blood and gore

While we're rolling up the score.

Shout the battle cry.

We will fight until we die!

Hoorah! Yell! We yell for old

Bucknell.

While we win the victory!

Air:—"Hot Time in the Old town Tonight."

Ray Bucknell, we're going to win this game.

Ray Bucknell, to beat them is a shame, but follows

Ray Bucknell, we'll beat them just the same.

There'll be a bon-fire on the campus tonight.

Go get wood, we'll need it all tonight.

Go get wood, get anything in sight.

Go get wood, and Wolfe will make it right.

There'll be a bon-fire on the campus tonight.

Air:—"Starlight."

Come Bucknell warriors.

Hopes are on you.

We're here to add you

With a spirit true.

Give them a cheer, boys.

Yell after yell.

Then we'll bring victory

For old Bucknell.

The foregoing are songs which every Bucknell man ought to be acquainted with. If you do not know them, learn them at an early date.

## MT. CARMEL-11, ACADEMY 0.

The "Prep" team was defeated by the Mt. Carmel High School, Saturday, at Mt. Carmel by the score of 11-0, the last six points being made by pure luck. In the last ten seconds of play Bucknell Academy attempted a forward pass and just as it was thrown, "time up" was called and the Academy stopped playing. One of the Mt. Carmel men carried the ball over for a touch-down, the ball being in motion when time was called. Mt. Carmel plays here on Nov. 12 and the boys will have another chance. Shipman, Shaffner, Gels and Anderson played well for the "Preps."

Line-up:—

B. U. Academy Mt. Carmel

Pulmer . . . left end . . . Hughes

Hill . . . left tackle . . . Gidding

Gels . . . left guard . . . Dunkairtie

Schaffner . . . center . . . Kriner

Lewis . . . right guard . . . Yarnall

Reichelderfer . . . right tackle . . . Stecker

Anderson . . . right end . . . Lukens

Laewen . . . quarter back . . . Bergstresser

Hause . . . left half-back . . . G. Daniel

Fry . . . right half-back . . . Longsdorf

Shipman . . . full-back . . . Keiser

Touchdowns — Keiser, Daniel, Gels — Longsdorf, Referee—W. S. Wilson, line-backer, Empire—Hill, Field Judge — Ambrose, Timers—Hughes, Anslander, Linemen—Walter, Lewis.

## ACADEMY TEAM IS STRONG.

In several snappy scrimmages this week against the "Varsity" reserves, the Academy team displayed some good work both on the offensive and defensive. Coach Wilcox is working and with the boys and with his ideas and methods there are good prospects for a good "Prep" team.

Nichols, the fleet end is especially good at breaking up forward passes. Hill has displayed skill in tackling and well probably be placed at tackle. Fry and Hause are strong in the back-field. Reichelderfer, Anderson and Shaffner are also showing up well.

## COLLEGE BIBLE CLASS.

The material of the stories of the infancy sets forth the Jewish environment into which Jesus was born and in which he worked. The description of this environment and the manner in which Jesus is placed in it, constitute the historical data of the early chapters of Matthew and Luke.

Selecting the chief characters of Jesus and of his work, we discover that they harmonize with those ascribed to the ideal king of the Jewish nation.

The idea of the king of the house of David is parallel with the words in the Psalms of Solomon: "O Lord, raise up unto them their king, the son of David." The moral and universal element corresponds with the words from the same Psalms: "A righteous king and teacher of God is he that reigneth over them." and "He shall possess the nations of the heathen to serve him beneath his yoke." The social mission of the ruler and his association with the poor and needy, emphasized in Luke's Gospel, accords with the prophetic promise of his birth in Bethlehem and with the promise: "God will have mercy upon the needy in the day of gladness of Israel."

Rev. Charles Myers, '04, was elected pastor of a Lutheran church, at 35th and Spring Garden Sts., Philadelphia.

## BUCKNELL LOSES

## TO DICKINSON

## FUMBLES FIGURE IN RESULT.

Bucknell Outplayed Opponents The Whole Game. Dickinson Only Made Four First Downs.

It seems that Fate comes into every game played between Bucknell and Dickinson. Last year we made a touch-down in the last few minutes of play, on a fumble, and this year the opposing side was lucky in this respect.

In every department of the game, the Bucknell team outplayed their opponents. The forward pass was worked frequently and time and again the back-field went through the line, Captain Felton, the bulwark of the Dickinson line included, for substantial gains. As Coach Dickson said, "Fumble heat us." This is the cause of our losing the game.

On the toss-up, Captain Clark won and chose the north goal. O'Leary kicked off for Bucknell, the ball going to Wise, who ran it back for a short distance. A fumble by the Orange and Blue men the ball. On the first attempt O'Leary failed. Captain Clark made three yards but Bucknell was caught off-side. Hippie got a forward pass for a short gain. Clark then tried another forward pass to O'Leary, which would have carried the ball nearly to the Dickinson goal, but a fumble gave the ball to our opponents.

On the first try, Dickinson was thrown for a loss. Realizing this, the Bucknell line was impregnable. Wise pointed to O'Brien, who cleverly returned the ball ten yards. O'Leary made five yards. Dickinson added three more. One more attempt and we made a first down. A forward pass was tried but the ball hit the ground and was penalized.

Clark tried a forward pass and Duff got the ball on a fumble. Another try was unsuccessful and "Humie" Clark kicked to Wise. The ends were down the field and nailed him in his tracks. On the first play Dunn made a plunge through the line for eight yards. Dickinson fumbled on the next attempt but recovered the ball. Dunn again took the ball for five yards. However Dickinson was forced to kick. At this point Kurtz took the ball. On this play Kurtz took the ball around left-end for seven yards. Clark pointed and the ball was allowed to hit the ground, rolling to Dickinson's fifteen yard line, causing a groan from the supporters of the Red and White. Kurtz broke up the run around right-end. On the next two plays, Dickinson made one of their several first downs. Wise pointed after several unsuccessful line plunges and Clark got the ball on Dickinson's forty-five yard line when time was called.

On the first play, in the second quarter, Dunn got Clark's forward pass. Dickinson was penalized on the next play. From this time on, after Wise pointed to O'Brien, the Bucknell force tore through Dickinson for gains. On the twenty-five-yard line Clark tried for a field goal but failed. Dickinson kicked to O'Brien and Felton made a fine tackle. The next play gave Dickinson her touch-down. A forward pass to Clark, a fumble, and Dunn ran for sixty yards for a touch-down. Wise kicked the goal.

Clark kicked off to Dickinson and after the first play, the latter punted. Richards tried another end run and then Clark punted. After several plays, Clark got loose for a fine end run for twenty yards. O'Brien prevented what promised to be another touch-down. After a blocked attempt for a field goal, Dickinson scored a few plays, tried once more and was successful. Time was then called.

From the time the whistle was blown at the beginning of the second half, Bucknell went into the game to fight hard. The forward pass was tried repeatedly by Bucknell and fumbles figured largely. When Dickinson got the

COLLEGE ENTERTAINMENT.

In our last issue we announced that the Y. M. C. A. anticipated giving a series of concerts and lectures some time during the year. This they hope to do not for themselves, but that the college men and women may have the opportunity of enjoying a concert or a lecture of high class. Together with the college students the town people will be asked to lend their support. The question now is "Will the course pay?"

For several years we have gradually been growing lax in our desires for entertainments of this kind. Even when the college Glee Club was organized a concert was not given because of the lack of interest. As a consequence we are losing many a treat. Shall we let these things pass by and enjoy none of them because we are unwilling to come out and show we are interested? It is up to the individual to decide whether he will confine himself simply to his books and get nothing else from his college education, or take a part in the other activities which help to round out the man.

## BUCKNELL SONGS.

There are a number of Bucknell songs which we have had for some time and which can be collected from various sources. The ones we have now are simply parodies on popular airs and can hardly be said to be up to date. These should be supplemented by new ones.

Then there are a number which will ever be good. Our "Ray-Bucknell" will be known and remembered by all of our students. The music in many cases is catchy and familiar. As they can be collected, the Orange and Blue will publish one a week, so that they may be read by the student-body and kept for reference.

If the students showed enough interest in the matter, perhaps Professor Stolz would be gotten to take charge of a short meeting each week to learn the songs.

## WEEKLY COLLEGE "SING."

The first of the proposed college sings was held in the Y. M. C. A. hall from seven till eight o'clock on Friday evening. Although there were not many of the fellows there, those who were present put a great deal of enthusiasm into the singing. Through the kindness of some of the men a large variety of the latest popular as was available and these razz-dance tunes interspersed with college songs made the hour a very spirited one.

As Friday is a night when a great number of the students are out of town it was suggested that we hold the "sing" sometime in the middle of each week, when the students could drop in for a few minutes after supper. The next "sing," therefore, will be held on Wednesday evening from 6.45 till 7.45 o'clock.

For some time there has been felt a strong demand for some

place where the Bucknell student-body could meet regularly on a common social footing. We believe that this weekly "sing" will be least one step toward the fulfillment of that desire.

In this informal meeting, the old college songs can be practiced until the student-body can sing them at the games and besides this, new songs can be learned that will add much to the college spirit. Two or three, small mass-meetings will not maintain a strong college spirit; the student-body must get together regularly. A few minutes around the piano each week will not interfere with studies and should be the source of as fine a spirit as arises from the regular meetings of the student-body in other colleges.

If you want to get the spirit that will make the Bucknell men one great unit in the support of their Alma Mater, step in and join the crowd around the piano for a few minutes after supper, each Wednesday evening.

## BUCKNELL SONG.

According to our announcement elsewhere in this issue, we publish one of the songs which has been sung by many Bucknell men in former days. In a song-book containing the songs of the Eastern colleges, this song was the only one published from Bucknell.

"Dear Bucknell."

"Dear Bucknell, out of thee we're thinking,

And memories fond come trooping by;

But thoughts of thee shall never die;

And 'tho' the years steal swiftly o'er us,

And winter comes with biting sting,

Our hearts with youth's undimmed enthusiasms,

Shall ever with praise of Bucknell ring.

We burn the incense of affection,

As in the sacred fanes we meet,

While down the aisles of recollection,

Come thronging forms we love to greet;

And 'tho' life's bitter storms sweep o'er us,

Our hearts with youth's undimmed enthusiasms,

Shall ever with praise of Bucknell ring.

To thee we swear our proud allegiance,

Thy loyal sons are we, and true,

Nor time nor tide, nor fortune's pageants

Shall dim the Orange and the Blue;

Then with thy glory o'er before us,

Our loving tribute we will bring,

And once again in hearty chorus,

Thy praise dear Bucknell we will sing."

SAMUEL SEARS MERRIMAN, '86.

The music of this song can be obtained for use by referring to the "College Songs" of Bucknell University, published by the class of '97. It is quite catchy and could easily be learned at one of the "college sings."

## BUCKNELL DOWNS WEST VIRGINIA

Varsity Wins by Score 9-0.

With Better Weather Conditions Score Could Easily Have Been Doubled. Improvement in Play.

On Saturday the Orange and Blue scored its first real grid-iron victory of the season, when it took the laurels from the University of Virginia at Morgantown, score 9-0. The team showed a decided improvement throughout over their playing in the former game. There is little doubt but that, had it not been for the hindrance of an extremely muddy field, Bucknell would have at least doubled the score, according to Coach Dickson.

The Pennsylvania eleven started the game with a rush. In the very first quarter after getting the ball it was advanced to West Virginia's twenty-five yard line. Here O'Brien performed the feature of the game. The signal was given for a kick formation. O'Brien received the ball from Snyder on a nice pass, and sent the ball, encoased as it was with mud, over the bar on as pretty a drop kick as has ever tallied a score for Bucknell. This performance, unexpected as it was, with the ball in such poor kicking condition, took the southern team right into camp and practically clinched the game at the outset. Before the end of the quarter O'Brien was knocked out and replaced by Austin. The latter finished the game in good style, running the team well and getting into the plays.

No sooner had the second quarter begun than Bucknell again made a march on West Virginia's goal which finally resulted in a touchdown. During the second half neither side scored. It was not the fault of Bucknell's offensive work that they did not score but was due chiefly to the fact that the heavy field prevented quick execution of the plays. Twice the ball was on the Morgantown's one-yard line but each time the slipperiness of the field caused the final plunge to be ineffective and the ball was forfeited.

The West Virginia team never came near scoring. Several times they succeeded in getting as far as Bucknell's thirty-yard line but there they stopped. The defensive work of the Lewisburg collegians proved too strong for their further progress.

On the defensive the Bucknell quarterbacks employed straight football throughout. The straight tactics could be depended upon for consistent gains, while the condition of the field made the execution of forward passes and trick plays quite perilous. All the men played a hard game. The line held strong. The ends played fast, especially Bartholomew who proved himself to be a find at the position. O'Leary at left half played the game of his life. If he can keep up his showing of Saturday, his chance for a regular position is without doubt clinched.

Schmidt played fullback for the first three quarters and displayed great form. His line plunging was one of the features of the game. Captain Clark was not in the best of condition and consequently only played for one quarter. Edmiston played his usual strong game at right half until he was hurt. Kurtz substituted for the rest of the game.

Owing to the fact that it was impossible to get West Virginia's line-up from the sources at hand, we can only publish the line-up of Bucknell:

Position  
Left end ..... Jordan  
Left tackle ..... Duff  
Left guard ..... Daniels  
Center ..... Snyder  
Right guard ..... Dunkle  
Right tackle ..... Tyson  
Right end ..... Bartholomew  
Quarter-back ..... O'Brien  
Full-back ..... Austin  
Left half back ..... O'Leary  
Right half back ..... Edmiston

## COLLEGE SING IN Y. M. C. A.

Professor Stolz in Charge.

"Sing" On Wednesday Night Was Fairly Well Attended. Good Interest Shown.

According to the announcement in our last issue, quite a few college men reported at the Y. M. C. A. Hall for the college "sing" on Wednesday evening. Not all reported at 6.45 o'clock, the hour set, as but few were up the hill, but gradually the number present was increased. Prof. Stolz was present and led the singing. The song published last week was tried and met with a strong response. Another was also sung, the words of which are published elsewhere in this issue.

The purpose of the "sing" is to get the men acquainted with the Bucknell songs, so that they might be used on future occasions. Each week the words of a song will be published and these can be collected in a note book and used at the "sing."

There is no reason why we cannot learn the Bucknell songs as well as joining in the popular airs. Good fellowship is promoted among the fellows and in this way the new men get acquainted with the old men. The next meeting will be held at the same time and in the same place. Let the same men come out and bring some other fellow to make the "sing" successful. If you have not been out yet, come in on Wednesday night and see what it is like.

### LYCEUM COURSE

INTEREST IS BEING TAKEN BY STUDENT-BODY.

From reports that are coming in from those who have canvassed with tickets for the proposed Lyceum Course, the prospects look encouraging. The fact that this year special efforts are being made to get the very best talent possible for the entertainment of the students and town friends, should be an inducement for all to take a wide interest in the proposed course.

With the noted lecturers on the list of attractions and with musical talent such as was announced in a previous issue of the Orange and Blue, there is every reason to expect the liberal support of many. There is no doubt but that several of the musical numbers will be the best Bucknell students and their friends have heard in years. The only essential that must be borne in mind is the purchase of tickets. The course ticket will be \$1.50, while single tickets would send the price of enjoying the whole course to almost double the amount. It is hoped that the interest will grow in this series of entertainments and that Bucknell will enjoy the rare privilege of the course this year.

**IN HALL OF FAME.**  
After years of effort on the part of Poe's staunch supporters to get his name on the list of honor, Dr. John H. MacCracken, Chairman of the Senate of New York University, announced recently that the author of "The Raven" had been recorded the honor. Among the names added to the list are: Harriet Beecher Stowe, author of "Uncle Tom's Cabin"; Oliver Wendell Holmes; Edgar Allan Poe; Roger Williams; Jas. Pauline Cooper; Phillips Brooks; William Cullen Bryant; Frances E. Willard and others, eleven in all.

As a result of the votes cast, the author's corner doubles its number and goes far ahead of the statesmen in number. Eleven bronze tablets for the names chosen will be designed with an appropriate quotation from the works of each, and the formal unveiling will take place in October, 1911, in the Hall of Fame, at the New York University.

**MINISTER AS COUNSEL.**  
The Rev. J. Warren Davis, '94, Baptist pastor at Peleiktown, N. J., was chief counsel in the trial of Mrs. Robinson for the murder of her husband, held during the last week at Salem, N. J. He was assisted by his brother, James M. Davis, for some time a student here.

After a short interval, the jury returned a verdict in favor of the defendant.

**FRAMPTON-MAGEE.**  
Friends of James V. Frampton, '03, and Miss Lavina Magee, inst. '02, will be pleased to know of their recent marriage.

## 1914 CLASS MEETING.

At the Freshman class meeting held in the Chemical Laboratory on Friday afternoon, class colors, a class flower and a constitution was adopted.

Great interest was shown by the members of the class in the proceedings. Not only does he watch the work of the class in the near future.

President Wendt asks that members of the class write songs and bring suggestions for class relics to the next meeting. Start early and get some good ideas for the inter-class football game in the near future.

**BRUBAKER-DENT.**  
Miss Genevieve Oleson Dent, a student at the Seminary several years ago, was married to M. G. Brubaker, of Lancaster, recently. Mr. Brubaker is a civil engineer in the employ of the State Highway department. Mr. and Mrs. Brubaker will reside at Lancaster.

### CLASS GAME PROSPECTS

With the approach of the annual underclassmen grid-iron clash, which will follow soon after the Gettysburg game, there is much conjecture as to the comparative strength of the two teams. According to all appearances, both teams will be much stronger and faster than any teams which have contested for the underclassmen championship in years.

Most of the men who played with last year's Freshmen are back again to support the Sophomore team and quite a few other 1913 men who did not come out at all last year are trying for positions. In addition there are several new recruits who, if they are not put in a Varsity game before that time will materially strengthen the "Soph" line-up. Two games have already been played with the strong Northwestern Ex-High team in order to try out the men. Considering the lack of previous practice the score of both games is very creditable to the strength of the Sophomore team. The first game was lost by the narrow margin of 6-0 and the second, also a defeat by 5-0.

The Freshman team has a wealth of good material. As usual many of the best candidates have played in Varsity games but nevertheless there are quite a number of good men playing on the scrum regularly, who are as yet eligible for the Freshman team. Besides these men, a regular line-up has been drilling on signal practice for over a week under the direction of Lang, '12. This aggregation is composed of some good men all of whom have starred on their "prep" school teams. It is only a matter of getting some team work into them and they will have a combination hard to beat. In a short scrimmage with the scrubs on Thursday evening, the team had its first try-out. With the exception of a little raggedness in working their line, Coach Lang's aggregation was by no means an easy proposition for the second team.

### FRESHMEN "PROCS"

FIRST YEAR MEN SURPRISE THEIR RIVALS ON MONDAY.

Owing to our paper being ready for the press, we failed to publish the account of the Freshman "proc" position on last Monday. It seems that the first year men had been making preparations for the posting of their proclamation 5:00 day morning, for some time. Accordingly President Wendt marshalled his forces and the Freshmen broke up in groups and literally covered the town. Houses, telegraph poles and lights, store windows, and buildings alike bore the "procs" of the new arrivals. Several ladders had been procured and mounted these, the proclamations were put in prominent places, where the "Sops" had no chance whatever of tearing them down.

When the cry, "Sophomores over, 'procs' up," was given, but few of the 1912 men turned out. They offered as their excuse that they were not going to scrap for the benefit of the upper-classes. Perhaps it could be better if the upper-classes would not take such an active part in the contests of the under-classes, but they usually they merely look on and stop unfair means.

This year is one of the few in which the Freshmen proclamations have been allowed to remain in their places of prominence.

**ACADEMY PUBLICATION.**  
The new Academy publication, "Der Zeit Geist" will be published tomorrow. This is a departure in a way and will be read with much interest. All departments of Academic life will be represented. J. H. Auslander is the managing editor.

## BUCKNELL FACES HARD GAMES

Varsity Team Must Work.

Next Five Games Will Tell Much About The Team This Season.

With the West Virginia game finished, the supporters of the Orange and Blue will watch the football team very closely. All of those who have watched the work of the team this year in practice will say that great improvement has been made. Coach Dickson has worked hard and the team seems to have confidence in his ability. Not only does he watch the work of the men in the afternoon practice and point out the weak points, but also shows many fine points of the game on the blackboard. There is no reason why we cannot have a creditable showing during the rest of the season. Snyder, with Basins as an able second, is strong at centre. Then Dunkle, Daniels and Richardson are working hard at the guard positions, with several others improving. Tyson, Duff and Arnold are showing up at tackle. At the end positions Richards, Jordan, Bartholomew and Weinstein are trying hard for permanent berths. In the back-field there is another struggle. Captain Clark and Schmidt are filling the full-back position. O'Leary, Kurtz, Zeiner, Edmiston, O'Brien and Ausen are all playing hard in their places. With this back-field for a permanent place, a good back-field ought to be chosen.

Next Saturday we will meet Lafayette at Euston. Captain Forssman, the centre of Lafayette's team will line up against Snyder and there will be a struggle right there. Lafayette held Princeton to a field goal and beat Gettysburg 21-0. Here will be a chance to see what the Gettysburg game will do to try out the men.

Then State College comes after Gettysburg. The field of battle has been changed from Williamsport to State College. In Gettysburg's game with Pennsylvania, all accounts gave State a very aggressive team. This will be the game in which we hope to improve our showing of last year. Swarthmore beat Delaware College on Saturday by the score of 21-0. If Delaware has a team such as they had on their last trip here, this means that Swarthmore is good and will prove worthy opponents. Here's hoping that we can reverse the score of last year and come back with our reputation regained.

The last game, with Geo. Washington University, on Nov. 21, at Washington, D. C., will be watched closely. Last year we beat them 12-0 and the game can be repeated this year, if the team so wills. St. Johns held them to a 9-0 score and generally they give the Navy a good run. Of course, comparative scores do not count much in football, but one fact is sure--our coming games will be hard ones and contests in which we hope the Varsity will show good form.

**CUNTER-HARRISON.**  
On Wednesday, October 12, Abram Arrys Gunter, '02, was married to Miss Fannie Harrison, at the home of the bride, Dunlo, Pa.

Mr. Gunter taught in this state for several years following his graduation, one year of which was spent in the Shamokin High School. Recently he became connected with the Briar Hill Coal and Coke Company at Briar Hill, Pa. in which he has been quite successful.

Mr. and Mrs. Gunter spent a few days recently, visiting friends in Lewisburg.

**NOTED SPEAKER TO VISIT.**  
Those of the student body and friends who know Dr. Henry C. Maule, D. D., LL. D., can be glad to hear that he will be with us next week. Beginning Tuesday, November 1, he will speak in Bucknell Hall. Announcement will be made later as to his subjects.

### BUCKNELL DOWNS WEST VIRGINIA

VARITY WINS BY SCORE 9-0.

With Better Weather Conditions  
Score Could Easily Have Been  
Doubled. Improvement in Play.

On Saturday the Orange and Blue scored its first real gridiron victory of the season, when it took the laurels from the University of Virginia at Morgantown, score 9-0. The team showed a decided improvement throughout over their playing in the former game. There is little doubt but that, had it not been for the hindrance of an extremely muddy field, Bucknell would have at least doubled the score, according to Coach Dickson.

The Pennsylvania eleven started the game with a rush. In the very first quarter after taking the ball it was advanced to West Virginia's twenty-five yard line. Here O'Brien performed the feat of the game. The signal was given for a kick formation. O'Brien received the ball from Snyder on a nice pass, and sent the ball, encased as it was with mud, over the bar on as pretty a drop kick as has ever tallied a score for Bucknell. This performance, unexpected as it was, with the ball in such poor kicking condition, took the southern team right into camp and practically clinched the game at the outset. Before the end of the quarter O'Brien was knocked out and replaced by Austen. The latter finished the game in good style, running the team well and getting into the plays.

No sooner had the second quarter begun than Bucknell again made a march on West Virginia's goal, which finally resulted in a touch-down.

During the second half neither side scored. It was not the fault of Bucknell's offensive work that they did not score but was due chiefly to the fact that the heavy field prevented quick execution of the plays. Twice the ball was on the Morgantown's one-yard line but each time the sluggishness of the field caused the final plunge to be ineffective and the ball was forfeited.

The West Virginia team never came near scoring. Several times they succeeded in getting as far as Bucknell's thirty-yard line but there they stopped. The defensive work of the Lewisburg collegians proved too strong for their further progress.

On the defensive the Bucknell quarterback employed great football tactics. These straight tactics could be depended upon for consistent gains, while the condition of the field made the execution of forward passes and trick plays quite perilous.

All the men played a hard game. The line held strong. The ends played fast, especially Bartholomew who proved himself to be a find at the position. O'Leary at left half played the game of his life. If he can keep up his showing of Saturday, his chance for a regular position is without doubt clinched.

Schmidt played fullback for the first three quarters and displayed great form. His line plunging was one of the features of the game. Captain Clark was not in the best of condition and consequently only played for one quarter. Edmiston played his usual strong game at right half until he was hurt. Kurtz substituted for the rest of the game.

Owing to the fact that it was impossible to get West Virginia's lineup, from the sources at hand, we can only publish the line-up of Bucknell:

Position . . . . . Jordan  
Left end . . . . . Duff  
Left tackle . . . . . Daniels  
Center . . . . . Snyder  
Right guard . . . . . Dunkle

**RHODES SCHOLARSHIPS.**  
On Tuesday and Wednesday of this week, there will probably be a number of visiting students here from the different colleges of the state. They will compete for the Rhodes Scholarships, according to the requirements recently published. So far we have heard little said as to whether any Bucknell student will compete. However it is hoped that some one will enter from the college.

As Bucknell students it is up to us to give the visiting students a hearty welcome. Let us do our part.

**FRESHMEN "PROCS"**

**CLASS GAME PROSPECTS**  
**MATERIAL GOOD AND PROSPECTS BRIGHT FOR A GOOD GAME.**

With the approach of the annual underclassmen grid-iron clash, which will follow soon after the Gettysburg game, there is much conjecture as to the comparative strength of the two teams. According to all appearances, both teams will be much stronger and faster than any teams which have contested for the underclassmen championship in years.

Most of the men who played with last year's Freshmen are back again to support the Sophomore team and quite a few other 1913 men who did not come out at last year are trying for positions. In addition there are several new recruits who, if they are not put in a Varsity game before that time will materially strengthen the "Sophs" line-up. Two games have already been played with the strong Northumberland Ex-High team in order to try out the men. Considering the lack of previous practice the score of both games is very creditable to the strength of the "Varsity" games but nevertheless there are quite a number of good men playing on the scrubs regularly, who are as yet eligible for the Freshman team. Besides these men, a regular line-up has been drilling on signal practice for over a week under the direction of Lang, '12. This aggression is composed of some good men all of whom have starred on their "prep" school teams. It is only a matter of getting some team work into them and they will have a combination hard to beat. In a short scrimmage with the scrubs on Thursday evening, the team had its first try-out. With the exception of a little carelessness in working their signals, Coach Lang's aggression was by no means an easy proposition for the second team.

### BUCKNELL FACES HARD GAMES

VARITY TEAM MUST WORK.

The Next Five Games Will Tell Much About The Team This Season.

With the West Virginia game finished, the supporters of the Orange and Blue will watch the football team very closely. All of those who have watched the work of the team this year in practice will say that great improvement has been made. Coach Dickson has worked hard and the team seems to have confidence in his ability. Not only does he watch the work of the men in the afternoon practice and point out the weak points, but also shows many fine points of the game on the blackboard.

There is no reason why we cannot have a creditable showing during the rest of the season. Snyder, with Basins as an able second, is strong at center. Then Dunkle, Daniels and Richardson are working hard at the guard positions, with several others improving. Tyson, Duff and Arnold are showing up at tackle. At the end positions Richards, Jordan, Bartholomew and Weinstein are trying hard for permanent berths. In the back-field there is another struggle. Captain Clark and Schmidt are filling the full-back position. O'Leary, Kurtz, Zehner, Edmiston, O'Brien and Austen are all playing hard in their places. With this little for a permanent place, a good back-field ought to be chosen.

Next Saturday we will meet Lafayette at Easton. Captain Forsman, the centre of Lafayette's team will line up against Snyder and there will be a struggle right there. Lafayette held Princeton to a field goal and beat Gettysburg 21-0. Here will be a chance to see what the Gettysburg game will be like.

Then State College comes after Gettysburg. The field of battle has been changed from Williamsport to State College. In Gettysburg's game with Pennsylvania, all accounts gave State a very aggressive team. This will be the game in which we hope to improve our showing of last year.

Swarthmore beat Delaware College on Saturday by the score of 27-0. If Delaware has a team such as they had on their last trip here, this means that Swarthmore is good and will prove worthy opponents. Here's hoping that we can reverse the score of last year and come back with our reputation regained.

The last game, with Geo. Washington University, on Nov. 21, at Washington, D. C., will be watched closely. Last year we beat them 12-0 and the same can be repeated this year. If the team so wills, St. Johns held them to a 0-0 score and generally they give the Navy a good run.

Of course, comparative scores do not count much in football, but one fact is sure—our coming games will be hard ones and contests in which we hope the Varsity will show good form.

**GUNTER-HARRISON.**  
On Wednesday, October 12, Abram Gunter, '03, was married to Miss Fannie Harrison, at the home of the bride, Dunlop, Pa.

Mr. Gunter spent this state for several years following his graduation, one year of which was spent in the Shamokin High School. Recently he became connected with the Brier Hill Coal and Coke Company at Brier Hill, Pa., which he has been quite successful.

Mr. and Mrs. Gunter spent a few days recently, visiting friends in Lewisburg.

**NOTED SPEAKER TO VISIT.**  
Those of the student body and friends who know Dr. Henry C. Macle, D. D., L. L. D., will be glad to hear that he will be with us next week. Beginning Tuesday, November 1, he will speak in Bucknell Hall. Announcement will be made later as to his subjects.

## ATHLETICS.

If many men are asked to report for a class team or for track work with Coach Hoskins, quite a few answer that they have no time—their studies are of such a nature that they cannot give the periods necessary.

It might be well for such men to read what Dr. H. S. Drinker, President of Lehigh University has to say about athletics. In an address at an Athletic Association meeting recently, he said:

"It is my earnest wish that the athletic side of our University life shall be encouraged and actively supported. You will find, as you learn to know them, that our alumni who look here for men to enter employment after graduation, want not only men who have been scholars, but men with self-reliance and good physique, able physically to stand the strain of modern business life and able mentally to exercise those qualities of poise, patience and good judgment which come largely from good training and the acquired knowledge of how to use to the best advantage all of a man's faculties."

The man who limits himself to just one phase or one side of college life, must sooner or later become aware that he will be handicapped. If a man does not have the ability to take part in athletics, that is a different question. Night after night, the Varsity, Reserve, and the Freshman teams practice on the athletic field. Why not get down and take your part in this line of athletics? Or why not report for practice so that you may compete for the two loving cups offered by Coach Hoskins to the winners of the five mile cross-country run? Let's have more interest taken in athletics!

## TEAM RECEPTION.

Usually when the team returns, especially a victorious one, some of the students meet it. This week the reception was made conspicuous by the absence of the students. Surely the fellows can go down to the station and welcome the returning members of the team.

Then again when a team wins, we generally have a bon-fire. This is up to the Sophomores to get the Freshmen out and build bon-fire. President Steele has this in charge and naturally he should assume the initiative. Let's have a little college spirit intermingled with class spirit and not let the bon-fire custom be forgotten.

## COLLEGE SING.

Already there have been two "sings" held in the Y. M. C. A. hall and both have been quite successful. Quite a few men turn out and lend

their efforts in organizing a "sing" among the college men. Not only are some of the old Bucknell songs sung but also the popular airs.

Let every Bucknell man come out on Wednesday night, from 6:45 to 7:45 o'clock and join the crowd. If you

can't get there on time, come in when you get up the hill.

In the Yale-Harvard swimming meet R. Loree, of Yale, broke the Inter-Collegiate plunge record with a mark of 72 feet, 9 inches.

## COLLEGE LOCALS.

Gatehouse, '10, was a recent visitor in town.

Cathart, '13, visited friends in Shamokin on Saturday.

Sholl, '10, visited his Bucknell friends at the week-end.

Lott, '14, entertained his mother and sister over Sunday.

Hockey, '12, had a visit from his father during the week.

Loveland, '11, was called home due to his father's illness.

Stoughton, '12, is gradually recovering from his injury and is attending classes.

"ORANGE AND BLUE."  
Hall to the colors that usher the morning.

Orange and Blue in the gates of the day;  
Sing to the colors the sunset adorning;

Orange and Blue lead the matchless array.  
CHORUS—  
Shout for old Bucknell, merry old Bucknell.

Hold up the colors of Bucknell on high;  
Shout for old Bucknell, merry old Bucknell.

Ring out her sky-rocket cry.  
Two.  
Hall to the colors the rainbow hounds o'er us;

Orange and Blue in its arches of light;  
Sing to the stars as they ride on before us;

Orange and Blue in the glimmering night.  
Three.  
Sing to the colors that dance in the waters;

Orange and Blue where the bright ripples play;  
Sing to fair Bucknell, her sons and her daughters,

Orange and Blue in the thick of the fray.  
Four.  
Sing to the maidens who live in her story

Brimming blue eyes in our visions we see;  
Sing to the gridiron's mad battle for glory;

Orange and Blue in the wild victory.  
The "Orange and Blue" was sung Wednesday evening. It was written by Mary Bartol (Theiss), '94, the music being by the late Prof. Avramet. Since its composition it has been sung until of interest the songs were forgotten. It is hoped that the song will be learned and sung, as it is only in this way that our Bucknell songs can be remembered.

E. Carroll Condit, '08, is leader of the Student Volunteer League for Foreign Missions at the Newton Theological Seminary, Newton Center, Mass.

J. R. Bailey, '06, who has just finished his medical course in Philadelphia, sailed with Mrs. Bailey from Boston on September 21, as a medical missionary to Burma.

Harold V. Lescher, '05, has returned from the Philippines and is pursuing post-graduate work in social and political science in Harvard. He can be addressed at 29 College House, Cambridge, Mass.

Thus, Wood, '05, has recently published a Practical Grammar and Composition. The book was prepared especially for high schools, evening miscellaneous nature. It has been received with unusual favor by the press and by teachers of authority, as filling, by the simplicity of its text and by the practical character of its exercises, a long recognized need. Initial sales of the book indicate that it will be widely adopted.

## APPRECIATION.

Alfred Tennyson has said,  
"He is gone who seem'd so great."  
Another Bucknell alumnus has now  
well the race set before him and now  
in answer to the call of the infinite,  
he has passed into the great beyond  
and his labor is no more.

To those who knew him, the life  
of the Hon. S. P. Wolcott, meant  
much. Accustomed from boyhood to  
hard work, this has characterized his  
actions. The keynote of his life was  
"Work" and we find that up to the  
hour of his death he was plodding  
on striving to continue his duties.  
As a result, Bucknell can justly feel  
proud of her son, for he held a position  
high in his profession.

In all of his busy life, resolution  
and courage carried him along. He  
was not afraid to cope with the dif-  
ficult problems because of his increas-  
ing years. As an example of this we  
find him asking if he acted like one  
in advanced years, when speaking of  
his work on seven cases in one week,  
in the Supreme Court.

He has gone and in the place of his  
busy, active life there has settled a  
peaceful calm.

"That is a calm like in truth,  
The crowning end of life . . ."

We feel incompetent to place him  
into such a life as his, yet we can  
say that it was great and deep and  
thorough all the activity, there was  
a kindly feeling for all. His life was  
an example. What more can we  
say than that departing, he has left  
"footprints on the sands of time?"

## MASS-MEETINGS.

This Saturday Gettysburg will be  
here and as this is practically the  
only football game we have at home,  
why not hold a mass-meeting this  
week in Commencement Hall? The  
State game is only two weeks off  
and plans should be made for a good  
size delegation to go up to State Col-  
lege for that game. Let us begin  
early and stir up a little enthusiasm.  
Don't be afraid to talk about the game  
and boom the "up to State" move-  
ment.

Can we not have a mass-meeting  
of such a size that the Commence-  
ment Hall will be filled? All local  
Bucknell men will come out and the  
Sophomores can see that the Fresh-  
men are encouraged to be present and  
join in the songs and yells. Let's  
see how big a meeting we can have  
and show Manager MacAnulty that  
we appreciate the efforts he is put-  
ting forth for the team!

## ALUMNI CLUB.

The Alumni Club of Lewisburg was  
organized for this year on Tuesday  
evening. Leroy T. Butler, '97, was  
elected president and L. L. Rock-  
well, was elected secretary and treasurer.

who substituted for O'Leary in the  
latter part of the contest. Schmidt  
for the first time was given a try-  
out at quarter and to say that he  
made good is putting it rather mild-  
ly. His handling of the team was a  
revelation and his playing was fast  
and hard. He will no doubt be one  
of the regulars at this position here-  
after.

The line was strong as usual. This  
is proved conclusively by the fact  
that six different times during the  
contest Lafayette was held for down  
at about the ten-yard line. The play-  
ing of the ends, Bartholomew, and  
Jordan, with Kurtz and Austen "subs"  
was greatly improved. They showed  
much better form in smothering up  
the plays and getting down under punts  
than in any of the contests hereto-  
fore. They were not given much op-  
portunity to try out on the forward  
pass.

The showing of the Bucknell team  
came as a big surprise to the Lafay-  
ette students in general and Coach  
Polwell in particular who intended to  
try out some of his "subs" in this  
game but quickly sent in the strong-  
est lineup available. Coach Dickson  
expressed himself as greatly pleas-  
ed and encouraged over the clever  
playing of his men and looks for-  
ward to good scores from now on.

The lineup:—

Bucknell Position Lafayette  
Jordan . . . left end . . . Gross  
Austen . . . left tackle . . . Cramer  
Duff . . . left guard . . . Philmore  
Snyder . . . center . . . Forsman

## COLLEGE BIBLE CLASS.

The baptism was the antecedent

of the temptation. For the special

sense of God experienced in the bap-

tism led Jesus into the wilderness;

the special sense of Divine appoint-

ment to the work of the Messiah op-

ened the opportunity for the tempta-

tion; the sympathetic attitude tow-

ard John the Baptist and all that im-

plied brought on the conflict.

Since the temptation came at the

close of his private life and at the

opening of his public life, we must

pause to survey his character which

was put to the test. He grew phys-

ically and mentally as all boys grow;

he was trained after the Jewish man-

ner; he had a sense of his word for

God the finest Jewish term, Father;

he associated his experience of God

with the temple; he had a conviction

of his special appointment to be the

Messiah and of the special favor of

God.

The next study will take up the

temptation in detail.

## WHAT'S THE MATTER?

Recently reports from other colleges have been coming in that there is no interest in various activities. Mass-meetings are not attended, calls for football men are unanswered, interest in literary activities is waning, religious fervency is at low ebb, lectures by prominent men are not appreciated and so we ask What's the matter?

When a mass-meeting is called and a mere handful of men come out, "the faithful few," is there any reason why we should not ask this question? Every time the students respond to the call for a meeting to stir up a little BUCKNELL spirit, one can put it right down that certain ones will not be there—the same ones who have been absent all year.

Some there are who are spending all their energies on their studies. Others have all of their efforts centered upon athletics. Many never consider the Y. M. C. A. a real college activity and yet you may go in many colleges and find every class of student in it. Again if we take the opportunity we had this week of listening to a noted lecturer, we find that but few grasped the chance. What's the matter?

On Thursday evening there will be a chance for a revival of good spirit—true BUCKNELL spirit, when all the men "on the hill" will gather in the gymnasium to stir up some life for the State game. Let every man show his interest and come out determined to start anew for old Bucknell! Will you do it?

## PUBLIC DEMAND.

The problem of how to succeed concerns college undergraduates more seriously perhaps than any other class of men. Not infrequently it is found that the desire to please with the view of attaining success is the cause of severe twisting of moral ideals. "The public demands it" is not an unusual explanation for a questionable course of action. Remarkable upon the prevalence of such moral evasion, a recent number of the Outlook points out that there is no great public which includes the whole people and that the man offering such excuses refers to the public he has chosen to satisfy. To quote, charging only the particular application: College men "who desire to follow high aims and to be loyal to fine standards are often deceived by the specious plea that the public must be given what it wants and that it wants the worst. The man who is eager for popular success is never forced to compromise with his standards; he is compelled to choose to which public he will appeal, and that choice determines his character."

## COLLEGE BIBLE CLASS.

The temptations started from the special consciousness of God experienced in the baptism were occasioned by Christ's sympathetic attitude toward John the Baptist. In principle the temptations were these: (1) to gratify the physical appetite at the expense of moral principle, (2) to presume on the character of God and Christ's relation to Him, (3) to acquire power after the manner of the scribe. The answers, as quoted from the book of Deuteronomy, express the ideal of that book: namely, loyalty to Jehovah, Jesus met the temptations, then, by loyalty to his consciousness of God.

## COLLEGE LOCALS.

Hoffman, ex-'11, came up for the Gettysburg game.  
McDonough, '10, visited his Kappa Sigma brothers.

Wood, ex-'11, is in town visiting his Bucknell friends.  
C. W. Clement, '98, was here for the game on Saturday.

Sprout, '08, came down from Williamsport for the game.  
Shultz, '10, visited Bucknell friends at the week-end.

Clinton Sprout, of Picture Rocks, was here for the game.  
Royer, '09, visited his Phi Psi brothers and took in the game.

Gateshouse, '10, is here from Susquehanna College visiting friends.  
Dr. Mabie was the guest of several of the fraternities at the week-end.

Professors Hamlin and Smith spoke at Lykens on Sunday in the interest of the Local Option movement.

Henderson, ex-'12, came on from Cornell where he is studying, to take in the Gettysburg game and visit his Phi Kappa Psi brothers.

Dunlap, '02, of Muncy, Muncy, '04, of Milton, Painton, '10, of Jersey Shore, and Johnson, ex-'11, of Steelton attended the game Saturday and spent Sunday at the Sigma Alpha Epsilon house.

With the chances against State College better than they have been for some time, a large representation from here should accompany the team. If one hundred and seventy men will go, a special train can be procured, making the round trip fare only \$1.75. Everybody should turn out to the mass-meeting and make arrangements to go. Address Manager MacAnally at once of your intentions.

**ALUMNUS PUBLISHES BOOK.**  
Friends of F. B. Jackel, '03, will be glad to learn of his success in the publishing of a book entitled "The Lands of the Tamed Turk."

A recent issue of a leading newspaper says the following: "Blair Jackel blazes the way for other American travelers who desire to forsake the beaten path, taking them on a highly interesting trip through the Balkans in his exceedingly attractive book, 'The Lands of the Tamed Turk' (L. C. Page & Co., Boston). No more enticing volume has appeared in the Little Pictorial series to which the book belongs, nor can any of the other volumes boast such a wide range of unusual illustrations as the forty-eight plates reproduced from the original photographs by the author and Max McCall, the noted lecturer, who was his traveling companion."

In a pleasantly written and engaging narrative, which introduces just enough history to lend color to and illuminate the record, Mr. Jackel tells about his experiences and observations in Serbia, Bulgaria, Montenegro, Dalmatia, Bosnia and Herzegovina. When Kinglake wrote his classical "Eothen," the kingdoms and provinces were part of the Turkish Empire and they were unknown territory of the "Far East." Today they are the "Near East."

Independent of Turkish rule, the Balkan States have been prosperous. Serbia and Bulgaria have an extensive network of railways and manufacturing are flourishing, the school systems are well developed and in Serbia and Bulgaria education is compulsory. Travel in the Balkans, as Mr. Jackel shows, is comfortable and safe, while it takes the tourist into lands where "the scenery is as picturesque as any in Europe, while the touch of color, in the garb of the peasants mingling with the varied uniforms of the always conspicuous army, adds an unalloyed charm seldom enjoyed along the time-honored travel routes of the continent."

He has not attempted a pretentious work, but he has produced one that will appeal to the ordinary reader by reason of sheer interest both of subject and manner, while the narrative is frequently enlivened by rare touches. "The Lands of the Tamed Turk" will be read with keen pleasure by the lover of travel and it will lead many of the author's countrymen to follow in his footsteps, because he is at pains to tell just how the trip may be accomplished by the intending tourist.

**MIXED SIGNALS.**  
Concluded from first page.

play Dayhoff dropped the ball over the uprights on a drop kick scoring a field goal. No sooner was the ball kicked off to Gettysburg than the home team began to play real football. Gettysburg was held for downs and Bucknell gained the ball and never lost it until the touchdown was scored. Clark kicked the goal. With the next kick-off the team was well under way for another touchdown when the signal was given, the ball passed and no one there to receive it. Black, Gettysburg's end, picked it up and with a clear field ahead scored the winning touchdown. Not at all disheartened the Lewisburg collegians with but a few minutes to play started out again for a score and the successful execution of several pretty forward passes made things look hopeful but time was called before a score could be made. The lineup:—

Bucknell Position Gettysburg  
Jordan . . . left end . . . Black  
Austen . . . left tackle . . . Dolebaugh  
Daniels . . . left guard . . . Beale  
Richardson . . . center . . . Ahlberg  
Dunkle . . . right guard . . . Fleckright  
Condon . . . right tackle . . . Comfort  
Arnold . . . Miller  
Bartholomew . . . right end . . . Brumbaugh  
Moore . . . left half-back . . . Lawler  
O'Brien . . . quarter back . . . Beidemann  
Edmiston . . . right half-back . . . Dayhoff  
Clark . . . full-back . . . Weiner

Referee—Glander, U. of Pa. Umpire—Tyler, Princeton; Field Judge—Haynes, Haverford; Linesmen—Lynn, Bucknell; Kane, Gettysburg. Time of quarters—15 minutes. Touchdowns—Clark and Ahlberg. Goal from field—Dayhoff.

## BUCKNELL LOSES BIG GAME

TEAM PUTS UP PLUCKY FIGHT.

State College Rolls Up Score of 45-3 by Superior Strength and Weight.

Fighting a game, but losing fight, Bucknell's eleven could do nothing against State College's powerful football machinery and the Orange and Blue lost the annual contest, score 45-3. The "Varsity" was simply outclassed by their rivals from start to finish. The superior strength and weight of the Blue and White's burly gridiron warriors as compared with the battered-up condition of the Orange and Blue team, were odds too great to overcome. An almost entire "Varsity" lineup started the game but many of the men were so badly crippled that they had to be replaced by substitutes, so that very few "Varsity" players composed the team in the second half.

State won the victory and carried off the laurels, but with the laurels went a sting which will not soon be forgotten. For the first time in the two years in which their gridiron contests have been held on New Beaver field, State was scored on at their home grounds. Jordan was the man, who by a clever field-goal from place ment on the 25-yard line, after Schmidt's fair catch, prevented Bucknell from being shut-out. The other three attempts which were made for field goals by Bucknell, two by O'Brien and one by Clark failed though both of O'Brien's drops were very close.

The Orange and Blue's offensive work was weak but one redeeming feature of it was the splendid way in which the forward pass was executed. Several different times this action long gains and it was not until the last quarter that State seemed to be able to break it up. Jordan, however, as usual started in pulling down the passes. On the defensive, Bucknell's line held fairly well but not as good as in the other contests. In stopping and runs they were extremely weak, for when State once got started around the end they often gained half the length of the field before downed and sometimes ran clear over for a touchdown. This was largely due to the fact that the ends could make little impression upon the great interference with which the Blue and White runners were invariably surrounded.

O'Brien's 11-28 yard line was a revelation to the large crowd of State supporters. Time after time when the State runners had safely passed by three or four opponents, the little fellow buried himself into the giants and downed them. In the fourth quarter when he was knocked unconscious in trying to make a line plunge, both State cheering sections, together with the crowd of Blue and White supporters, gave a rousing yell for Bucknell's heroic little quarter, who, without any thought of self, played the game fearlessly for everything that was in him. Schmidt, handicapped as he was by an injured leg, played a hard game. Clark's kicking was little short of marvelous and far exceeded that of his State opponent. Schmidt did the punting after Alabone substituted for Clark.

## SUCCESSFUL CONTEST.

The election of Dr. Woodrow B. Wilson as governor of New Jersey, not only spells success for the Democrats of that state, but also means much to the college man who is interested in political activities. Dr. Wilson's campaign has been watched by many in educational work and by students in general. Both Dr. Wilson and Mr. Lewis were able men and well qualified for the office. The question was simply whether the people would take a man who was an expert in many lines and who had had a successful term as president of a large university.

From the office of president of Princeton, Dr. Wilson resigned and responded to the call of the people. In so doing he set an example for others to follow in the cause of civic righteousness. To the student this means that the best qualities of the man are appreciated and that after all, the college man is bound to win a place at the front.

## STATE GAME.

With the return of the special from State College, the unanimous opinion of those who attended the game was that the State team had certainly treated their visitors well. Time and again an injured Bucknell man was cheered. On every side State proved royal hosts.

There is one thing that perhaps should be commented on and that is the fact that false rumors were circulated here about several members of the team being so badly injured that they were taken to the hospital. The one who raises such messages to be circulated to the students here at home and to the town people should be severely censured. They are not only productive of anxiety and trouble but also cause unfavorable comment on the game of football. Let us find the source of such reports and see that they do not occur again.

The Imperial University of China, at Peking, has sent a request to the University of Chicago for three scientific professors to occupy respectively the chairs in general chemistry, economic geography, and civil engineering.

Dar-much began her football practice with eleven "D" men as candidates for the team, besides all last year's substitutes and the Freshman team. Coach Randall says the men are further advanced in the game at this date than any squad he ever handled.

The Y. M. C. A. of the University of Michigan in a systematic endeavor to increase their membership have recently treated the number of last year. Already the lists include 1270 names and at least 400 more are expected. Michigan is confident of the largest Student's Association in the country.

At the University of Minnesota a prize of ten dollars is being offered to the student who made the most money during the last summer vacation.

Pleasant, is visiting Prof. and Mrs.  
J. M. Wolfe.

Sholl, '10, was at State College to  
write up Pennsylvania Day for the  
North American and stayed for the  
game, coming down with the fellows  
on the special, for a short visit.

Everett, '13, Gibson, '13, and Crie-  
man, '14, showed their loyalty in at-  
tending the game at State College.  
Starting at 5 p. m. Friday they ar-  
rived at Lemont 10 A. M. Saturday,  
having walked all the way.

## ALUMNI PERSONALS.

cently toast master at the annual din-  
ner of the Los Angeles alumni chap-  
ter of Sigma Chi was elected pres-  
ident of the alumni chapter for the  
ensuing year.

In the November issue of Young's  
"Magazine," is a story entitled "Mr.  
Dremond's Divorce," by Ruth Ham-  
mit and Reginald Wright Kauffman.  
Mrs. Kauffman was a member of the  
class of 1906.

In the November issue of the  
"Travel Magazine" is an article  
"The Frodoist City of the Adriatic"  
by Blair Jaekel, '02. The illustra-  
tions are from photographs taken of  
Venice by Mr. Jaekel and by his fa-  
ther-in-law, Max McCann.

Dr. Lewis Ziegler, '89, has recent-  
ly attracted much notice in the medi-  
cal world as the result of an un-  
usual operation performed before de-  
legates to the American Medical As-  
sociation in St. Louis last June. The  
operation consisted in the creation of  
an artificial eyeball for a person  
totally blind, which, because of the  
novelty and rarity of the performance,  
is said to mark an era in this  
branch of surgery.

Rev. Edward Kunkle, pastor of the  
First Baptist Church, of Wilkes-  
Barre, has started a crusade in the  
hope of getting the State to exer-  
cise a censorship over moving pic-  
tures shown in theatres. The pas-  
tor says that many of the pictures  
tend to destroy the ideals develop-  
ed in the minds of school children,  
giving them false and depraved no-  
tions and are directly harmful to  
their mental development.

Lafayette now has a semi-weekly.  
The students are supporting the new  
sheet in fine style, and alumni sub-  
scriptions are already rapidly increas-  
ing.

At Dartmouth a new prize of \$20  
is offered to the member of the grad-  
uating class who, in the judgement  
of the athletic committee, has been  
the best all-around athlete, regard-  
less being held to recognized moral  
worth and a high standing in schol-  
arship.

A senior society at the University  
of Maine has recently voted to of-  
fer a cup to be held each year by  
the scholarship for the previous year.  
One result of this will be that the  
relative standing of the fraternities  
in scholarship will be made public.  
Last year the same organization  
worked out and presented to the student  
body recommendations limiting the  
student activities in which any stu-  
dent could engage in one term, and  
the recommendations were adopted by  
the student body.

## ARE YOU IN FAVOR?

For some time we have been discussing the matter of a compulsory athletic fee for all students and yet no action is taken.

The time has now come for the students to rise up and join hands in a strong effort to increase the efficiency of Bucknell athletics by having better equipment. We cannot hold our own with the other colleges if we persist in our lethargy with regard to the athletic fee. What can be done?

Within a short time a petition will be circulated among the student body and there is no doubt but that the majority, if not nearly all, of the fair-minded students will sign it. This will show what the sentiment is among the students. If the necessary interest is shown the alumni will join in bringing the matter before the proper authorities and action taken.

WHERE DO YOU STAND ON THIS MATTER? ARE YOU IN FAVOR?

## GLOWING TRIBUTE.

The recent demonstration of the students of the University of Pennsylvania to Provost Edgar F. Smith upon his election was a glowing tribute to the man who was so popular with the student body. A bonfire was built and the college turned out on mass, singing "Alma Mater" and other Pennsylvania songs. It is doubtful whether such a celebration will be held for a long time, as a tribute to a man so well liked by the university.

The reason of Provost Smith's popularity was because of his great interest displayed in the students. Taking part in every line of activity, his personal touch was everywhere. If at all possible he was found present at every game, at every student function.

In a comment on Dr. Smith's election to the position of provost, one of the daily papers said that while the popularity of the students was not a necessary attribute to the office of Provost, yet there was sure to be a growth in the institution, greater enthusiasm in the college work and a desire to boom the university.

There is no doubt but that we will hear of even greater progress at Pennsylvania under the new regime.

## CLASS NUMERALS.

Quite a bit of comment has been heard concerning the "wholesale" placing of men in the class games, at the last minute, just so they can get their numerals.

No one can question the fact that a man, who gets his numerals by being placed in a game just for three or four minutes, has not won them. The custom of giving numerals should

be carefully guarded and only men, who by their hard work, and superiority over the other candidates, deserve this emblem of distinction, should be given them.

## VEREIN BANQUET

LARGE GATHERING OF VEREIN MEMBERS AND GUESTS.

What was pronounced to be the most successful banquet of the Verein since it was organized was held on Friday evening at the Cameron house with a large number of active members, alumni and guests present. The banquet has now become a fixed event on the Verein calendar and is always held as near as possible to November 14, the anniversary of the founding of the Verein.

After Fraelein Radack and Herr Stolz had favored the company with solos, a general sing of old German songs was participated in by all present until the time came for adjournment to the table. Here a tempting menu was served. At a late hour Herr Waltham, the toastmaster, announced the following toasts:

"Unser College," Fraelein Kates; "Deutschland," Herr Bowman; "Die Stifter," Fraelein Martin; "Das Ziel des Vereins," Herr Truogger; Informal Toasts—Herr Pro. To Kwell, Herr Hodge, President Harris, Herr Pro. Riemer.

Besides the active members the guests included: Herr and Frau Griffith, Frau Riemer, Fraelein Galbraith, Fraelein Stanton and Fraelein Hare.

## COLLEGE BIBLE CLASS.

The most critical period in Christ's relation with his disciples began at Caesarea Philippi. For in the interval between the conversation at Caesarea Philippi and the choice of the twelve, Jesus had exhausted the possibilities of permanent public work with the masses and the religious leaders. The masses, though fond of him could not rise to his level; the religious leaders, though trained in the schools, would not agree with him. The conclusion of thought reached in the temptation now became certain. He turned to the twelve; in them he sought for permanent results. He drew from them their opinion of him; he learned that they regarded him as "the Christ." But when their apparent certainty was tested by Christ's command not to make him known and by the manifestation of what was before him: namely, rejection, suffering and death, they began to doubt; to view his program with strong distrust, misunderstood by the masses, disappointed by his rejection, would he fall as a hero, or would he fail as one who surrenders in despair?

## MATRICULATION.

The list of those who are eligible for matriculation has been posted on the bulletin board. This year the number is one hundred and forty-two. If there is any change over the percentage of those who are eligible over last year's numbers, it is an increase. But few students failed this year and prospects look bright for deeper interest in scholarship and application to work.

tree to protect the flag from the at-

tack of the Sophomores, but the lat-

ter had no desire for a scrap.

The Freshmen were not lacking in

enthusiasm however and as soon as

the game was at end, the players

### ACADEMY BASKET-BALL.

Prospects for a good basket-ball team in the Academy this year are very bright. Already fifteen candidates are out for practice. Fulmer, who was one of the main-stays last year, is captain and Loewen and Seeman, also old players, are showing up well. Among the new men who will doubtless prove good, with sufficient practice are Schaffer of DuBois High School; Hans, of Tanawaga; Brode, of Perkiomen Seminary; and Lambertson of Pettie Institute.

Manager Auslander has arranged the following schedule of games: December 3, Lewisburg Crescents, at Lewisburg; December 10, Milton High, at Lewisburg; Dec. 17, Danville High, at Lewisburg.

January 7, Dickinson Seminary, at Williamsport; Jan. 13, Reading High, at Reading; Jan. 14, open; Jan. 19, Baltimore City College at Lewisburg; January 27, Williamsport High, at Williamsport; Jan. 28, Lock Haven Normal, at Lock Haven.

## REVIEW OF SEASON'S WORK

### LITTLE SUCCESS THIS YEAR.

With a Hard Schedule and Few Old Men 'Varsity Made Good Showing.

Two victories and six defeats sum up the football season for 1910, the most unsuccessful season, so far as statistics indicate, Bucknell has had in a long time. To say that the team, in itself, was the best in some years, would seem like a paradox, but this is the opinion generally expressed by nearly all the local football critics.

Only lack of experienced material and hard luck stood in the way of a much larger percentage of victories. Only a few veterans were back and much of the new material was inexperienced. Many of the men, who later made the team, had to be coached from the rudiments all the way up to the finer points of football, and consequently much time was spent there which with other material might have been spent upon developing team work. Hard luck played an altogether too prominent role. It would invariably happen that the best men would get crippled just before the big contests in which they were most needed. This was especially the case before the all-important State game. Many men were sent into that contest, who did not play in a 'Varsity game before or since.

"By" Dickson proved himself to be a most efficient coach. As far as his work was concerned, the team should have been able to rank with the best in the country, but the best of coaches can do nothing without material. In fact the biggest part of the credit for what the team did do, goes to him. At the start every man was carefully instructed and watched until he became thoroughly acquainted with the new rules. Each man was then given a fair try-out and plenty of shifting was done until the players got into that position for which they were best suited. This process materially strengthened the team, as was proved when Schmidt, for example was shifted from the line to the back-field and Bartholomew changed from sub-center to a regular berth at end.

Moreover the style of play introduced by Coach Dickson was a revelation around Bucknell, where straight football had been so long in prominence; open plays, forward and delayed passes and the like, interspersed with an abundance of tricks, were now the order. It was upon this style of play that the team depended almost entirely for its gains.

The team had to be sent into the first two contests before Coach had sufficient time to perfect even the most elementary of his plays. Against a Normal School was indeed a poor beginning, but much more could hardly have been expected from the team in its unorganized condition. It was the same story the following week. A big game like the Indians was scheduled entirely too early in the season. The 29-0 score would have been entirely different, had the game taken place later in the season.

The next week, the team journeyed to Carlisle and found there, its old acquaintance, the Dickinson "hoo-doo." The team was in good shape, that day, and played our rivals right off their feet, but as fortune, or rather the "hoo-doo," would have it, the score turned against the Orange and Blue giving Dickinson an undesired victory. Our invasion into the South brought back the only satisfactory victory of the year, when the Bucknell warriors took the scalp of the West Virginia team, to the time of 9-0. In this contest the first field goal of the season was kicked for us by O'Brien.

With the team in prime condition, the men kept up their good work the following week. Although they met defeat, the score 12-0 against the powerful Lafayette aggregation, was

## COLLEGE CONCERT

VARIED PROGRAM WILL BE RENDERED FRIDAY, DECEMBER 9.

On Friday evening, December 9th, a miscellaneous entertainment will be given by students in Bucknell Hall. Some of the best talent on the hill will appear. For the institute the Aeolian Quartet is working daily to sustain a growing reputation. Miss Kathryn Hopper of the Presbyterian choir and student in the School of Music will be the soloist of the evening. At the Academy a quartet of vocalists practices every evening in one building while an orchestra drills in another. Among the college men Prof. Stolz has organized a double quartet of good voices. Long, '11, is developing an orchestra and training the band. Several students in college will recite during the evening. All of the musical performers mentioned have volunteered their services not only for the present occasion but for future exhibitions. Professor Stolz is planning a merger of the student body for a grand choral entertainment. An oratorio or high grade opera will probably be given. For the present concert no charge will be made, but a silver offering will be taken at the door.

The proceeds will be devoted to the purchase of several pictures for the Department of Public Speaking. Among these will be a handsome print of Henry Clay addressing the Senate; an old print of Daniel Webster delivering the famous 4th of March speech; a rare engraving of Washington at Trenton; a large picture in colors of Washington entering New York after the evacuation. The department is on the look out for other historical and oratorical pictures.

**BUCKNELL MAN PRESIDED.**  
David Jayne Hill, '74, the American Ambassador to Germany, presided November 21, at a Thanksgiving dinner in Berlin at which 325 Americans were present. Dr. C. A. Smith, one of the University of Virginia professors, made a speech on the appreciation of Germany by the U. S.

**FOOTBALL CAPT. ELECTED.**  
A meeting of this season's football "B" men was held at 10 o'clock, Saturday morning in Room 1, for the purpose of electing a captain for the season of 1911. E. A. Snyder, for three years the Varsity captain, was unanimously elected to that position.

## ALUMNI RECEPTION TO STUDENTS

### BIG MEETING IN GYMNASIUM.

Alumni and Students Intermingle with Good Spirit on Every Side.

On Friday evening, December 2, the students in response to the hearty invitations sent them by the Lewisburg Alumni Association, met in the gymnasium. Everything had been done by the alumni to make the students feel at home. Tables had been provided, around which the students grouped themselves. Pipes and tobacco, apples, peanuts, pretzels etc. were furnished by the alumni in abundance.

In the gallery of the "gym" the Bucknell Band was gathered and to them much credit is due for the music rendered. Their work was appreciated and played a great part in bringing the fellows together.

After the alumni and students had mingled and indulged in reminiscences and general jollification for over an hour, Colonel Palmer, '77, the Chairman of the reception committee arose and made a short address of welcome to the studentbody on behalf of the alumni.

Dr. Perrine was then introduced as the first speaker. Coming forth before the students, amid great cheering and applause, he remarked that although he was not an alumnus, yet he almost felt as if he were one, for he only needed two weeks more to complete his twenty-fifth year as an instructor. He pleaded for a "oneness" in the university and said "Unity cannot be developed unless there is good feeling subsisting everywhere. First, there must be good feeling between the teacher and the students. We come to get the experience of those who have gone before us. Secondly, we must have good feeling among the students." Dr. Perrine then commented on the lack of faction at the reception and was glad because of this.

Judge McChure, '77, said that what was needed most of all was friendship. The fact that a man belongs to this or that bunch is not important but that he belongs to the university. His plea was "Greet everybody with friendly greetings."

The third speaker was A. W. Johnson, '96, who suggested the advisability of making this reception annual. He would bring the "old boys" back for it if he could, in paying tribute to the influence of the faculty, he said, "What life's success I have met, I owe to the university and to the members of the faculty of Bucknell. There is no abler and harder working faculty anywhere than at our own university. Our work compares favorably with other institutions and our faculty can be pointed to with pride. Let us stand together and work for the institution. Resolve to be good Bucknellians, to be good citizens, to uphold the honor of the institution. We cannot measure a university by what a few wayward ones do." Throughout his speech, Lawyer Johnson urged the students to stand as a unit.

On behalf of the students Baldwin, '11, and Trauger, '11, made a few remarks. The latter thanked the alumni for the reception that had been arranged and expressed the wish that each class might surpass its predecessors.

Among the alumni present were Dr. Stephens, '68, J. H. Winger, '72, W. R. Palmer, '77, C. A. Haro, '77, Hon. H. M. McChure, '77, W. G. Owens, '80, J. Owens, ex-'59, G. P. Miller, '84, J. M. Wolfe, '89, L. Phillips, '92, C. A. Gundy, M. D., '93, H. P. Gundy, '91, L. G. C. Homer, '95, H. T. Cocksack, '96, A. W. Johnson, '96, L. T. Butler, '97, A. A. Leiser, Jr., '98, F. G. Ballentine, '99, M. L. Drum, '02, C. L. Stehninger, '03, C. C. Leiser, '04, G. W. Cockill, '05, W. O. Schaeffer, '22, P. E. Bower, '29, J. Chellis, '06, E. B. Woods, '10, A. E. Petterman, '10, W. Pangburn, '10, R. Irey, '09, and B. W. Griffith, '09. A number of the faculty members were also present.

## ALUMNI RECEPTION.

The reception tendered the student-body by the Lewisburg Alumni Association was a decided success. Everyone had a good time. Now the question which should be supreme and receive the attention of every student is whether he will do what he can to boom the university and to promote harmony among the students.

There was only one object in view in having the reception and that was to give the alumni a chance to meet the students and encourage harmony and unity in the school. From the indications of good fellowship on Friday evening, there is every reason to expect a better feeling among the fellows on "the hill." If the bunch feeling be forgotten then—and only then—will the feeling of student toward student be as it should.

LET US AS FELLOW STUDENTS HAVE THIS ONE OBJECT IN VIEW—FORGET SELF AND WORK FOR THE INSTITUTION!

## A MISTAKE.

No one of the fair minded students can deny that the persons who did the painting in town recently made a mistake. If they were students then they do not have the support of the student-body. We feel that the majority of the students will not stand by such action, but will protest against such work.

However as Lawyer Johnson said in his address to the alumni and students on Friday evening "We cannot measure all by what a few wayward ones do."

Can we not do our part to show that we are not in sympathy with such work and are bitterly opposed to it?

## NEW PRINCIPAL.

W. E. Doherty, '96, started this year as principal at Penn Yan Academy. After graduating from Bucknell in 1906 he was principal of the high school at Philadelphia, N. Y., for four years. From here he went to Penn Yan, N. Y. During the summer he has also been an examiner in the educational department at Albany.

According to a recent report, Mr. Doherty has unusual ability for high school work and has the happy faculty of gaining the good will of his students.

## ARTISTIC CHRISTMAS GIFTS.

If you are looking for an especially select Christmas gift, come to the Art Studio second floor and see some of Miss Scott's work. From now till Christmas holidays there will be articles on sale there.

## NON-CHRISTIAN RELIGIONS.

Prof. Fries will give the last of his series of talks on "Non-Christian Religions" in the Y. M. C. A. room on Thursday evening at nine o'clock. The subject for discussion is: "Buddha or Christ—A Comparison."

## COLLEGE BIBLE CLASS.

After the questioning at Casaca, changing his method of work, performing fewer miracles, avoiding public demonstrations, alone with the twelve most of the time, he tried to win the twelve to his view of life by bringing them into loyal intimacy with himself. He would through association with them implant in them ideas that would stand the test when on reflection these disciples would be compelled to explain to themselves and to others their own attachment to him. His first method of procedure was this: to win the disciples from loyalty to tradition to loyalty to himself.

The Transfiguration was a part of his first method. Whether the form of the Transfiguration be a symbol, a vision, or a literal expression of the experience, the significance of the event is clear. The presence of Moses and Elijah, the recognition of the Messiahship of Jesus in the voice out of the cloud, the words, "hear him"—all these put together suggest that the disciples recognized in the experience called the Transfiguration, the prement of Jesus and his fulfillment of the law and the prophets.

## MINISTERIAL RECEPTION.

A reception and dinner was arranged by Dr. and Mrs. Leroy Stephens at their home for the ministerial association, on Tuesday and Thursday of last week. In this way the new members became better acquainted with each other.

## COLLEGE LOCALS.

W. L. Kalp, '93, was a recent visitor in town.

J. Leslie Conover, '10, spent Thanksgiving Day with his Kappa Delta Phi brothers.

Walter, '13, saw State go down to defeat before Pittsburg, in the annual football game in the "Smoky City."

Austen, '14, and Edmiston, '14, have left college. The former will endeavor to get in the U. S. Naval Academy.

Lyle, '14, is gradually recovering from a dislocation which occurred shortly after the Sophomore Freshmen game.

George Street, '10, and Lee Sprout, '10, Professors at Keystone Academy, spent the Thanksgiving vacation renewing old friendships here.

The Demonsthenes were entertained by Prof. and Mrs. Hamilton at a turkey dinner at their home on St. George street on Thanksgiving Day.

Retter, '12, and Miller, '12, entertained M. R. Winter, a graduate of Mount Alto Forestry Academy and at present State Forester near Millburg, during the latter part of the week.

While on a business trip to Philadelphia recently, Professor Bronley Smith met Robert Baker, ex-'07. Mr. Baker is with the Casino Players in "Under Two Flags." Aside from his work on the stage Mr. Baker writes plays. Those who were present at the minstrel show in 1907 will recall that the hit of the evening was one written by Baker and acted by him and Gordon Evans, now on the Senanton High School faculty.

## FORMER STUDENT DIES.

The Rev. John G. Entelstein, ex-'04, a Baptist preacher at Vineland, N. J., passed away last week. He was a student here for a time but did not graduate, taking up his theological course before his college work had been completed. At the age of sixteen he drew large crowds as the "boy preacher." During his stay at Vineland, from 1893 on, he devoted his time to supplying churches of all denominations, missionary work and forwarding the temperance cause.

## "GYM" HOURS.

"Doc" Hoskins has made the announcement that he will be at the gymnasium from 4.15 to 5.15 on Tuesday and Thursday afternoons to give work in the "Art of Self-Defense; on Monday and Wednesday afternoon, at the same time, to give instruction in work on the horizontal and parallel bars, as well as on the horses.

On Saturdays, from 2 to 5 P. M., time will be given for physical measurements.

## FOOTBALL PLAYER DIES.

A former member of our football eleven, E. K. Ward, of Retroad, passed away at his home recently. Mr. Ward was here only for a short time and while here played at end.

Some time ago he was struck by a bullet ball and an abscess was formed, which led to complications resulting in his death.

"Mike" Haines, ex-'09, is with the United Gas Improvement Co., Philadelphia.

### HONORS FOR ALUMNUS.

L. W. Hoon, '06, according to information received has been doing very good work at the University of Penna. The faculty of the medical department announced that he stood sixth on the list of twenty-five honor men of the Senior class. Since there are 154 men in the class, this speaks well for Bucknell's graduate. The report further says that Mr. Hoon's average through the first three years' work was 91. From the first twenty-five men the resident physicians for the University of Pennsylvania Hospital are chosen, an honor much coveted by the medical students. Judging from Mr. Hoon's standing he has an excellent chance of winning an appointment.

## ALUMNI BANQUET AT PITTSBURG

OLD FRIENDSHIPS RENEWED

Big Time in Fort Pitt Hotel. Alumni Enthusiasm in Booming Their Alma Mater.

With a rousing Bucknell-el-el, about two-score loyal sons of Bucknell opened up the second annual banquet of the Pittsburg-Bucknell Club Saturday evening at the Fort Pitt Hotel, Pittsburgh. Despite the limited attendance due to inclement weather, the evening was marked by a stirring, spirited enthusiasm for Old Bucknell and her affairs.

For some time before the socially hour of beginning the banquet, 6.30, the Bucknellians were gathered in the lobby of the Fort Pitt, renewing college friendships, exchanging reminiscences, and meeting former students of other classes. A feeling of good cheer and fraternal friendship prevailed among all present throughout the evening.

Several interesting discussions were aroused by the reports rendered regarding the college activities, and the secretary was instructed to forward various recommendations of the club to the Bucknell authorities. Chief among these was a recommendation of the proposed addition to the college charges of an annual athletic fee; and a pledge of co-operation with the college authorities on the part of Western Pennsylvania alumni.

It was decided to admit to the membership of the club all former students of Bucknell in Western Pennsylvania, whether graduates or not. Those in attendance were from all parts of Western Pennsylvania, and in addition, Harry Schoch, '07, who stopped off between trains, enroute to Lincoln, Nebraska.

Attorney Harry B. Wassell, '00, ably acted the part of toast-master, and with well-chosen phrases introduced the various speakers. The first speaker called upon was the Rev. J. V. Stratton, ex-'07, who spoke of "Bucknell As It Was." In a very excellent speech, Mr. Stratton carried his auditors back to the days when there were less than 75 students in attendance at the college, academy and "Ten-son," and when but two were graduated from the college one year. His remarks on the traditions and experiences of old were much enjoyed.

Prof. W. S. Wilcox, '01, spoke of "Bucknell As It Is" and wittily remarked that in spite of the loss of those he was addressing, Bucknell was still holding her own in all respects, and was still active and alive, as a leading college of the State should be. He made an eloquent plea for the co-operation of the Western Pennsylvania alumni with the college authorities and impressed upon them the importance of influencing good prospective students to enter Bucknell.

"Bucknell Of The Future" was ably pictured by R. W. Thompson, '04. Mr. Thompson discussed athletic, financial and other branches of college activities, reviewing the football season just passed and reminding his hearers that in time of prosperity they should not forget donations to their Alma Mater. His remarks made a strong appeal.

Many others spoke of their kindly feelings toward their Alma Mater, their belief in its future growth, and their desire to do what they could to help the school. After arrangements had been made for a smoker in the near future and a monthly luncheon, the banquet adjourned with cheers for Bucknell.

Those who were present were:—C. M. McCormick, '06, H. C. Thompson, '08, M. F. Goldsmith, '06, R. W. Thompson, '04, W. W. Gill, '05, W. C. Wilcox, '04, J. V. Stratton, '01, J. H. Schuch, '07, E. B. Hiley, '06, C. L. McQuiston, '08, N. E. Henry, '05, C. E. Long, '08, J. L. Shields, '06, C. I. Phillips, '05, R. G. Boswick, '05, A. Niel, '06, F. A. Riegel, '06, P. G. Cohen, '06, J. K. Spurgeon, '10, P. J. Abraham, '10, T. S. Dracken, '09, R. S. Porter, '12, J. C. Llewellyn, '12.

**ACADEMY vs. DANVILLE.**  
The Academy Basketball five plays Danville High in the "gym" on Friday night, Dec. 16. The Academy team is showing remarkable form and is playing a great game. A good turnout from the college would certainly be appreciated. Game called at 8 P. M. Admission 25 cents. Ladies free.

**ARTISTIC CHRISTMAS GIFTS.**  
If you are looking for an especially select Christmas gift, come to the Art Studio second floor and see some of Miss Scott's work. From now till Christmas holidays there will be articles on sale there.

**COACH APPRECIATION.**  
Coach Hoskins wishes to take this opportunity to express his sincere thanks to the members of the football team for the handsome present, an overcoat, which they gave him.

# THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, DECEMBER 12, 1910.

NUMBER 10

## SOME BASKET-BALL MEN

Captain Kurtz.

Rhodes, '11.

Thatcher, '11.

## PROSPECT FOR THIS SEASON

BASKET-BALL TEAM NOW OUT.

Candidates Are Working Hard to Assure Us of a Good Season. Prospects Good.

There is every reason to believe that this season's work in basketball will be of such a calibre as will compare favorably with previous years.

Already Captain Kurtz, '11, has a number of candidates out, practicing hard every day. Of last year's team we have the main-stay, Capt. Kurtz, who starred as one of our dashing forwards; Fisher, '12, who played center for a time creditably well; Thatcher, '11, who also worked hard as center and forward; and Zehner, '12, who played well at guard. These are the "B" men who ought to make permanent positions on the team if their work this year comes up to their playing last season. From every indication they will show up even better.

Of the men who have not made their "B's" yet, Rhodes, '11 and McCullen, '11, ought to give some one a merry race for a position on the team. Richards, '12, who played guard for several periods last year showed up as well as there is a great possibility of his making good as a "B" man this year, if he develops in the game. Redding, '14, who played on the Franklin High School team and Goodwin, '14, who played on the "Prep" team, are also showing up well.

There is plenty of chance for everyone and all who can play the game are requested to report at the "gym" for practice. Captain Kurtz is in the work this year to get a winning team and wants the help of every basketball player. All those trying for class teams will get a chance by reporting early.

## RECEPTION AT RICHMOND.

Colonel Joseph K. Weaver Bucknell alumnus and trustee and Mrs. Weaver recently attended the nineteenth annual meeting of the Association of Military Surgeons of the United States held at Richmond, Va., Nov. 2nd. Preliminary to the meeting a reception was tendered in the parlors of the executive mansion to Surgeon-General Weaver the retiring president by Governor and Mrs. Mann. The Richmond Virginian calls it "the most handsome affair that has been given at the executive mansion since the inauguration of Governor Mann."

The paper says further: "The company was an unusually brilliant one and much effective coloring was added by the uniforms of the U. S. surgeons and those of the foreign officers which are gay in bright lines and gift trappings. The French men with their scarlet regalia; the Japanese with their national insignia, the dragon, in variegated colors, and the officers from Quartermaster, Mexico and England as they mingled with the throng of beautifully gowned women, representing the best known members of Richmond society, gave bright dashes of color that can only be found at state and official affairs but which are always as fascinating as they are brilliant."

The Governor and Mrs. Mann were assisted in receiving by General and Mrs. Weaver and Colonel and Mrs. William Wilson also.

## SEMINARY "AT HOME."

The gifts of the College and Seminary were "At Home" to the ladies of the faculty and their other friends in town on Saturday afternoon—a very pleasant affair. During the afternoon many of the guests visited the Art Studio to see the beautiful work displayed on the tables there.

## NEW MAN COMING HERE.

Since last year Mr. Irwin E. Deer has been appointed Secretary of the Y. M. C. A. On Thursday evening of this week Mr. Deer will address the regular meeting of the local association.

## "PREP" FOOTBALL

CAPTAIN LOEWEN LED A SUCCESSFUL TEAM.

The review of the Academy's football season shows that the "Preps" won from Milton High, 11-0, lost to Bellefonte Academy, 17-3; lost to Mt. Carmel 11-0 at Mt. Carmel, but won here 5-0; lost to Conway Hall, 41-0; won from Sunbury High, 12-2; and lost to Bloomsburg Normal, 16-5.

A number of addresses were made by prominent missionaries and others interested in missionary work. Great interest was shown in the work by the student delegates which speaks well for the work during the next year.

## COLLEGE CONCERT

VARIED PROGRAM WAS HIGHLY ENTERTAINING.

Students of all departments of the University united last Friday night in the presentation of a concert which on account of its miscellaneous nature and excellent rendition was extremely unique and pleasing. Under the leadership of Professors Smith and Stolz, the best of talent in elocution and music was merged to make the affair the success that it was.

Recitations, quartets, quintets, solos and instrumental music constituted an unusually varied program, which held the interest to the end. The University band was out in force and favored the audience with several numbers. The Academy quintette with its numerous, selections made the hit of the evening and were encoered the time after time. Professor Bromley Smith who announced the numbers regretted the absence of the Academy quartet from the Seminary which was to make its appearance. The proceeds from a silver collection which was taken at the door are to be used to purchase several new pictures for the Oratory room. The program as rendered was as follows:

## DEGREE OF A. B.

According to the "Old Penn Weekly Review," a Harvard student must pass before entering the Junior class an examination in either French or German to prove a sufficient mastery of the language to enable him to consult foreign books and periodicals with ease. The presumption is that Latin will still be required.

As far as Greek is concerned, Harvard allows the substitution of German or French. This regulation will do much to eliminate superficial training in language and will lay additional emphasis on the need of counteracting the tendency to encourage superficial work, by insisting on greater thoroughness in the study of the subjects elected.

## WORD OF APPRECIATION.

Cord Hoskins wishes to take this opportunity to express his sincere thanks to the members of the football team for the handsome present, an overcoat, which they gave him.

## BASKET-BALL SCHEDULE

MANAGER ANNOUNCES GAMES TO BE PLAYED.

The basketball season is fast approaching and promises to be a good one at Bucknell. After a great deal of hard work the manager has succeeded in arranging the following schedule for games at home: Carnegie "Tech," January 13. Dickinson, January 29. Gettysburg, February 10. Alumni, February 16. State College, February 18. Susquehanna. (Date not decided). The following dates have been arranged for abroad: State College at State College, February 24. Susquehanna at Selingsgrove, March 5. Indiana at Carlisle, March 10. Dickinson at Carlisle, March 11. Besides these games there are several dates open, one abroad and a possibility of getting the Indians to play on our floor.

Several of the colleges which we have played in former years are not on the schedule. Swarthmore especially will be missed. However the Indians will be an addition, also Carnegie "Tech."

## WHAT RESULTS?

Before another issue of the Orange and Blue appears, all of the student body will be in the midst of the final examinations of the fall term.

To some it means a question of whether they are "making good" in an institution which is new to them; whether they have done their work sufficiently well to pass the test which will be given. If they have worked conscientiously and with a determination to accomplish something, having but one purpose in view that of getting the best out of their course, then they need not fear the final examination. On the other hand if they have allowed the trivial things to attract them and have gambled with time, to them the test will come with all force. The question will be with them "What will be the result?"

However to the student who has returned to continue his course the examination has more than this. To him it will come as a chance to tell whether he has measured up to the work of former years, or that he has allowed his work to suffer because of his many lines of activity. At all events it will be a test of his accomplishments for the term.

Still this is up to the individual for it is only a test of what he knows if he is true to himself. No one can deceive himself, even if he deceives those around him. If he does not know the work, but passes the "exam," then he is not fair to himself. If he wants to know whether the term has been a successful one for him, then he must be fair to himself, fair to his fellow-students and fair to everyone interested. Then when the question arises in his mind as to what will be the result, he can tell, if he has done his work fairly.

## COLLEGE FAILURES.

At this time, when we are looking ahead to the examinations which will tell us how we have worked during the term, the words of Prof. Nicholson of Wesleyan might interest some.

"College failures are of various types. There are failures in scholarship and failures in character. There are positive and negative failures. A positive failure in scholarship may be defined as one who, through inadequate preparation, ignorance of how to study or laziness, is dropped from college, being unable to keep up with his class. A negative failure in scholarship is one who, though he may graduate has not obtained from the college course what his natural ability might have made possible—an honor man by nature, but a member of the last third of his class by choice. A positive failure in character is made known to the world by the action of the faculty in suspending or

expelling for immorality or breach of college rules. The negative failure in character are much more numerous. They comprise the young men who fail to take the place which they ought in the moral life of the community; who lack strength of will to resist public opinion when it takes a wrong direction, and who let themselves drift with the tide, instead of striking out on an independent course. They fail to build for themselves strong characters and they leave college the worse for the time spent there."

With the ending of the first term and the testing time approaching, can you say that the first three months have been a failure? Positive or negative?

The registration figures of the largest women's colleges last year were as follows: Smith, 1,609; Wellesley, 1,219; Vassar, 1,029; Mt. Holyoke, 732; Bryn Mawr, 412.

## COLLEGE LOCALS.

Crandle, ex-'11, visited friends here during the past few days.

Ferrill, '10, visited his fraternity brothers Saturday and Sunday.

Gathouse, '10, spent Saturday and Sunday with friends on the hill and in town.

James Groff, '09, was home at the weekend to attend a meeting of the 12th regiment.

The Daily Morning News gave an extended report of Prof. Bromley Smith's address on the Peace Movement delivered at the annual institute of Montour county. The interest in the address culminated in the passage of a resolution deprecating the use of war as a means of settling international disputes and urging the Congressmen from the district to use his influence at Washington for the lessening of expenditures for military and naval purposes. We note in the Advocate of Peace that Prof. Smith has been appointed a permanent lecturer on the staff of the American Peace Society.

## A. A. MEETING.

At the regular meeting of the Athletic Association on Saturday, Dec. 10, the following business was transacted:—

A report of the Finance Committee was read and approved, showing the financial condition of the association to be in poor condition. Owing to the cancellation of our Thanksgiving game we lost quite an amount, which we usually count on to help our football expenses. This year there was a cutting down of the expense as far as possible and yet there is a large deficit in the treasury. Since there were but two games in football played here this fall, the sale of season tickets was very small; but with the basketball season approaching a large sale of tickets is expected.

After the report had been accepted, the matter of amending the by-laws requiring a two-thirds vote instead of a majority to elect a candidate, was brought up. In order to give everyone a chance to consider the proposition, the matter was laid on the table, to be brought up in the future if so desired.

A letter was read from the Lewisburg Alumni Association which had that at their banquet, December 3, they had instructed their secretary, R. G. Baerwick, '05, to write to the Board of Trustees, the Faculty and the Athletic Association, telling them that they were in hearty sympathy with the movement to get a compulsory athletic fee for the student body. So far as possible they pledged their support to encourage the matter.

The election was then held. Five there was no opposition the members present voted yes or nay, with the following result: Asst. Football Manager, Weston Smith, '13; President of Athletic Association, English, '12; Vice Pres., Davenport, '12; Secretary, Hensinger, '12; At-Large, Board—Prof. Hamilton, R. W. Thompson, '04, Reiter, '12, Roberts, '12.

President Lloyd brought up the matter of a compulsory athletic fee and all of the members present voted in favor of sanctioning the movement. A petition was discussed and the President was authorized to appoint a committee of three to wait on President Harris to discuss the subject with him. Hamill, '11, Kase, '11, and Crossman, '11, were appointed. The meeting was then adjourned.

**ACADEMY 59--MILTON H. S. 20.**  
Bucknell Academy won its second game from Milton High School by a score of 59-20, clearly outplaying the High School and passing all around them. The game was fast and interesting throughout and those who did not see it missed a clean, fast game.  
Loewen, Pulmer and Seeman displayed form in shooting goals, shooting 26. Sharpe and Hause played a very good game at their respective positions. Frymire played a good game for Milton.

Academy Position Milton H. S.  
Pulmer . . . forward . . . Frymire  
Loewen . . . forward . . . Musgrave  
Seeman . . . center . . . Wetzel  
Sharpe . . . guard . . . Hess  
Hause . . . guard . . . Saylor  
Field goals: Loewen, 12; Pulmer 8; Seeman 6; Hause 2; Frymire 4; Wetzel 3; Saylor 2. Foul goals Pulmer 3; Musgrave 2. Referee—Goodwin. Time of halves—20 minutes.

### COLLEGE BIBLE CLASS.

The second part of Christ's work in winning the loyalty of the disciples was this: to show them by his association with them that the highest position in their social relation with one another was for the one who rendered the greatest service. To this end he interpreted the larger life of the Spirit. Twice Jesus spoke of his death, and after each announcement the disciples, supping the kingdom was at hand, strove about what should be their relative positions in the Kingdom. The first time Jesus directed them to a child and enjoined upon them that disposition of a child which does not recognize differences in position. The second time he explained that honor in the Kingdom depended on service and set forth himself as an example.

The conduct of the disciples, their continued interpretation of Christ's words, suggest that Jesus did not succeed in winning them. But the words "I appoint to you a kingdom even as the Father appointed a kingdom to me" reveal that these disciples had had hold of enough to equip them to be the successors of Jesus.

### CHEMICAL SOCIETY.

The last meeting of the Chemical Society for this term will be held in the Laboratory next Friday afternoon, December 16. The meeting promises to be of unusual interest. "Paper" is the subject for discussion. Fitch, '11, will speak on "The Chemistry of Paper" and Applegate, '14, on "The Practical Side of Paper Making."

## THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XV.

LEWISBURG, PENNA., MONDAY, JANUARY 9, 1911.

NUMBER 11

NEXT LYCEUM  
COURSE NUMBER

## "ORPHEANS" WEDNESDAY NIGHT.

Concert Promises To Be One of the Best of the Lyceum Attractions This Season.

The Lyceum Course committee of the Y. M. C. A. has arranged for the next number, "The Orpheans," for Wednesday evening, January 11. To those who have never heard of "The Orpheans" it might be well to say that they are talented with great musical ability. These men have been giving concerts for the last ten years with much success and there is no doubt but that they will please all who hear their program on Wednesday night.

The program consists of vocal quartets, horn quartets, solos, illustrated songs and impersonations. They have an extensive repertoire of vocal music and in the classic, humorous and comic selections are equally at home, their voices blending in perfect harmony, giving the effect of a deep-toned organ. In the pathetic songs they excel, as their sympathetic rendition gains the heart of their audience, while their comic songs are true to life and are sung with vim.

A. H. Richardson, first tenor and also trombonist, is also a clever cartoonist. His cartoons add to the program and are well sketched.

From the reputation that "The Orpheans" have established elsewhere, the concert on Wednesday evening in the Methodist Church, will be worth attending.

## SALE OF RESERVED SEATS.

Manager Rosenberg, '11, has placed the diagram of the reserved seats for basketball in the Book Store and the sale is now on. Seats this year will be \$1.50 and \$2.00. Those more desirable at each end of the gymnasium gallery will be higher priced. Town people can get tickets at J. F. Provant's after Tuesday noon.

All season tickets must be arranged for before the first basketball game on Friday evening, January 13.

## FRATERNITY DANCE

DELTA THETA UPSILON HELD FORMAL DANCE DEC. 21.

The Delta Theta Upsilon Fraternity gave its annual Christmas dance in the Armory, on the evening of December 21. All efforts were made to have the hall tastefully decorated for the occasion. The walls were a solid mass of evergreens, broken only here and there for the different college fraternity banners. The windows appeared as white panels, on each of which was a skin with a college of fraternity seal. Festoons of crepe paper in silver and blue covered the ceiling. In the centre of the floor, the orchestra was entirely enclosed by white panels which were surrounded by evergreens. In each panel a holly wreath was hung.

There were about forty-five couples in attendance. Besides the friends from town and college, guests were present from New York, Philadelphia, Pittsburgh, Factoryville, Danville and Shamokin.

Music for the evening was furnished by Campbell's Orchestra of Sunbury.

## ALUMNI APPOINTED.

Recently State Superintendent of Public Instruction Schaeffer appointed permanent certificate committees to supervise the issuance of permanent certificates to public school teachers in sixty-six counties and twenty-three cities. A number of Bucknell alumni were appointed among whom were the following: D. H. Robbins, '39, of Berwyn, Chester Co.; S. B. Dunlap, '03, of Muncy, Lycoming Co.; Frank L. Yost, '06, of Milton; Elkins L. Bender, '08, Lewisburg; Estella M. Albright, '04, of Mifflinburg; John Davis, '02, of Nanticoke; and W. S. Gilmore, '05, of Williamsport.

## COLLEGE BAND.

Leader Long, '11, wishes to announce to members of the Bucknell Band that there will be band practice this Thursday afternoon at 4.15 P. M., and every subsequent Thursday. This will give those who attend the Medical Society and have Shop-Work on Friday a chance to attend. The Band still has about three instruments not in use, which they wish some students to use who are capable. There are some men with talent in the college who should be willing to give the hour required for practice. If these men will not turn out in order to bring the Band up to its full quota, then Long, '11, asks some men to report who are willing to learn.

Some time this term a concert will be given by the Band in Bucknell Hall. Selections are being practiced for this affair as well as for the basketball games during the winter term. Let every man give this his hearty support!

## COMING RECITAL

MUSICAL IN BUCKNELL HALL, JANUARY 19.

On Thursday evening, January 19, a recital will be given in Bucknell Hall by Mr. Robert Colson Young, pianist, and Mr. Sedgwick MacGregor, haritone, both of Pittsburgh. This recital promises to be one that will claim the attention of the audience for both Mr. Young and Mr. MacGregor have had experience, and very successful experience—in entertaining in various cities. Listen to what is said of their ability in this line by those who have heard them.

"A large crowd listened to a piano recital given by Mr. Robert Colson Young at the Woman's Club room last evening. Mr. Young played with unusual brilliancy and held the attention of the audience with his flawless technique."—Lexington Herald, Lexington, Ky.

"Sedgwick MacGregor, a sincere with a gorgeous voice, has certainly a great future before him. He was in every way artistic and was enthusiastically received in his recital."—Chicago Musical Leader.

Mr. Young gave a recital here last May as many may remember with pleasure. The program of the recital will be given in next week's Orange and Blue.

Prof. Stoliz and Miss Boynton have charge of the sale of tickets, which are thirty-five cents.

## ELECTED RECENTLY.

Silas H. Schorch, '06, of Selasgrove, was elected second lieutenant in Co. K, Twelfth Regiment, recently.

In speaking of the election, the Sunbury Daily said: "Lieutenant Schorch enlisted as a private in Company E, Twelfth Regiment on Dec. 29, 1908. He was appointed regimental commissary sergeant on January 27, 1910. He was a member of the rifle team of Company E in 1909 which won the 'Grit' and 'Skirmish' trophies. He won the Corvett badge and the Gazette and Bulletin badge for highest individual scores in skirmish matches."

"He was a member of the headquarters rifle team in 1910 which won the skirmish and rapid-fire matches. Last summer he was also a member of the State champion junior team of the Twelfth regiment at the State rifle matches which carried off three trophies and most of the honors of the matches. In these matches he was high gun in the aggregate and had the highest scores in the skirmish matches. On account of his exceptional skill as a marksman he will be a valuable acquisition to the company."

## NEW EDITION PUBLISHED.

Professor F. G. Ballentine, '09, has just published a new edition of the Hutton Timonemus, one of the comedies of Terence, with introduction, notes, and critical appendix, pp. XXI and 129. The book appears in The Student's Series of Latin Classics, published by Bepi. H. Sanborn and Co., Boston.

TWENTY-FIFTH  
ANNIVERSARY

## DR. PERRINE'S LONG SERVICE.

As Professor of English Literature, He Completes His Twenty-fifth Year Among Us.

Although not an alumnus, yet with Bucknell ever at heart, Doctor Enosh Perrine has labored among us for the last twenty-five years. His first class was on January 6, 1886, and since that time he has been identified with this institution, teaching in the department of English and Literature.

Dr. Perrine was born at Hightstown, N. J., November 18, 1853. He was prepared for college at Alexander's Classical Institute and at Peddie Institute, graduating from the latter institution in 1870. Four years later he graduated from Brown University and received the degree of A. M. from that institution in 1882.

In 1875-76 he was the editor of the daily "True American," published at Trenton, N. J. The next year he studied law, which he relinquished to help establish and edit "Senside," a paper printed at Manassas, N. J. In 1879, he was chosen to conduct the Latin Department in Peddie Institute, a position he filled until 1886, when he was called to the chair of Rhetoric and Literature in Bucknell University. Whilst in college he was always known as a great student of literature and Political Economy. He spent much of his time in writing and served several terms as editor and finally as editor-in-chief of the "Brunonian," a college publication of very high grade. Dr. Perrine is a member of the Delta Phi Fraternity, one of the earliest organized fraternities in the country, and is also a Phi Beta Kappa man.

Outside of his class-room work at Bucknell, Dr. Perrine is known as a writer and speaker of great ability. He has lectured and preached in the most prominent places in Pennsylvania and New Jersey, having been licensed to preach by the Lewisburg Baptist Church. In 1887 and 1888 he was one of the lecturers at the Seaside Assembly held at Avon, N. J. He was also one of the lecturers in the University extension course.

In 1882, Professor Perrine was the recipient of the honorary degree of Doctor of Literature from Gettysburg College. He has delivered addresses at the commencements of many of our colleges and academies and has written very largely for the various publications of the Baptist denomination.

During Dr. Perrine's stay among us he has built up the department of Rhetoric and Literature and introduced many new subjects, among which are English Oratory, Advanced Composition, English Versification, Anglo-Saxon, Shakespeare, and Lectures on the Essay and the Oration. He has developed "honors" work in Chaucer, Milton's Paradise Lost and other subjects. Again his experience in Journalism makes his course in this line thorough.

Dr. Perrine's classes attest to the popularity of his courses. His instructions in literature is much sought after and his explanations are thorough. With his witty style he presses home the ideas of the author and makes his subjects lasting in the student's minds.

Whenever he is called upon to address the student-body, as at the alumni reception to the students recently, he is heartily welcomed and has the undivided attention of all, because of their love and respect for him.

## RECENT WEDDING.

On December 28, Professor Norman H. Stewart was married to Miss Marion Sale of Toronto, Canada. The wedding was a pretty home affair and a very large number of friends were present. Professor and Mrs. Stewart returned to Lewisburg shortly after the first of the year and will reside on Fourth street.

## DEMOSTHENEANS REUNIONS.

On Thursday evening, Dec. 29, the Demostheneans in and about Philadelphia held an informal reunion and banquet in the Dutch Kitchen of the Central Y. M. C. A. Twelve men were present at the feast, of which Robey, '01, was toastmaster. The other alumni present were Steinhilper, '05, Sprout, '08, Sholl, '10, and Sprout, '10. After all the alumni had responded to informal toasts, Robey presented a review of the full work and progress of the newly organized Demosthenean Alumni Association. The banquet was an entirely new feature and proved to be a success in every way.

Several nights later a Demosthenean banquet of a similar nature was held in the Seventh Avenue hotel, Pittsburgh, at which there was a good attendance both of alumni and active members. Both these banquets will now be annual events on the Demosthenean calendar.

## "PREP" BASKETBALL

ACADEMY TEAM STARTS OFF THIS SEASON WELL.

On Friday evening the Academy basketball team played Williamsport High School in the gymnasium and rolled up the score of 53-29 against them.

CAPTAIN FULLMER.

Much credit is due Captain Fullmer for his rounding his men into good form and also for his individual work. His playing last year easily won for him the captaincy and this year he promises to be one of the best forwards ever on a Bucknell Academy team.

## FIRST GAME CARNEGIE "TECH."

Varsity Rapidly Rounding Into Form in Anticipation of First Contest, on Friday Night.

Since the new term opened Captain Kurtz, '11, has been working with the basketball squad and trying to improve the condition of the team. From all reports, the outlook is far better than last year. Every man is finding the basket, and the passing is coming up to a good quality. Team work is becoming stronger and with the men out who are now working for the team, we should see a good game this Friday night.

Those who are working for regular positions are Rhodes, '11, Bartholomew, '12, McCullen, '11, Thatcher, '11, Zehner, '13, Richards, '13, Fisher, '13, and several others. There are still some good men in the college who have played basketball on their "prep" teams and these Captain Kurtz wishes to report. Every man has a good chance to make the team, as no man has his position clinched as yet.

The plan that the captain has is for three teams to be on hand for practice. In that way team work can be developed and hard practice given the likely Varsity men. Turn out and do what you can to make the Varsity! If you cannot make it this year, then help the first team to develop.

## C. E. A. DANCE.

The C. E. A. dance was held in the Armory on Monday evening, January 2. There were fully fifty couples present, among whom were a number of town and out-of-town guests. The music was furnished by Campbell's Orchestra of Sunbury. The dance lasted until twelve, after which refreshments were served. The patronesses were: Mrs. Linn, Mrs. McClure, Mrs. Butler, Mrs. Irey, Mrs. Leiser and Mrs. Wolfe.

## BASKET-BALL SCHEDULE

BUCKNELL HAS EIGHT GOOD GAMES AT HOME.

The Bucknell basketball schedule has been announced, with eight good games on the home floor, along with seven inter-class games. The squad will play four games abroad. The following is the schedule for the season:—

Jan. 13—Carnegie Tech. at Lewisburg.

Jan. 20—Albright at Lewisburg.

Jan. 27—Dickinson at Lewisburg.

Feb. 1—Susquehanna at Lewisburg.

Feb. 10—Gettysburg at Lewisburg.

Feb. 13—Open.

Feb. 16—Alumni game.

Feb. 18—State at Lewisburg.

Feb. 24—State at State College.

March 3—Susquehanna at Selasgrove.

March 10—Indians at Carlisle.

March 11—Dickinson at Carlisle.

This may seem a short schedule to some of the students, but Manager Rosenberg is limited to twelve games according to the A. A. Constitution and has done what he could to get a first-class schedule of games.

From the line-up we should have some fast games here as Carnegie "Tech," Albright and State have good teams.

This year we want to wipe out the defeat which State College administered and from the way the team has been showing up, we can look for a reverse of last year's score.

One more date is to be filled and the schedule will be complete. Several colleges are being considered and Manager Rosenberg expects to announce the game for February 13, very shortly.

## LINDENMAN-RENN.

During the Christmas holidays, the engagement of Professor Charles A. Lindenmann, '08, to Miss Stella M. Renn of Philadelphia, was made known.

## SATISFIED?

With the opening of the new term in the college would it not be well to ask yourself if you are satisfied with the term which has just drawn to a close? Have you returned to Bucknell with the high resolve to make the new term better in many respects?

The college is to the man just what he makes it. No one seems contented with his surroundings, to the man who imagines everything is going dead wrong. All of one's classes are drudgery to the student who is out of harmony with every one.

On the other hand if we have returned with the idea that Bucknell is the place for us to pursue our studies, and that we can get as good training here as elsewhere, then we will enter upon our work with new zeal and with vigor—and incidentally with success.

Let us start the new term right, with faithful application and with the desire to make it better than the preceding one, not only in the line of studies, but also in every other phase of the college life!

## AN APPRECIATION.

Few of those who are studying under Dr. Perrine knew that January 6 was the twenty-fifth anniversary of his first class at Bucknell. So modest was he that it was only by chance that we heard of his completing his twenty-five years.

In the time that he has spent with us, many can bear testimony that he has showed himself friendly to the students and labored for the good of others. For a student to take one of his courses is meant a repetition later, because of the good derived and also because of the pleasure one found in taking his work.

Many can say with all truth that Dr. Perrine was the one who taught them what poetry was—it's beauty—the inspiration he derived therefrom—and that he taught them to appreciate literature as they never had before.

At all times he has had the institution and the students at heart, endeavoring to bring about a "oneness" which would help conditions in the college. Although not an alumnus he has said time and again that he almost felt as if he was, for his heart was with Bucknell.

In Dr. Perrine, Brown University can feel justly proud of her alumnus, and we also, that he is a member of our faculty. May Bucknell never fail to have such men in its corps of teachers.

At Oberlin the freshmen wear a large gray skull-cap, short visor type, with an orange button.

## COLLEGE BIBLE CLASS.

In attempting to answer the question, "What did Jesus do?" we have recalled this conclusion: He tried to draw men to himself. While pursuing his specialty, the winning of his disciples, he was also mindful of his nation, his community, his neighbors, and his family. We, therefore, now inquire, "What did Jesus do as a Member of Society?"

He did not earn his living, during his public ministry, by his trade. He and his disciples followed the practice of the rabbi; they depended on voluntary contributions. Perhaps the disciples sometimes resorted to their business. Jesus did not assume the responsibility of family life. He was, however, true to the common social duties. He looked after his mother; he was thoughtful of the needs of the disciples; he tried to be helpful to his neighbors. As a patriot he was loyal to the institutions, the traditions, and the land of his people.

## SERMONS IN VERSE.

The Rev. T. M. Eastwood, '12, of Burlington, N. J., preached his entire New Year's sermon in verse and delighted a big congregation in the First Baptist Church. His theme was: "Where From? Why Here? Whither Bound?" His discourse in verse was an answer, he said, to leaders of a materialistic age who advise men to live for "the present day" alone, with no thought of the lessons of the past or the possibilities of the future.

This was not the first time Mr. Eastwood preached in verse, but has on previous occasions set powerful sermons to verse. Besides this he has written many hymns and poems.

At the University of California, the new library is now ready for its equipment and furnishings. When completed it will have cost \$800,000 for the building and \$250,000 for equipment. When the first stage of completion is reached, the library will have a capacity of 300,000 volumes. As more space is needed, another half million will be spent, making a total cost of over a million and a half dollars.

## COLLEGE LOCALS.

Miller, '13, has left college for the time.

Nala D. Webb, '09, is visiting friends in town.

Arthur R. Gerhart, ex-'12, continues his work at State College.

A reunion of Dr. Harris' family was held here during the holidays.

R. W. Haller, '09, was a visitor in Lewisburg during the holidays.

Barnes, '11, was compelled to leave college on account of ill health.

Schreder, '12, has returned to college to continue his school work.

Painter, '10, spent a few days with his Sigma Alpha Epsilon brothers.

Paul Stein, ex-'13, has returned to resume his studies at Lafayette College.

Mary Evans, '08, and Beatrice Evans, inst., are visiting Mrs. J. M. Wolfe.

Max H. Matthews, state sanitary engineer visited his cousin Rocky, '12, during the week.

Among the new students in the college are C. J. Stecker, Earl Pollock, and J. R. Gollyd.

We are glad to report that Prof. Wilcox, who has been quite sick for some time is improving.

Peoples, '11, who has been in charge of concrete work at Somerset, has resumed his work here.

Middleton, '13, who was not able to be with us last term, has returned to resume his studies.

Prof. Colestock gave a 5 o'clock dinner at his home on Tuesday evening to a number of his friends.

MacAllister, '11, who was coaching at Adrian College, Mich., is back with us to complete his course.

Prof. H. P. Thomas and Mrs. Thomas of Factoryville are rejoicing in the birth of a daughter (Ruth) on December 29.

Sellers, '12, stopped at Maryland College to visit his sister who is studying there, on his way back to Bucknell.

Don't forget! Every man out to "gym" on Friday night, for the Carnegie "Tech" game. Let's have some good cheering.

H. F. Donehower, The "Varsity" Outfitter, is distributing the 1911 Basketball schedules and any person desiring same can get them by calling at his store.

During the Christmas recess Professor Riemer attended the meeting of the Modern Language Association in New York, and Professor Ballentine attended that of the American Philological Association in Providence R. I.

## ALUMNI PERSONALS.

Miss Alice Lutz is teaching music in Avondale Seminary, Waterville, Nova Scotia.

The Rev. H. B. Garner, D. D., '65, has accepted a call to the Memorial Baptist Church at Altoona.

The Rev. J. E. Hunsberger, '04, has resigned his pastorate at Lewistown, Pa., to accept a call to Wilmington, Del.

Prof. R. C. H. Catterall, '91, of Cornell, read a paper on the Anglo-Dutch relations, 1654-60, at the sessions of the American Economic Association and of the American Statistical Society, held in St. Louis recently.

Margaret Forgeus, '05, has resigned her position as Cataloguer in the Library of the Iowa State College of Agriculture and Mechanic Arts at Ames, Iowa, and has accepted a position in the Library of Cornell University, Ithaca, N. Y.

David Jayne Hill, '11, American ambassador to Berlin, has been reappointed lecturer on the Carpenter Foundation for 1910-11, at Columbia University. He will deliver his lectures in April, his subject being "The Political Organization of the World."

## MEDICAL SCHOOL IN CANTON.

Canton is soon to have bestowed upon it a medical college under the auspices of the University of Pennsylvania, which with the branch of Yale College called "Roosevelt Properties" at Chausaba, Hunan's capital, has here the opportunity to seize an influence and do a work with the more intelligent natives, which the Missionary societies have failed in because of the suspicion attending purely religious auspices at the present time.

### WOMAN'S COLLEGE.

Helen Levegood, '12, is entertaining her sister, Ruth Levegood, for a few days.

Grace Everette and Mae Everett, of Vicksburg, are boarding in the Seminary this term.

Katharine Carpenter, '11, of Woodbury, N. J., takes up her work with the Senior class this term.

Ruth Safford, '11, of Montrose, and Grace Rossiter, '12, of Sanbury, will not continue their work at Bucknell this winter term.

Margaret Curtis, '11, who has been teaching a summer school in Potter county, the past year, is back to graduate with the Senior class.

### RENN-BELL.

A delightful reception was tendered Walter Renn, '03, and his bride by the former parents recently in Turbotville.

Mr. Renn married Miss Myrtle Bell, at Sanford, N. C., December 21, and they came north on their wedding trip to the old home of the groom. About fifty friends gathered at the home to welcome the happy couple. The parlor was tastefully decorated with Christmas greens and bunches of mistletoe. From the bride's southern home, hung in convenient places. Music, songs and greetings filled the time and at a late hour refreshments were served. Among the guests were Rev. and Mrs. M. C. Wiant, of Rochester, N. Y., former pastor of the Baptist church. Mr. and Mrs. Renn will remain at Turbotville a few weeks and will then return to Sanford, N. C., where Mr. Renn has a responsible position in a large furniture plant.

**ALUMNUS' NARROW ESCAPE.**  
F. B. Jaekel, '05, returned to Albuquerque, N. M., from a hunting trip recently, on which he narrowly escaped death in an attack made by a panther.

He had been hunting deer south of Sierra Nevada, Tex. Numerous panther signs were discovered soon after pitching permanent camp near the banks of the Rio Grande. Hounds borrowed from a rancher were put on fresh panther trails. The dogs followed the trail until they came to a point where a panther had killed a small calf and dragged it into bushes near the river.

Here Mr. Jaekel took a position ahead of the dogs and followed the trail of the dragged carcass, carrying a revolver in his right hand and putting hounds with his left to obtain a slight view ahead. Without the slightest warning, there were snarls and a rush, and he saw more than five feet of panther seemingly poised in the air almost above him at the height of a giant spring. There was not a second to think twice, Mr. Jaekel fired from his hip, and the animal fell with a crash a few feet away. Other shots killed it.

Jay Wolfe, Civ. Engr., '07, after a satisfactory term of service with the Chicago City Board of Supervising Engineers, recently accepted a position with the Michigan United Railways Company, with headquarters at Jackson.

# THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XV.

LEWISBURG, PENNA., MONDAY, JANUARY 16, 1911.

NUMBER 12

## BUCKNELL WINS FIRST GAME

THE TEAM SHOWS UP WELL.

Orange and Blue Men Play All Around Carnegie "Tech." and Roll Up Score of 35-18.

The blow of the referee's whistle, the jump of the centers after the over duce sphere, several minutes of snappy playing, a nice field goal by Captain Kutz and Bucknell's basketball season for 1911 was ushered in May and different were the conjectures as to how the Orange and Blue team, strengthened by no new recruits but composed entirely of the remainder of last year's squad, would usher in this new season. To say that they did it royally and in a manner that surprised even the most optimistic is not stretching the truth in the least. Carnegie "Tech." was no mean foe but so decidedly did

CAPTAIN KURTZ, who led the team Friday night.

Bucknell out-played them both in floor work and in finishing the basket, that the captain's initial goal was followed by another and another in quick succession. Before "Tech's" men could find each other and the basket, their hopes of victory never had chance to rise. The game ended with Bucknell in the lead by the score of 35-18.

The entire first half was decided by one shot. After a few minutes of loose playing, when individual work was altogether too prominent, the home quartette got together and displayed some fine work in passing.

THATCHER, '11, who displayed good form in the game.

It seemed easy for the guards to go after the ball, make a nice long pass to either one of the forwards, who was lying under the basket and for the forward to drop it in. This, with little variation was the story of the first half, repeated over and over again. Few long shots were tried and every field goal scored was shot from under the basket. "Tech" could not break it up and while Bucknell rolled up eleven points in as many min-

## ANOTHER COMPLETES TWENTY-FIVE YEARS

SHORT SKETCH OF HIS LIFE.

Doctor Rockwood Has Taught Latin in the College Since 1885. Work Appreciated by Students.

The year of 1910 saw the completion of twenty years for Doctor Rockwood. He was called to Bucknell in the fall of 1885 and preceded Doctor Perrie only by several months. Our attention has been called to his stay among us and we accordingly give a short sketch of his life.

Frank Ernest Rockwood is a native of New England. He was prepared for college at Dean Academy, Franklin, Mass., and was graduated from Brown University in 1874, with the degree of Bachelor of Arts, at which time he delivered the Latin salutatory. In 1877 he received the degree of Master of Arts from his Alma Mater. In 1885 he pursued graduate studies under Prof. Lindsay, of Boston University, and in 1888 he went abroad and spent some time in study in Leipzig and in Berlin. He had the local profession in view and to this end spent one year in his brother's law office in Providence, R. I. Teaching being more to his inclination he abandoned his preparation for the law and became an instructor in South Jersey Institute, Bridgeton, N. J.

In 1885, he was elected to the chair of Latin in Bucknell University. Since he has been here his spare moments have been devoted to the study of the Latin language and to the study of the Latin literature. His first production was "Selections from Virgil," which he edited in 1888. His book has had an unprecedented sale and is now being used extensively in the best colleges. In 1894, Dr. Rockwood edited "Cicero de Senectute." This publication has been given more than usual attention by book reviewers, and has brought to Dr. Rockwood a great reputation as a scholarly Latinist.

Dr. Rockwood is a member of the Delta Kappa Epsilon Fraternity and of the Phi Kappa Psi Society. He is also a distinguished member of the American Philological Association. Although not an alumnus of the University, Dr. Rockwood is deeply interested in all that pertains to the welfare of the college. He has been exceedingly interested in the development of the library. In athletics, Dr. Rockwood has done more to make Bucknell an athletic institution than any one person now connected with it. He has given his time, his money and undivided attention to the development of this department and has seen great changes in his stay at Bucknell. Dr. Rockwood not only commands the respect of the students for the solidity and character of his work in the class room, but he has won their admiration in many other ways. During the football and basketball season, he is always to be seen watching the practice of the teams. His heart is with the boys and as a result we find them interested in him and his work.

**ON THURSDAY NIGHT.**  
Belleville Academy, the team that defeated Susquehanna University, played the "Prep" team here Thursday night, January 19th. With a victory over them, the Academy team will certainly be closed among the leading "Prep" basketball teams in the country. The Belleville team is as strong a team as will be seen here this season and all who enjoy a good game of basketball will have their opportunity this Thursday night. The admission will be 25 cents.

**DATE CHANGED.**  
Attention is drawn to the fact that the Musical in Bucknell Hall, which was advertised for January 19, has been postponed for one week. According to the announcement by Professor Stolz, the entertainment will be on Thursday evening, January 26, at 8 P. M.

## PHI KAPPA PSI DANCE.

On Friday evening, January 13, the Phi Kappa Psi Fraternity gave a dance in their hall. The guests from Sunbury were entertained at a six o'clock luncheon in the fraternity rooms and after that general jollifications were indulged in.

At 8:20 P. M. about twenty-five couples assembled in the dance hall, which had been tastefully decorated with lavender and pink, as well as the college colors. Campbell's Orchestra of Sunbury, furnished the music for the occasion.

During the intermission the guests were escorted to Mrs. Huth's where refreshments were served.

## ORPHEANS CONCERT

LYCEUM NUMBER WEDNESDAY NIGHT WELL RENDERED.

Despite the disagreeable weather, the "Orpheans" entertained a crowd of house on Wednesday evening, Jan. 11. To say that they satisfied the highest expectations of the music-loving students and the people of Lewisburg and vicinity is putting it mildly.

The audience showed by their several encores that they thoroughly enjoyed the singing of the quartette in varied moods—tender and romantic in the adante, humorous and playful in the scherzo, sonorous and masterful in the chorale. In the concluding rendition of "Little Boy Blue," "Cranberries," and "Friends." In the latter selection Mr. A. H. Richardson, the first tenor scored a decided lift with local enthusiasts. The quartette was the cordially received in their instrumental selections, especially fine being their rendition of Sousa's rhapsody.

Mr. Miller, the second bass, besides excelling as a trombone soloist, also inspired the audience with a fine of poetic imagination with his sketches and rapid-fire talk. The impersonations and solo work of the second bass proved beyond a doubt that he ranks with the best of entertainers, while the second tenor proved most acceptable in his individual parts.

The success of future Y. M. C. A. courses is assured, if the management continues with such high-class entertainers.

**ALUMNUS' COMMENT.**  
The Orange and Blue wishes to acknowledge the receipt of a letter from the Rev. Joseph H. Cooke, '98, who is the pastor of the Baptist church at Belleville.

In his letter, the Rev. Cooke expressed his appreciation of the recent sketch of Doctor Perrie, in the Orange and Blue.

**MINISTERIAL ASSOCIATION.**  
The regular meeting of the Ministerial Association will be held at Professor Phillips on Wednesday evening of this week. Every member is urged to be present.

—A fast game this Friday evening in the "gym."

## WOODPECKER CASE.

For some time the students have been watching closely the developments in the case of Senator B. K. Pocht vs. A. J. Fogley. Libel proceedings were instituted against the latter for the selling of the "Woodpecker," in which alleged libelous matter was printed.

The trial started on Monday afternoon and closed Wednesday morning. From several things brought out at the trial and General Clement's address to the jury for the plaintiff, it is evident that Senator Pocht does not regard the recent attack in the "Woodpecker" as coming from the students, but rather from some of his political enemies.

After being out from 4 P. M. on Tuesday till 4 A. M. Wednesday, with a dead-lock of 6-6, the jury found a verdict of guilty.

All during the trial many of the students listened to the proceedings, especially those who are taking the course in Jurisprudence.

On Friday evening, January 13, the Phi Kappa Psi Fraternity gave a dance in their hall. The guests from Sunbury were entertained at a six o'clock luncheon in the fraternity rooms and after that general jollifications were indulged in.

**ELECTED PRESIDENT.**  
Bucknell feels highly honored in the fact that one of its alumni, F. W. Robbins, '98, of Bethlehem, has been elected to the presidency of the Penna. Educational Association. The Philadelphia Record said the following of Mr. Robbins:

"Mr. Robbins is one of the best known and most experienced educators in the State, and is as popular as he is well known. He has headed the local schools for eleven years; but prior to that, after being graduated at Bucknell University, was principal of the Lyncoming county Normal School. He then went West for a few years and headed the public schools at North Platte, Nebraska. Returning East, he took charge of the Towanda schools and then went to Bethlehem.

Mr. Robbins was recently honored with the chairmanship of the department of superintendents of the Pennsylvania Educational Association, and besides is president of the Northampton county Educational Club. He ranks high in Masonic circles, and is a resident member of the fashionable Bethlehem Club."

Y. M. C. A.  
The Y. M. C. A. will be led by Professor Davis on Thursday evening. Let every one who is interested in the work turn out.

—A bright here on Friday evening. Everybody out!

WELL DONE.

Another member of our Faculty has completed his twenty-five years of work among us, in the person of Dr. Rockwood. Perhaps those who have been here to see the work done under his leadership and guidance can best say "Well done," and yet we feel that it has been a pleasure for us to have come into contact with him, in classes and in other ways. It is a source of strength to the institution to have men on its faculty of the calibre of Doctor Rockwood, who by their deep interest in the welfare of the college, not only from a scholastic point of view, but in every other way, help in its progress.

That the coming years may be successful ones and full of profit and pleasure for this esteemed member of our Faculty, is our sincere wish.

### BASKET-BALL.

The game on Friday evening was a pleasant surprise to the Bucknell supporters. The first game of the season the team played well and the hopes of the students are rising high expecting a good season.

From now on we will watch the five play and our support will be given them. There will be quite a few hard games and nothing inspires the player on the basketball floor as much as good cheering and evidence of appreciation of good work.

Remember it does not always mean the man who is shooting the most baskets who is doing all the good work, but the man who guards well, and in many other ways assists in the increasing of the score, also deserves our commendation.

Too often the player wants to score the largest number of points and in this way win the praise of his fellow-students. This is done in many cases at the sacrifice of good team work and perhaps a larger score. In the Carnegie "Tech" game promising team work was shown and we feel confident that this will be developed more and more. If it does then we feel that the season will be a good one.

### BUCKNELL WINS

THE FIRST GAME.  
 Concluded from first page.

Bucknell's victory was due to the good team work which the quintette displayed. When this was lacking, "Tech" through their superior speed and quickness had the advantage as was the case in the early part of the second half. Captain Kurtz had his eye well fixed on the basket and did some sensational shooting. He led in the number of field goals tallied, having registered eight to his favor and also scored three of the seven fouls against "Tech." Thatcher proved his ability to hold down either center or forward in good shape. He was a sure shot from under the basket. Richards, who was given a try-out in the last few minutes of play at the guard position played unusually fast, and went after the ball in

great style. His goal from the corner under the gallery was the one long shot of the game. The line-up—

## COLLEGE LOCALS.

Opel, '13, who is not in college this term, spent Friday and Saturday with friends here.

Bliss, '12, is at his home in Washington, D. C., for a few days. Hoghead, ex-'10, is visiting in town.

MacFarland, '11, who has been at Chicago University for a week has returned to Bucknell for the remainder of the year.

Sherwood, '10, employed as a chemist by the Pennsylvania Railroad Co. at Altoona, spent Sunday with his Kappa Delta Phi brothers. Lawick, '09, is home from Altoona on account of a slight illness. His condition is improving and he expects to return to his work soon.

## WOMAN'S COLLEGE.

Sara Meyer, '11, is visiting Florence Meyer, ex-'11, at Harrisburg this week.

Miss Armstrong, of Pittston, resumes her work in the Music Department this term.

Grace Hoesler, '12, of Sunbury, visited friends at the Seminary Wednesday and Thursday of last week.

Hannah Berlin, '13, who is teaching Geometry in the Williamsport High School, attended the Phi Kappa Psi dance on Friday evening.

## COLLEGE BIBLE CLASS.

The miracles in the synoptic Gospels were a part of the public ministry of Jesus. The source for the narratives containing the miracles is the Gospel of Mark; for in this Gospel is the nucleus of the material in the other Gospels. Criticism in its most severe treatment cannot eliminate the miraculous element from the narratives themselves.

The material as presented in the Gospels allows us to draw these conclusions: the miracles were wrought for the multitude not for his disciples; they awakened enthusiasm and won notoriety; they were sometimes an expression of Christ's compassion; in the Gospels they are interwoven with the teachings of Jesus, and are sometimes used to illustrate teaching.

The next topic will be Miracles and Faith.

C. Dale Wolfe, '04, journeyed to Washington, D. C., recently, with a petition from Bucknell township against the proposed combining of their post-office with the one at Lewisburg. Mr. Wolfe spoke very highly of his treatment by the officials at Washington and from all reports would have been successful in his mission if it hadn't been for circumstances which developed later.

### ACADEMY GAMES.

Handicapped by the fact that they had 108 miles the Bucknell Academy team suffered defeat at the hands of Reading H. S. by a score of 49-24. The team also labored under the disadvantage of having Loewen become ill in the second half. Hartman for Reading starred caging field goals from any spot on the floor.

In the second game of the two day trip the Academy team showed its real worth and after a good night's rest defeated the strongest scholastic team in Reading, Schuylkill Seminary by the close score of 19-18. This is the first defeat administered to Schuylkill Seminary in three years on their own floor and the Academy has a right to feel proud over such a victory. Capt. Roy Bohler stated that the Academy team is the best seen on their floor in years. With the score at the end of the first half 14-7 against the Prep team, the team started in for fair and before two minutes had elapsed Loewen had shot two field goals making the score 14-11. Then the Seminary team scored a foul. The game continued being fiercely fought and very exciting to witness, when in the last few minutes Fullmer threw a field goal backwards making the score 15-12 in favor of the Seminary. Bohler scored the only field goal made by Schuylkill in the second half making the score 15-12 against the Academy. Loewen then made a spectacular shot and the score was 17-15. Then the Seminary made their last score, a foul. Fullmer made another wonderful shot over his head and the score was 18-17 in favor of the Seminary. Schaffner then won the game for the "preps" by shooting a basket on the jump under the basket and the game ended in the Academy's favor. Hause made the given credit for his work in the game as he did not allow his man a single basket. Sharpe and Schaffner also must be mentioned for the game they played. Bohler for the other team did the best work.

# THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

VOLUME XV.

LEWISBURG, PENNA., MONDAY, JANUARY 23, 1911.

NUMBER 13

## BUCKNELL DOWNS

### ALBRIGHT FIVE

GAME FAST AND EXCITING.

'Varsity Does Best Work in First Half. Fischer Plays a Star Game. Final Score 26-21.

In a game full of sensational shots, in which the scoring on both sides was made in spurts, Bucknell nipped out a victory from Albright, score, 26-21. At times the Varsity forgot ahead for a big lead, but Albright continually came back and kept the victory for the home team, doubtful until the whistle blew. Bucknell's team work only at times was strong, being played than in the Carnegie "Tech" game. To Fischer, who dropped the ball into the netting from all angles is due to a great extent, the victory. Sixteen out of the twenty-six points were scored by him.

In the early part of the first half, the goals on both sides were scarce. Albright's guards played close and gave few opportunities to the Orange and Blue forwards for shots. Bucknell's guards on the other hand failed to get in the game as they should and gave the Albright men a chance to work their passes. After several minutes of scoreless playing, Bartholomew started the fully with field goal. At this Fisher woke up and put in two nice goals on long shots. Albright followed with a short spurt and tallied four points. Again a period with no score. Finally the Orange and Blue guards got their eyes on the ball and began to work out. As a result some team work appeared. Albright could not break up the passing and the Varsity kept the score boys busy, registering the goals.

Only in this latter part of the first half did the Orange and Blue men play good basket-ball, but while the spurt lasted, better playing could not be desired. Nor did the spurt cease until the whistle blew, ending the first half. In the last ten minutes, Bucknell rolled in six field goals, while their opponents were unable to score. At the end of the first period, the score stood 18-4 in favor of the Varsity.

In the second half Albright came back strong. Fischer on a great shot tallied a field goal, but after that Albright got a corner on the ball and seemed unwilling to let it go. Heindell and Saylor for Albright located the basket and shot in three goals in quick succession. At this point Richards was substituted for McCullen. Bucknell stopped Albright's shooting streak for a short time, and tallied several goals but the visitors soon got together again when Martine began rolling in some field goals. Rhodes took Richards' place. Still Albright continued to play around the Varsity until they pulled down the home team's lead to five points. With but two minutes to play, Albright started out to tie the score. A double foul was called. Martine scored and put the visitors within four points of their opponents but Captain Kurtz rose to the occasion and scored his foul as well. The home team held strong in the last minute of play and the game ended with the Varsity five points in the lead.

The second half abounded in plenty of rough playing on both sides and the failure of the referee to call fouls at frequent intervals encouraged this style of play so that before the end of the game there was enough "rough house" for a football game. This feature marred the contest. Otherwise, even with frequent lack of good playing the contest was a pretty one and the score close enough to make the game exciting. The Varsity evidently felt the loss of Thaler, who was unable to get into the contest. His sure shooting under the basket was greatly missed.

## JOINT RECITAL

### JANUARY 26

FINE MUSIC IN BUCKNELL HALL.

Robert Colston Young, Pianist, and Sedgwick Mac Gregor, Baritone. Promise Good Program.

The joint recital which has been arranged for Thursday evening, January 26, promises to be one worth while attending. From the program in our last issue the numbers will afford music-lovers a rare treat. It will be varied with instrumental and vocal numbers, running no risk of tiring and audience.

A book entitled "Beautiful Days and Beautiful Words" by the late Velma E. Hall, '04, has recently been published by her father, the Rev. H. C. Hall, D. D., '82. In the book an account of Miss Hall's life is given, as well as parts of her diary and writings.

President Harris has written an introductory note in which he comments upon the work of the deceased while she was at Bucknell. In the first year in her Greek and Latin, she had an average of 9.58 and in Algebra 9.7. During the Sophomore year she maintained an average of 9.5. Then in the Junior year her health began to fail and she had a hard struggle to keep up her work. In the last year her average was 9.54 and her average for the four years was 9.59. This was a fine record and made her one of the Commencement speakers.

She had not only great power of acquisition but also facility of expression. In her Junior year Miss Hall won the prize for the best oration, regard being had to thought, expression and delivery. On Commencement Day she won the Chaplain Kane prize for the best oration.

Dr. Harris in his introductory comment on Miss Hall said: "There is no doubt that her power would have been on the side of right. She was very conscientious and had a clear insight into what was right and fitting. She had also great tenderness of feeling and kindness of heart, so that she was also beloved as well as respected."

**ACADEMY 35-BELLEFONTE 28.**  
In one of the fastest and most interesting games ever witnessed in the college gymnasium, the Academy team defeated the strong Bellefonte team by a score of 35-28. The game throughout was a hard fought battle with our own team a shade better in the first half and Bellefonte in the second.

Capt. Fullmer played a game for which he was praised by everyone present as it is very seldom that better playing is seen than was displayed by him on last Thursday night. Weston, for the visitors, played the best.

Many people were heard to remark that a game between the Academy and the Varsity would be a good one, and if possible, such a game will be arranged.

## PROF. OWENS HERE

### TWENTY-FIVE YEARS

DEPT. OF CHEMISTRY GROWS.

One of Three Professors Completing Twenty-Five Years Among Us. Short Sketch of Life.

Professor W. G. Owens has also completed twenty-five years among us and we accordingly give a short sketch of his life, quoting partly from the Bucknell Mirror.

William Gundy Owens was born on a farm near Lewisburg, May 14, 1858. On his mother's side he comes from the hearty Gundy stock, from whom he inherits a ruggedness and degree of good health so characteristic of that family.

His rudimentary education was received in the public schools of Pittsburg and Allegheny. In 1874 he entered the University of Lewisburg. In 1876 he was matriculated in the Freshman class of the University, pursuing the classical course, from which he received his Bachelor's degree, in 1880. Three years later he was awarded the Master's degree in the course.

After graduation, he became an instructor in the University Academy, a position which he filled with great acceptability until 1885. During these years of practical experience in teaching, Professor Owens was not idle. He was continually broadening out and developing his education along scientific lines, either by personal investigation or under private instruction. During the summer of 1885, he took a special course in Chemistry at Harvard.

Owing to the increased attendance of the Board of Trustees, in 1885, created the position of adjunct Professor of Natural Science, and called Professor Owens to the place, which he held during 1885 and 1886. In 1887 the chair of Chemistry and Physics was established and Professor Owens was made the professor of that department, a position which he has held since.

Professor Owens has thus far given his entire active life to his Alma Mater. In 1889 he took the summer semester at the University of Berlin, and also visited a number of laboratories abroad for the purpose of securing ideas for our laboratory. Professor Owens has always been loyal to all interests at Bucknell. While a student he took a great interest in all activities. In literary activities he was a leader. He is also a member of the Phi Kappa Psi Fraternity. Since he became a professor in the college his master hand has guided the Department of Chemistry to the place it has today, noted not only for the amount, thoroughness and character of the work, but for the completeness of the course. It is a signal fact that a student after having taken a course of chemistry at Bucknell, is so fully equipped in that line of work that his work is recognized and accepted by most of the large medical schools of the country.

By his great energy and careful management, Professor Owens has added much to his department. At all times he has worked for the best interests of the school, doing all that he could to have his department rank in the class with the best.

The students can bear witness that Professor Owens is endowed with a firm personality and at the same time possesses an element of kindness. He takes a great interest in his students and is persistently looking after their welfare. Always an active, busy man many of the students who do not take his work seldom see him. However in anything that pertains to the work in chemistry Professor Owens is always present and busily engaged.

At the present time he is President of the Chemical Society, which meets every two weeks and endeavors to promote greater interest in topics concerning the course in chemistry.

At a meeting in the Chemical Laboratory on Thursday afternoon, the Freshmen class filled the vacancy caused by the resignation of class treasurer, J. B. Scouter, as well as electing managers and captains of several teams. W. H. Eyster was elected treasurer; D. A. Sprout, baseball manager; F. B. Worrlow, baseball captain; G. T. Grove, track manager; and A. R. Johnson, track captain.

**BASKET-BALL TICKETS.**  
Basket-ball tickets for all the games of the season and reserved seat tickets for separate games can be secured at J. F. Prowant's or at the University book-store before each game.

—Next game, Wednesday night. Juniors vs. Freshmen.

—Dickinson here on Friday night. All out!

## 1914 CLASS MEETING.

At a meeting in the Chemical Laboratory on Thursday afternoon, the Freshmen class filled the vacancy caused by the resignation of class treasurer, J. B. Scouter, as well as electing managers and captains of several teams. W. H. Eyster was elected treasurer; D. A. Sprout, baseball manager; F. B. Worrlow, baseball captain; G. T. Grove, track manager; and A. R. Johnson, track captain.

The joint recital which has been arranged for Thursday evening, January 26, promises to be one worth while attending. From the program in our last issue the numbers will afford music-lovers a rare treat. It will be varied with instrumental and vocal numbers, running no risk of tiring and audience.

A book entitled "Beautiful Days and Beautiful Words" by the late Velma E. Hall, '04, has recently been published by her father, the Rev. H. C. Hall, D. D., '82. In the book an account of Miss Hall's life is given, as well as parts of her diary and writings.

President Harris has written an introductory note in which he comments upon the work of the deceased while she was at Bucknell. In the first year in her Greek and Latin, she had an average of 9.58 and in Algebra 9.7. During the Sophomore year she maintained an average of 9.5. Then in the Junior year her health began to fail and she had a hard struggle to keep up her work. In the last year her average was 9.54 and her average for the four years was 9.59. This was a fine record and made her one of the Commencement speakers.

She had not only great power of acquisition but also facility of expression. In her Junior year Miss Hall won the prize for the best oration, regard being had to thought, expression and delivery. On Commencement Day she won the Chaplain Kane prize for the best oration.

Dr. Harris in his introductory comment on Miss Hall said: "There is no doubt that her power would have been on the side of right. She was very conscientious and had a clear insight into what was right and fitting. She had also great tenderness of feeling and kindness of heart, so that she was also beloved as well as respected."

**ACADEMY 35-BELLEFONTE 28.**  
In one of the fastest and most interesting games ever witnessed in the college gymnasium, the Academy team defeated the strong Bellefonte team by a score of 35-28. The game throughout was a hard fought battle with our own team a shade better in the first half and Bellefonte in the second.

Capt. Fullmer played a game for which he was praised by everyone present as it is very seldom that better playing is seen than was displayed by him on last Thursday night. Weston, for the visitors, played the best.

Many people were heard to remark that a game between the Academy and the Varsity would be a good one, and if possible, such a game will be arranged.

APPRECIATION.

For the third time, we publish this

week a short sketch of the life of an-

other member of our Faculty who has

completed his twenty-five years among

us.

In the time that Professor Owens

has spent at Bucknell, the Depart-

ment of Chemistry has grown and

been improved until we feel that

there has been a reward for his ef-

forts. He has seen good results and

many students who have studied un-

der him can well say that his teach-

ing was thorough. The knowledge

obtained from him and under his

direction, has been the foundation for

greater things in the department of

chemistry.

We feel that in the three men who

have recently completed their twen-

ty-five years among us, Dr. Porhine,

Dr. Rockwood, and Professor Owens

Bucknell can be justly proud. With

such men on our Faculty, who are

not only strong in their particular line

of work, but who also command the

respect of every student by their

deep interest in the students, there

is a feeling of satisfaction that we

can study under leaders like these.

ALBRIGHT GAME.

Those who attended the game on

Friday night with the hope of seeing

in Albright, a fast team, were not

disappointed. Before the game the

spectators were treated to a little

practice by the Albright five. The way

they dropped the ball in the basket

from all parts of the floor, was enough

to make the Bucknell supporters take

notice.

When the game started, however,

our guards played strong and as re-

sult Albright did not have a show. In

the first half, Albright took a brace

and our fellows did not show the same

form. As a consequence the visitors

came near making the score a tie.

The game was good and fast and

the Orange and Blue five are rapidly

developing. Just a little more team

work and better shooting and we will

be in good shape for our big games

later on.

COLLEGE BIBLE CLASS.

According to the narratives set forth

in the Bible as an essential part

of the Gospel of Mark we inquire in-

to the nature of faith, which is al-

ways associated with the miracles. In

all the miracles of healing faith, either

of the person healed or of others,

constituted force against his healing

power, but it does mean that he would

not work miracles where no moral

effect would follow. Faith was not

the means but the end.

ACADEMY vs. CONWAY HALL.

On February 4, the Academy team

plays the strong five of Conway Hall

in the "gym." This without a doubt

will be a great game and all should

turn out to see the "prep" five play.

## BUCKNELL VICTOR OVER DICKINSON

BOTH TEAMS PLAY FAST.  
Captain Boell Plays Sensational Game for Visitors. Captain Kurtz of the Orange and Blue Stars.

Whatever magic charms have been attributed to that mysterious Dickinson "hoodoo" by Orange and Blue supporters, this old acquaintance surely must have forgotten to accompany the Red and White basketball team to Lewisburg, for if Mr. "Hoodoo" was here, his magic charms might as well have been saved for another occasion, for the "Varsity," with a good recollection of that football defeat, went after victory in a way that would make even the powers of our Dickinson friend a complete zero. It was a fast contest and exciting. The Red and White put up a strenuous game and gave the "Varsity" the hardest fight of the season, but the Orange and Blue quintette played all the better ball and rolled up a bigger score than in either of the previous games. 40-23 were the figures that gave Bucknell the third straight victory of the season.

Dickinson started the contest with a rush. After Kurtz had scored one foul and Captain Boell of Dickinson two more, the latter began to lead his men a merry pace. Drilling the ball half the length of the floor, and slipping around the Bucknell guards, Boell tallied the first field goal and placed the visitors in the lead. Not content with that, the Red and White's captain, picked up the sphere near the middle of the floor and shot from under the gallery. The ball could not have gone more sure if it had been on tracks and it dropped through the netting in a way, that made gallery, bleachers, team and all sit up and take notice. But it took still another thump to wake up our men. Not until Hausmann had tallied another field goal, and made the score 7-2, in favor of the Red and White, did the team fully open its eyes.

But the rally that they made showed that they were all the better for their little nap. McCullen was the man who started the ball rolling, or rather shooting. He broke right into that Dickinson passing machinery in a manner so violent that they could not get it to work right during the remainder of the game; very unconsciously took the ball and dropped it in. Then began a rally that stirred up some Bucknell spirit among the on-lookers of the kind that you hear all the old "Grads" talk about. And a pandemonium of noise, Kurtz, Zehner and Bartholomew each tallied field goals in rapid succession, the Dickinson team hardly being able to get their hands on the ball. When that great sport ended, the Orange and Blue were two points in the lead.

Hausmann seemed unwilling to give up the victory at that, however, so he scored another for Dickinson and led the score one again. Now "Bart" found it necessary to take such an erroneous idea out of this gentleman's head, and he got busy and pollied drilling in three straight, while the Orange and Blue guards, who were now playing as strong as prevocted Dickinson from scoring. This made the score 16-10 and gave the "Varsity" a very comfortable lead. The remainder of the period saw two field goals scored for each side, the first half ending Bucknell 29, Opponents 11.

Entirely contrary to custom the "Varsity" overwhelmed the visitors in the second half. The whole team, even the guards got busy, and the goals began rolling into the Orange and Blue basket in a way that threatened to wear out the netting. Before many minutes, Bucknell just doubled Dickinson's score when it stood 32-16. Since the opening of the period the "Varsity" had scored six field goals to the opponent's one and that was the way in which the team kept up the good work until the final score stood 40-23.

Both Bucknell forwards played great games. McCullen was strong in guarding but did not get into the team work as did Zehner who did some star passing as well as guarding. Captain Boell of Dickinson, recently mentioned in the Dickinsonian as the best all-round athlete Dickinson had ever produced, was the main-spring of the Dickinson team and played one of the prettiest games seen here for a long time. Not only did he tally as many field goals as the rest of his men taken together but he dropped in seven out of eight fouls.

The line-up—  
Bucknell Dickinson  
Kurtz Forward Boell  
Bartholomew Forward Hausmann  
Fischer Center Macbeth  
Zehner Guard Vanhook  
McCullen Guard Henderson

Goals from field—Kurtz 5, Bartholomew 6, Fischer, Zehner 2, McCullen 2, Boell 4, Hausmann 2, Henderson 2.

Goals from fouls—Kurtz 7, Boell 7, Referee—Moorehead, Penn-State. Time of halves—20 min.

**MUSICAL TREAT**  
CONCERT ON THURSDAY NIGHT WAS VERY GOOD.

The concert given last Thursday evening in Bucknell Hall was a musical treat to all present. Mr. Young displayed great skill throughout the program, both in technique and interpretation. The "Serenade from Lucia," as played by him, with the left hand alone, was a marvelous exhibition of his hand work. "Consolation," by Liszt, was beautiful with deep feeling. Chopin's "Polonaise" was played in a masterful manner. "Minute," Paderewski and "Caprice"—Bart, were among other numbers especially well rendered.

Mr. MacGregor proved himself an artist of great ability in "The Prologue"—Leon Cavallo. His voice is rich and musical, while his interpretation of the songs held the audience constantly with him. "The Pines of Han" and "Hungary" were especially well given; other pleasing numbers were "Oh, for a Breath of the Moorlands," and "Love Means You." "King Robert of Sicily" afforded a fine play of Mr. MacGregor's dramatic ability.

The people of Lewisburg and students of the University will always be glad to welcome such artists as Mr. Young and Mr. MacGregor.

**CHEMICAL SOCIETY.**  
At the Chemical Society meeting on Friday afternoon, the subject "Glass-making" was discussed. The two speakers had both been through glass factories and seen the various processes described.

Powell, '13, was the first speaker. He told how the raw materials are mixed in a mixing house, then taken to the furnace and poured into the pots in the furnace, where they are heated all night. In the morning the glass is soft enough to work. The speaker then described the process of blowing bottles of all sizes. Bottles are blown in moulds to the shape and size desired. All the blowing is done by the glass blowers except in the case of the large carboys where compressed air is used.

The mixing of the materials for the glass is done by weight, the head chemist being the only one who knows the composition of the mixture.

McNeague, '13, described the manufacture of the pots in which the glass is melted. These pots are made of carefully selected chrys, especially prepared by various methods. They are not used for a year after their manufacture.

**1912 LAGENDA.**  
Notice has been given that all pictures of fraternities, clubs, societies, etc., for the LAGENDA, should be taken at once. Everyone is hard at work on the Junior publication and it is hoped that all interested will co-operate with the LAGENDA staff and help to facilitate its publication.

**RELAYRA CIS BEING ARRANGED**  
APRIL 29, DATE DECIDED.  
Many of the Colleges of the Country Will be Represented. Bucknell Asked to Send Team.

The Athletic Association of the University of Pennsylvania will give its Seventeenth Annual Intercollegiate and Inter-scholastic Relay Race Meeting on Saturday, April 29, open to all the colleges and universities of the United States and Canada. There will be three races to determine the College Championship of America, and they will be open to any college or university that desires to enter. One race will be for a distance of a mile, each man to run a quarter-mile. The second race will be a four-mile race, each man to run a mile. The third race will be a two-mile race, each man to run a half-mile. The University of Pennsylvania will be found in all three, and it is expected that Harvard, Yale, Princeton, Columbia, Chicago, Michigan, Wisconsin, etc., will also enter them.

There will be, in addition, a number of other races between colleges. Bucknell is asked to enter a team and has been placed in a group of colleges that are of about equal strength. Over two hundred teams have been present for several years, making this the biggest meet of the year.

The prizes are announced by Frank B. Ellis, Graduate Manager, as follows:—  
"A Silk Banner will be given to the winning team as a college trophy, and to each member of the winning team a gold watch. To each of the members of the team that finishes second, we shall give a silver cup. If only three colleges are able to enter the race, we shall give a silk banner to the winning team and a gold watch to each of its members. Second prizes will be given when four teams contest, third prizes will be given when six teams contest. In case your institution should enter and the other colleges with which we have chanced you should not enter, we shall make arrangements to put you in a race with some other teams about your equal in strength.

We shall, in addition to the Relay Races, give the following scratch events, open only to college men, graduate or undergraduate, in which the first prize will be a gold watch: 100 yards Dash, 120-yards Hurdle, High Jump, Broad Jump, Shot-out, Hammer Throw, Discus, and Pole Vault."

The races will be governed by the same rules of qualification that now prevail in the Intercollegiate Athletic Association. No entrance fee will be charged.

Bucknell has been placed in a class with the following:—  
Syracuse, Amherst, Brown, Dartmouth, Wesleyan, Mass., Inst. of Tech., Univ. of Virginia, Georgetown, Lafayette, Swarthmore, Rutgers, Pratt Inst., Carlisle, State, Ohio State, Michigan Agriculture College, Haverford, New York, John Hopkins, Western Maryland, Univ. of North Carolina, Ohio Wesleyan, Fordham.

**SIGMA TAU DANCE.**  
Twenty-five couples enjoyed the formal dance given by the Sigma Tau fraternity in its halls on Friday night. The dance hall was beautifully decorated with the fraternity colors, lavender and green, and with fragrant spruce. Fraternity banners also played a conspicuous part in the decorations.

Light refreshments were served during the intermission. Music was furnished by the Ne-Cal Orchestra of Sunbury.

## DEMOSTHENEAN FOUNDERS' DAY.

On Saturday evening the Demosthenians held their twelfth annual Founders' Day banquet in their dining halls on Market street. Thirty men were present at the feast, Ulmer, '02, acting as toastmaster. Prof. T. F. Hamblin was the speaker of the evening. His subject was "The Demand for true college men in State and National politics." Among the Alumni who responded to toast were Sholl, '10, Sprout, '10, Prof. C. C. Fries, '09, and Prof. M. L. Drum, '02. After all the alumni and many of the active members had responded to informal toasts, Prof. Ulmer reviewed the history of the organization showing the progress made each year. Prof. Ulmer also read a telegram from the Alumni in Pittsburgh who had met to celebrate the same day.

**MILES-SCHREYER.**  
Dr. J. H. Miles and Miss Rebecca Y. Schreyer, '87, of Milton were quietly married at the home of the bride's mother, in Milton, on Thursday morning, January 25. After a wedding luncheon, Dr. and Mrs. Miles left for the South, where they will spend their honeymoon.

**MEDICAL SOCIETY**  
PROF. DAVIS ADDRESSED MEETING ON FRIDAY.  
The Bucknell Medical Society held its regular semi-monthly meeting, on Friday afternoon at 4:15 in the Biological Laboratory.

The society was addressed by Prof. Davis on "The Best Preparation for the Medical Degree." During the address Prof. Davis interestingly brought out the great change in the necessary preparation in the last few years, and the unfairness of some of the state laws in regard to men who take their Baccalaureate work at a college which has no medical department.

The meetings are of considerable interest to a medical student. Prof. Davis has promised to continue the same subject at a later date, bringing out and showing the different kinds of medicine, and what the different schools teach.

The meetings are open to all those intending to make the study of medicine their life work. Prof. Davis will probably continue his address at the next regular meeting, Feb. 10. All "Medicals" are urged to attend.

**DEUTSCHER VEREIN.**  
At the regular meeting of the Deutscher Verein on Thursday evening at which Vice President, Francis H. Haddock presided, Franz Weinbaker read a paper on "Die Geschichte von Oedipus Rex" and Herr Huette followed with a paper entitled "Die Geschichte von Klinger's Zwillings." The program committee announced the following program:

February 2—Die Schicksalsglocke und Schiller's Verhaeltnis dazu  
Herr Bowman  
Der Dichter in sein Stoff in "Der Brant von Messina" Herr Nestor  
"Der Fischer" Goethe . . . Herr Wendt  
February 9—Musical Program  
February 16—  
"Don Carlos" . . . . . Fraenkel Radack  
"Kabale und Liebe" . . . Herr Crowell  
Ludwig's "Der Erlkoeniger"  
Herr Baldwin  
"An meine Mutter" B. Heine—  
Fraenkel Fischer  
"Die Grenadiere" Heine—Herr Walter  
February 23—German Play—"Verzaerten."

**JUNIOR DEBATE TRY-OUT.**  
The preliminary contest of the Junior Honor men in debate will be held Thursday evening, February 2, at 7:30 P. M., in Room 7. The contestants will be limited to eight minutes. Judgement will be rendered upon arrangement and delivery.

Students who may be interested in this line of work are invited to attend.

—Susquehanna here Wednesday night. Everybody out!

**FRESHMEN WIN FROM FRESHMEN**  
INTER-CLASS SERIES STARTED.  
1912 Wins Close and Exciting Game from 1914. The Final Score Was 21-18.

If the first game of the inter-class basketball series may be taken as a criterion of the games to follow there promises to be plenty of excitement within the walls of Tustin Gymnasium before any class claims the championship. The Juniors came out victors over the Freshmen five on Wednesday night, only after two periods of most hotly contested playing, in which neither underclassmen nor overclassmen could gain sufficient lead to call the game won before "time-out" was called. The final score was 21-18.

It was only after several minutes of scoreless playing at the start of the contest that the Juniors were able to score the first goal. This initial lead was maintained by the upperclassmen until the end of the game, although the Freshmen threatened continually to overcome it. At frequent intervals in both the first and second half the first year men were within one point of their opponents. Both sides guarded closely so that few free shots were granted to the forwards. As a result the scoring was scarce, particularly in the first period, which ended 10-7 in favor of the Juniors.

The second half was even more close and exciting than the first. The Freshmen scored first, and narrowed the lead down to one point. 1912 then took a pretty spurt and several nice field goals by Bartholomew and O'Brien gave them a lead of five points, the only considerable lead at any stage of the game. That however did not mean the Freshmen, for Bell and Mahoney began to locate the basket in good style at this juncture, it was not until they had again pulled up to within one point of their opponents that the spirit of the Freshmen forward was again aroused. The Juniors then began to realize the necessity of a fight if they were to claim the victory and fight they did. At the same time that their guards were watching the wily Freshmen forwards with the utmost of care, Bartholomew and O'Brien each tallied a field goal, during which time the underclassmen were unable to score more than one goal. This placed the Juniors three points in the lead when time was called.

While the game could not be called good basketball because of the predominance of "rough house" rather than regular basketball tactics, to a great extent, still the closeness of the tally at all times made the contest interesting from the spectator's point of view.

The line-up:—  
Freshmen Juniors  
Bartholomew Forward Bell  
O'Brien Forward Everett  
Jordan Center Lyne  
Schmidt Guard Mahoney  
Musser Guard Stabler  
Field Goals—Bartholomew 3, O'Brien 3, Jordan 1, Bell 2, Lyne 1, Linberg 1, Mahoney 2, Everett 1. Foul Goals—Bartholomew 7, Mahoney 1, Bell 1, Lyne 2, Referee—McCullen, '11.

**UNION MEETING.**  
The members of the Y. M. C. A. and Y. W. C. A. were addressed in Bucknell Hall, Wednesday evening, January 25, by the Hon. H. M. McClure. The subject was "Lynchism a disgrace to the United States." This most vital of subjects was discussed by the speaker in a very impressive and interesting manner.

The Union Meetings of the Christian Associations will be held once each month and some fine speakers are on the program. Everyone is welcome.

—A fast game is expected with the Selinsgrove team.

## SOPHOMORE BANQUET.

The fact that the freshmen held a very successful banquet on Friday evening suggests the question "How about the annual sophomore banquet?"

Last year there were only about thirty members of the class of 1913 present. Various reasons were given for the lack of support of the banquet, but one thing is certain, those of the class who were present showed their loyalty to their class and seemed to emphasize the fact that the regular custom would not be omitted.

So far there has not been any evidence of enough sophomore spirit to hold a successful banquet. What's the matter with the sophomores? Are they going to allow the freshmen to surpass them in class spirit? Where is the sophomore president whom we would naturally look to stir up his class to action? Is he willing to let the matter drift along until everyone forgets that there is such a thing as a sophomore banquet?

Would it not be far better to hold a small banquet in town or nearby, than to see the custom discontinued?

## JUNIOR "PROM."

In former years it has been a regular custom to have a Junior week during which an Alumni game would be held, and generally one other large basketball game was arranged. All parties interested always looked forward to this week as one celebrated especially by the Junior class.

Recently arrangements were made whereby all difficulties were supposedly settled in the classes and all parties were joined in the promoting of enterprises which had been halted for the time being. President DeLaney has appointed a committee to arrange for the Junior "Prom" and there is no reason why the big social event of the year should be held. The regular night set aside for a fraternity function, but this does not necessarily mean that the customary Junior affair should be passed by this year. There is plenty of time for it to be held later on and all loyal Juniors, as well as others who have usually attended the "Prom" should join in planning to hold a successful dance this year.

It is up to the college student in general to decide whether they will allow an annual custom of the Junior class to be dropped because of the lack of support.

## COLLEGE BIBLE CLASS.

To the general inquiry, What did Jesus do? we have made two answers: he won his disciples, he met his social duties. To complete our inquiry we shall now consider what Jesus said. Before taking up the content of what he said, we should inquire whether he was a teacher in the modern sense. In contrast with the scribbles he spoke with a freshness

born of insight into nature, with a sympathy created by his touch with humanity, with an originality produced by the sifting of tradition. Consequently he was informal and unsystematic.

He spoke as occasions presented themselves. The term, Disciple, means not a learner but an adherent; and the term, Teacher, is a translation of the Aramaic, Rabbi, which contains more than the word, teacher; "commander would be no more than sufficient to render the term." Jesus was not a teacher in our sense of the word; he sought to accomplish his purpose by living and by adding enough explanation to his living to clarify the principle of his life.

We are pretty well recognized as headquarters for SHAKER KNIT COAT SWEATERS.

Our \$5.00 Spalding Coat Sweater is by most people thought just about correct.

### BUCKNELL ADDS ANOTHER VICTORY.

Continued from page one.  
A piece that the chances of a Crimson and Gold victory began to grow less as the half progressed. It took several minutes of hard playing however before "Hart" shot the sphere into the right spot and lead off the scoring. Then the line light shifted and fell on Captain Kurtz. "John" began his little act with a foul goal. A double foul was called and Kurtz scored again. But that was nothing compared with his next stunt. "John" had the ball on the floor and a man on his back. By some manner of contortions he twisted around, tried to shake the man off, but failed and not to be daunted by that, shot the sphere in anyway. It took but a moment to toss up the ball at center, for "John" to get it and score another field goal. It was in such star playing on both teams that the game abounded. Kurtz's great work placed the Varsity nine points in the lead.

Even yet, however victory was doubtful for no sooner had Kurtz withdrawn his lease on the ball than D. Kauffman got it and also dropped in two straight. Thatcher took the place of Bartholomew, who had played Trego, the star of the Tyrone five, to a finish, and in the first round of play scored a field goal. Things were pretty evenly matched from then on until the last minute of play when Zohner, Kurtz and Thatcher began some trio work, in which each man in turn scored a field goal just to show Susquehanna that they were there until the last minute. Bucknell's score was 18, Milton 13.

NUMBER 16

### GETTYSBURG LOST BY SCORE OF 48-24

**FAST TEAM WORK SHOWN.**  
Orange and Blue Men Play Off Their Feet in the Second Half.

After the news was received here that Gettysburg held State to a score of 48-24, all expected a good fast game on Friday night and one in which the Varsity had to work hard to keep the game from becoming a rout. The game was indeed a fast game, especially during the first part of the contest. At the start it was indeed a battle royal. Time and time again during the first half the score was tied, first one team and then the other would force ahead one point gained by shooting a foul or probably obtain the lead of a single field goal. The closely contested part of the game was the first part which closed with Bucknell leading the "battle field" boys by four points. Score 22-18. In the second session Bucknell strengthened and played their opponents off their feet, and at the sound of the final whistle the score board showed that the Varsity had routed up twice the number made by Gettysburg. Score 48-24.

Such an exhibition of basketball as was given in Tustin "gym" on Friday kept the spectators excited and on their feet. Both teams had team work down to a science. There was not a dull moment during the entire game. As to the passing it was unusually fast and accurate. Captain Kurtz shot the first goal for Bucknell. Fischer followed in a few minutes with another and then came McCullen's pretty long shot. Soon "John" succeeded in caging two fouls and making a goal from a difficult angle. For our Orange and Blue opponents Breitenreiter was the first man to score by throwing two baskets in succession, which coupled with two made by Hiehl and the shot by Radcliff made the score a tie, 16-16. Each team scored on a foul, Kurtz made a long pass to "Whitely" who scored; Gettysburg followed with a goal and a foul, and again the Varsity tied the score by the addition of the goal resulting from McCullen's long pass and Kurtz's shot. Fischer and "Rube" began rolling them in and Bucknell continued in the lead until the end of the half. During the latter part of the half Gettysburg's big center did some good floor work and placed two more field goals to the credit of his team. With only a few seconds to play remaining the Varsity exhibited some very good team work resulting in a goal by Kurtz.

In the second part of the contest Bucknell struck even a faster pace than during the preceding part of the contest. As the game progressed Gettysburg's chances of obtaining a victory grew dimmer and dimmer. From the start both teams played exceedingly hard and after several minutes of fast play Kurtz led off for the local team. With the ball in one hand and guarding with the other he succeeded in landing a basket at an angle from beyond the foul line. Fast playing followed but here the combined efforts of "Mac" and "Rube" again placed two more points to the credit of the home team. Beagle then fouled, and Kurtz easily rolled the sphere through the ring. Zohner took the ball up the floor, passed it to Thatcher who dropped it from under the basket. The greatest shot of the game then followed. Brumbaugh, Gettysburg's speedy forward was taking the ball up the floor and as all his teammates were covered, he shot from the center and landed a pretty field goal.

The Bucknell machine became more efficient as the game progressed. Fischer continued the great work by throwing a goal with one of the Gettysburg guards clinging to his shoulders, and Diehl got busy and scored for his team. At this time the exhibition of team work of both squads was very fine; soon "Rube" followed but immediately Gettysburg scored

with a goal by Breitenreiter. Then came a double foul, both teams scoring. Brumbaugh fouled twice and the Bucknell's captain again scored two points. Fischer made one of his famous long shots from near the center line. With only two minutes of play Thatcher at forward and during that time, "Hart" took the place of short interval of time scored a field goal.

The game of Friday brought out distinctly the fact that Bucknell has this year a team of very high caliber, one that combines good team work with high class individual playing. Special mention can be given to no one, but every member of the team deserves great credit for his earnest playing which adds another victory to the athletic prestige of the University. Such work deserves the appreciation and the loyal support of all students here. Gettysburg was no no trivial foe, and it was due to this fact that the Varsity played such a strenuous game throughout.

The lineup—  
Bucknell Forward Dayhoff  
Thatcher Forward Brumbaugh  
Bartholomew Diehl  
Fischer Center Breitenreiter  
Zohner Guard Beagle  
Rhoades Guard Valentine  
McCullen Guard Radcliff  
Goals from Field—Kurtz 6, Thatcher 2, Fischer 2, Zohner 1, McCullen 1, Bartholomew 1, Dayhoff 1, Diehl 2, Breitenreiter 5, Valentine 1.  
Goals from Fouls—Kurtz 10, Breitenreiter 4. Referee—Rafferty, Mercersburg.

### SENIORS vs. FRESHMEN

**AMUSING GAME PLEASED SPECTATORS. SCORE 41-20.**

In a comedy entitled "The Senior-Freshmen Basketball Game," the Seniors made the hit of the season in dramatic circles, on Monday night, when with Kurtz assuming the leading role they clearly outplayed the Freshmen troupe, both in acrobatic stunts and in fancy juggling of the ball. No such amusement has ever been furnished to a local audience since the opera house burned and the ready responses of laughter showed that the audience appreciated the efforts of the players.

It was the Seniors' debut of the season in basketball circles but the Freshmen proved such an easy proposition that the cap and gown men did not have the chance to display their reputed basketball prowess. With three Varsity men the Seniors won by a margin of 41-20. Only once during the entire contest did the Freshmen make any pretensions of carrying off the victory. This was in the second half when the 1911 men had a big lead and the first year men made a spurt of four straight field goals and came within nine points of the leaders. From that time on until the end of the game the 1911 men did not score while the Seniors rolled up twelve more points. Loveland and Kurtz played pretty hard for the Seniors. Everall at guard and Bell at forward were the Freshmen stars.

The lineup—  
Kurtz Forward Bell  
Loveland Forward Mahoney  
Clark Center Lynne  
Condon Linberg  
McCullen Guard Everall  
Rhoades Guard Goodwin  
Field Goals—Kurtz 7, Loveland 5, Clark 2, McCullen 2, Condon, Bell 3, Goodwin 2, Mahoney 2, Everall, Linberg.  
Foul Goals—Kurtz 7, Lynne 2. Referee—Pulmer, Academy.

### CONFERENCE DESIRES PRIZE ESSAYS

**PRIZE OF \$100 FOR BEST ESSAY.**  
Lake Mohonk Conference on International Arbitration Has Charge of the Contest.

The contest for the prize of one hundred dollars for the best essay on International Arbitration by a student of any American college or university, offered annually by the Lake Mohonk Conference on International Arbitration, will close March 15th.

More than ordinary interest attaches to this prize because it is the gift of a student, Mr. Chester D. Fuglestad, of Peckskill, N. Y.—at present studying law at Harvard.

A similar prize last year brought out seventy-five essays from colleges in all parts of the country and was won by George Knowles Gardner, of Worcester, Mass., a Harvard sophomore. In 1908-9 the prize went to L. B. Babbitt, of Baltimore, then a sophomore in Johns Hopkins.

The judges will be Hon. Elmer Ellsworth Brown, United States Commissioner of Education; Hon. Joseph B. Moore, Justice of the Supreme Court of Michigan; and Professor George Winfield Scott, of Columbia University.

The award of the prize will be announced and the presentation made at the seventeenth annual meeting of the Lake Mohonk Conference, May 24-26, to which meeting the winners will be invited.

Essays are not to exceed 5000 words (2000 is suggested as desirable) and must be delivered not later than March 15th to H. C. Phillips, Mohonk Lake, N. Y., from whom full information and references may be obtained.

### ILLUSTRATED LECTURE

**"CANADIAN NATIONAL PARK" UNDER AUSPICES OF Y. W. C. A.**

The Y. W. C. A. will give an illustrated lecture in Bucknell Hall on Monday evening, February 20. The subject will be "Canadian National Park."

Miss Mary Shalleross will give the lecture and from her previous success with this subject, there is no doubt but that the lecture will be highly entertaining, as well as instructive.

Tickets of admission are fifteen cents.

### ENGINEERS TAKE TRIPS.

During the past two weeks, the students in the electrical engineering course have had two interesting trips. The first was to Pittsburgh where several of the Seniors, along with Professor Rhodes were escorted through the works of the Westinghouse Electric & Mfg. Co. by Edmunds, 10, who is taking the electrical apprenticeship course. This visit was made especially interesting by having Edmunds as a guide. Instead of an outsider who would have had no particular interest in the party, and explained everything very clearly. The following day, the members of the party were shown through the works of the Westinghouse Machine Co., at East Pittsburgh, and of the Westinghouse Air Brake Co., at Wilkes-Barre.

Last Saturday afternoon the electrical students along with Professors Rhodes and Simpson were the guests of Mr. James Miller, of Lewisburg, representing the Simplex Surface Contact Co., at a demonstration of the system as installed on their experimental track above Milton. On the return trip the party stopped at the new power-house at Milton and examined the new equipment that has been recently installed.

### ALUMNI GAME POSTPONED.

Manager Rosenberg has postponed the Alumni game to some time in March, owing to our game with State College on Saturday night.

### MRS. A. T. LOOMIS DIES.

Mrs. Augusta T. Loomis, widow of Dr. J. R. Loomis, died in the early morning of February 9th. For several months she had been troubled with an affection of the heart accompanied by asthma. A few days ago she was prostrated with an attack of grippe which brought violent spasms of coughing and excessive weakness. About nine o'clock of Wednesday night she asked for quiet that she might get some sleep. Her faithful watchers thought she rested well, but at midnight detected the shortened breath; efforts to arouse her were vain and at four o'clock she quietly ceased to breathe.

Such was the calm, peaceful ending of a life of rare beauty and usefulness. Mrs. Loomis was born at Milesburg, Pa., on August 1, 1825. She was the daughter of Rev. and Mrs. Charles Tucker. Her brother, Andrew Gregg Tucker, was killed in the battle of Gettysburg. Mrs. Loomis graduated from Bucknell Institute in the class of 1857, and has always been a loyal and devoted friend of the University. In 1872 she became the wife of Dr. J. R. Loomis, then President of the University, and was the comfort and consolation of his declining years. One son was born to them, Mr. Andrew Gregg Loomis, attorney-at-law in New York City.

Mrs. Loomis has been the efficient treasurer of the Lewisburg Baptist church for twenty-one years and was also a prominent member of the D. A. R. To all her interests she was very loyal.

The funeral services of Mrs. Loomis were held from her late home on South Third street today at 10:30 A. M.

### DEUTSCHER VEREIN

**PROGRAM ON THURSDAY NIGHT VERY ENTERTAINING.**

On Thursday evening the members of the Deutscher Verein listened to a very interesting program, the greater part of which was musical.

A paper on "The Fatherland" and Schiller's Relation to Them," was read by Herr Bowman. Frauclien Radcliff rendered a solo, "Stimme Ich Ist Hin," by Hoffman. A piano solo, "The Summer-Song" by Heller, was given by Frauclien Rittenhouse. Two German songs, "Als die alte Mutter," by Devorak, and "Lohn deine Wangen weisse Wangen," by Jensen, were rendered by Frauclien Rice and also a piano solo, "Tando," (moto perpetuo)—von Weber.

At the conclusion of the program the Verein addressed to Prof. Martin's to pay their party call.

### COLLEGE BIBLE CLASS.

The point of view in considering the teaching of Jesus is this: his teaching was accessible to his living. When, therefore, he began to embody his ideal in conduct, he added his teaching as an explanation of his acts. Pursuing this method he spoke of man and institutions, of eternal life, of his true relatives.

In reply to the censures of his conduct on the Sabbath he directed attention to the purpose of the Sabbath; namely, the welfare of man. In answer to the inquiry why he and his disciples did not fast, he declared that fasting as a fixed institution could not be imposed on him and his disciples. To attribute good to evil he pointed out, was to be in a state in which forgiveness was impossible, will of God, he found among the outcasts of society.

He who knows he is not what he ought to be, but who seeks a free expression for the impulses of his soul is doing what is for the welfare of man—he is Christ's brother.

### SOPHOMORE ORATORY.

Volunteers for the Sophomore contest in Oratory are requested to hand their names to Professor Smith on or before February 17. As usual, the gentlemen will be confined to orations.

—Let's have lots of spirit on Saturday night at the State game!

### CHANGES MADE IN FOOTBALL RULES

**SEVERAL MINOR CHANGES MADE.**

**Committee Met in New York Recently and Reviewed the Present Style of Play.**

The intercollegiate football rules committee met in New York recently and made a few minor changes in the rules for next season. Among the things decided upon was the matter of the intermission. It was decided that the intermission was too long, and the periods between the first and second and third and fourth quarters were reduced from three to two minutes.

A new rule was adopted permitting teams by agreement to transfer the supervision of off-side play upon the line of scrimmage from umpire to head linesman. The linesman, however, is to report any violation to the umpire.

The committee adopted another new rule, stating that the throwing of a player to the ground after the referee has declared the ball dead may be considered unnecessary roughness.

Another new rule provides that all penalties under the rules regulating the forward pass shall be applied from the spot where the ball was downed, and not the spot from which the pass was made.

It was decided that if the ball after having been legally passed forward and legally touched shall then be fumbled and touch the ground, it shall be considered incomplete. The object of this rule is to prevent high passes and make clean play.

If a foul is committed after a first or second down by a player on the side in possession of the ball when it is on or behind the goal line, or in flight from a pass or kick from behind the line, the penalty shall be the loss of a down, and the ball shall be put in play on the one-yard line. If such a foul follows a third down, the offended side gains a touch-down.

In rule 18, section 2, of the old rules, which provides that a player receiving a pass shall not be tackled or shouldered until he has taken more than one step in any direction, the clause "has taken more than one step in any direction," was struck out.

The keeping of time was transferred from the field judge to the umpire, and an amendment was adopted allowing only three men to walk up and down the field on either side, whereas five men were given this privilege under last year's rules. Another amendment states that if the ball accidentally hits an official it shall not become dead.

E. K. Hall, Walter Camp, and Carl S. Williams were chosen members of a codification committee, empowered to simplify the rules.

### Y. M. C. A.

The meeting on Wednesday night in Bucknell Hall, at 7:00 P. M., will be a Union Meeting of the two Christian Associations. The speaker for the evening will be John C. Nisley, Sr., Attorney-at-law, of Harrisburg. He will address the students on the subject "If I were to go through college again, what I would do." Special music is on the program.

A large attendance is desired to greet this prominent alumnus of the institution and all are urged to keep the date and time in mind.

### FRESHMAN DECLARATION.

As a result of two preliminary trials the following have been chosen to participate in the Freshman contest in declamation: Lotie Richards, Worrlow, Hamblin, Prantz, and Wendt; Misses Jones, Glover, Whitman, and Race. The contestants are requested to present their selections to Prof. Smith as soon as possible in order to avoid conflicts. The periods for rehearsals and the date of contest will be announced later.

THAT LIBRARY MATTER.

The advantages of the library are

numerous if when a student desires

material for his class-work, he can go

to the library and there obtain the

books he desires. This does not mean,

however, that when the student takes

a liking to a certain book that he

should struggle it out of the library

and after an indefinite period am-

ple it back to its usual place on the

shelf.

For some time this practice has

been going on and the attention of

the students has been called to it, by

the members of the faculty, who have

missed books they needed for refer-

ence work. When the man takes a

book out which is needed by a num-

ber of students, he fails to "take in

the other fellow as well as himself,"

as one professor said recently. He

gets the benefit himself but deprives

others of their chances.

Can we not see better co-operation

on the part of all of the students in

this matter? It is hardly possible

that one deliberately does this, but

no doubt since attention has been called

to the matter, the practice will stop.

PUBLIC OPINION.

It is difficult to estimate the actual

power of public opinion. No man is

absolutely free from its influence,

although a few consider themselves

beyond its power. Some are know-

ing by its slaves while others are only

partially subservient. Many men

apply the test as to how public opinion

will consider their actions.

The power that public opinion will

have in our lives, will depend largely

on the part we give it during our

college days. It is up to the man as

to whether he will float along with

the crowd or STAND—If needs be, by

himself, for what he believes to be

right. In some cases, public opinion is

a good thing, but would it not be

better if we asserted ourselves and

had a mind of our own? Oftentimes it

is difficult for a man to remold his

intentions and actions as quickly as

public opinion shifts without appear-

ing somewhat of a turncoat. To

avoid this, the man will avoid ever

having any definite idea of his own

and sway, first to one side and then

to the other.

Public opinion is not a safe guide

to follow, inasmuch as it is some-

times the result of a mere reasonless

whim. Though not always, it is fre-

quently in the wrong. Again, a man

should do what he considers right,

in spite of public opinion. Everyone

enjoys and covets appreciation and

popularity, but that man will be most

successful, in the long run, who, after

having considered wisely, acts fear-

lessly as he thinks best.

day night. Look for a good game.

## STATE GAME.

Those who attended the game Saturday night, were greatly disappointed with the contest. Our men did not show up as we had expected them, but on the other hand they seemed to have what we may call stage-fright. However there are still some games to be played and they will doubtless improve in form. This is the first game we have lost this season and just a little more support from the students may cause our players to go up to State college and make a far better showing. There is one thing that might have been better in the game on Saturday however, and that was the referee. Towards the end of the second half a large amount of the rough playing on the part of the State men might have been cut out, had he called a few more of the fouls.

## A SUGGESTION.

The editor wishes to make a suggestion to the members of the staff, that all articles which they wish to have published be handed to him in writing or left at 11 East College. From time to time various news items are omitted because the editor is dependent upon to write them up. The staff is large enough for all topics of college interest to be written up by those acquainted with the facts and so we ask that when you have news do not depend upon some one else writing the article for the Orange and Blue.

## CHEMICAL SOCIETY.

At the Chemical Society meeting on Friday afternoon, E. A. Snyder, '11, discussed the subject of "cements." He first gave the different materials from which cements are made, also the several kinds of natural and artificial cements. The details of the various steps in the manufacture of cement from the raw materials were then given. The speaker displayed a number of samples of the raw material and of the various stages of the manufacture. He then named some of many uses of cement and finally gave a prophecy of the increasing usefulness and future development of cement.

## COLLEGE BIBLE CLASS.

Parable, which was in general use, Jesus employed as a form of expression for two reasons: It fitted his mode of thinking and it suited the mode of thinking of his hearers, which he did not want to state openly to those outside of his immediate disciples.

The three parables in the fourth chapter of Mark teach these truths: the different results resulting from announcing the Kingdom depend on the difference in the hearts of men; the Kingdom grows in men because man and the Kingdom are suited to each other as are the soil and the seed; the small beginning of the Kingdom was incommensurate with its future growth. Growth as the method of the development of the Kingdom, the adaptation of man and truth and the shelter the Kingdom offers the whole world—these ideas are familiar to us.

It is estimated that \$2,500,000 will be required to repair the buildings of Lehigh University which were damaged by the San Francisco earthquake.

At the University of Virginia last year there were 479 men enrolled in the Y. M. C. A. Eighteen Bible Study classes were conducted with 120 men enrolled. About \$350 was sent to support an alumnus in China.

Work upon the swimming pool in Strawberry Canyon will soon begin. When completed the pool will be 272 feet long by 75 feet wide, and graded from eleven feet to three feet at the shallow end.

Princeton University now has two constant low-temperature rooms which can be kept at seven degrees below zero. These rooms for experimenting in physics are practically the only successful rooms of the kind in the world.

William and Vashit College is unique in its method of choosing its trustees. The founder of the college provided in his will that the trustees of the college should always be the men who occupied the offices of county judge, county clerk, county treasurer, chairman of the board of supervisors, and the mayor of Aledo.

Dorothea Jones, '11, spent the week-end in Williamsport.  
Miss Scott is entertaining Miss Mary Shalleross, of Philadelphia, for a few days.

Evelyn McCaskey, '11, and Vera Coher, '11, were entertained at dinner Sunday at Mrs. Weddel's.

Merna Giffin, '11, entertained Harriet Keiser, Bucknell School of Music, '08, at dinner Friday evening.

Maza Callahan, '12, Olive Lane, '12, Frances McNall, '14, Ruth Royal, and Margaret Harter were home over Sunday.

Prof. and Mrs. Edwards gave a little informal dinner party at the Cameron House Saturday in honor of Miss Shalleross. Those invited were Miss Shalleross, Miss Scott, Miss Berkley, Dr. and Mrs. Hare and Helen Hare, '10.

### INTERCOLLEGIATE.

The Kappa Kappa Gamma Fraternity at Kansas University is discussing plans for a new \$25,000 chapter house.

At the State University of Iowa, a recent action of the faculty has taken away the two hours credit formerly given to women students for dancing.

Of the 490 members of Congress, 297 are college men, or, in other words, about 60 per cent. Approximately one hundred colleges and universities are represented.

Illinois College is endeavoring to raise a new endowment of \$150,000. Their president recently reported that nearly all of this amount had been subscribed. Andrew Carnegie has subscribed \$75,000 toward the fund.

Thirty-seven universities abroad were founded before 1420. A few of them whose names are familiar are: Oxford, England, founded 1200; University of Paris, 1200; University of Parma, 1222; University of Salamanca, Spain, 1243; Cambridge University, 1257; University of Vienna, Austria, 1255; Heidelberg University, Germany, 1386; St. Andrew's University, Scotland, 1411.

### VOLUME XV.

## VARSITY LOSSES AT STATE COLLEGE

GAME WAS NO WALK-OVER.

Bucknell Had State Worried in First Half. Varsity Played a Defensive Game Throughout. Score 34-16.

That much talked of walk-over, which was predicted to occur to the Varsity at State College, following the outcome of the State game here never happened. In fact the return game with the Blue and White collegians, proved to be much more of a contest than was the home game. The Orange and Blue quintette for got all about stage fright and they went after victory in such a determined manner, that it was State's turn to be on the anxious bench. Indeed it was not until the latter part of the second half that the Blue and White supporters could feel assured of victory. The final score was 34-16.

With the first blow of the whistle the Bucknell men got right into the game. "Guard close" was the word passed by Captain Kurtz to every man on the team, forwards as well as guards. The captain's plan of attack worked wonders. Hampered by the close guarding, the Blue and White quintette could not get so much to give them victory here. If a State man got the ball he rarely found a teammate unopposed to whom he could pass. State was well high helpless with the loss of that passing machinery. Incidentally our fellows found an opportunity to drop the sphere through the rim now and then, with the result that the tally for both sides remained almost equal during the greater part of the half. Within one minute of the close of the half the score stood 19-9 in State's favor. A field goal and two fouls in the last minute placed the score, for the period, 14-9, with State on top.

In the second half State began to take advantage of the fact that the game was played on their home floor. Unlike the arena in Tusculum Gymnasium, State's floor has "out of bounds" on all four sides. The Blue and White's scheme now was to push our men out of bounds whenever the ball came into their possession. Not being used to this method of play, things went bad with the Orange and Blue men. But the fight was still in them. "John" Kurtz distinguished himself with a sensational shot, which there is no doubt our neighborhood collegians are still talking about. At least it brought forth some exclamations of undisguised astonishment from the crowd. "John" had the ball on the center line of the floor, which by the way is almost twice as long as ours. Two men as usual were on the "John's" back but by one of his magic twists our captain sent them sprawling, calculated his distance and let the sphere fly. Somebody said "wild shot" but somebody opened their eyes as they saw the ball go through the basket without even touching the rim. State however found the basket more frequently than their opponents and it was not long until they had gained a comfortable lead. The final score, 34-16.

Kurtz, Bartholomew, Fletcher, Zehner and Rhoads were the stars for Bucknell; that is to say, every man on the team played a fine game. Every man deserves the credit for the good showing of the quintette. No entire with five field goals did most of the scoring for the home team. Turner, who served here last year was the referee and his work Friday night deserves particular commendation. There was little rough work under his watchful eye. McCullen was unable to take the trip on account of an injured eye. The lineup—

## SENIORS VS. JUNIORS

SENIORS TAKE VICTORY IN UP-  
PERCLASSMEN CLASH.

The Senior basketball team displayed such form in the game with the Juniors on Monday, that it seems as if they will follow in the steps of 1910 and take the championship of the inter-class series. The Seniors scored 39 points, while the third year men placed 26 to their credit. The first part of the contest was stubbornly fought, the score being at the time from one to one. Towards the end of the first half the Seniors gained a lead, and during the remaining part of the game they led their rivals at all times by several points.

O'Brien was the first man to make a field goal. For the Seniors, Kurtz was the first to score. The floor work of "Hart" was very good and his shooting accurate. O'Brien had no trouble in finding the basket several times. Jordan also played a field goal to the credit of the Juniors during this half. Towards the latter part of the period the Seniors played faster ball and when the whistle blew they had a lead of seven points.

After a few seconds of play in the second half Kurtz scored; Rhoads followed with the finest long shot of the game and thus the pace was set. At no time did the Juniors threaten to tie the score during this half. In this session "Hart" was the first to score for his class. O'Brien made two fine goals from near the center line, and Loveland also showed his ability as a basketball man. Although outclassed, the Juniors fought hard throughout, and the score shows that they did creditable work in holding down the strong Senior team.

**JUNIOR DEBATE.**  
By agreement among the Junior debaters and by consultation with several members of the faculty the following question, which will demand definition as well as argument, has been selected: "Resolved, That labor unions as they now exist are, on the whole, beneficial to society in the United States." References will be posted in the library.

**SUSQUEHANNA TRIP.**  
A number of the students have talked of taking the trip to Susquehanna and seeing the game with would feel the interest that was being taken in them and no doubt would play a much better game. Let's talk up this matter!

**GREAT INTEREST WAS SHOWN.**  
A Very Large Audience Enjoys Pictures of the Canadian National Park.

## Y. W. C. A. GAVE FINE LECTURE

GREAT INTEREST WAS SHOWN.

A Very Large Audience Enjoys Pictures of the Canadian National Park.

The illustrated talk on "The Canadian National Park" given by Miss Mary Shalleross last Monday evening in Bucknell Hall, was very well attended, as evidenced by the good remarks passed among the audience.

Before the lecture proper began, the audience listened with pleasure to two songs by Gretchen Radack, "I Love You Truly" and "I Love You Truly." The Little Bluebirds then began the presentation of her Canadian views, showing first the big railway station at Montreal, the starting point of her 3000 mile trip. Beside the "Lakes in the Clouds" and the "Hundred Glacier" mentioned in a previous issue of the Orange and Blue, unique views were, the herd of forty buffalo, sole survivors of their race and maintained at the National expense; the Little Bluebird, a large bodied, thus named for its peculiar form and markings; the Indian rocks, standing erect and rectangular, some like immense tablets, objects of such superstitious fear to even a Christianized Indian that he will not look at them, while an unchristianized Indian will go while the rocks are near them. There were other views of swift mountain torrents, of precipitous mountain cliffs, of glaciers with great yawning crevasses, reminding one again and again of Switzerland, and of the rugged peaks of the Alps and the Pyrenees.

That it was said that some of the people that had been planning a European trip had changed their minds and decided to go to Canada instead. He that as it may, Miss Shalleross certainly opened our eyes to the wonderful scenery just a few miles north of us and awakened in us all a desire to see it, as she has seen it at first hand.

## PROF. HEIM LECTURES

"COMMISSION FORM OF CITY GOVERNMENT" DISCUSSED.

Immediately after chapel services on the morning of Washington's birthday, Prof. Heim lectured to the students and friends on "The Commission Form of City Government." The address was very instructive and interesting, and presented many phases of this question which had heretofore been taken into consideration by the upholders and opponents of this form of municipal government.

Prof. Heim first defined what the commission form of government is, and then went on to show in what way and under what conditions, this method would be of advantage; in what other ways it would be a disadvantage both to city and to country. Prof. Heim particularly deplored the power of the large cities to legislate exclusively for themselves, to the extent that they entirely ignored state legislation on certain questions. He cited as an example of this, legislation of late years.

## VEREIN ENTERTAINED.

On Thursday evening the Verein departed from its usual routine of business and literary work, and were most delightfully entertained at the home of Miss Iza Martin. German Song and Art constituted the program of the evening. Of the latter the extensive collections of Professor Martin furnished more than enough copies of old masterpieces to fill one evening. After this intellectual feast something more substantial in the form of refreshments was enjoyed.

The evening closed with a hearty "sing" of all the favorite songs, without which no Verein assembly is complete.

Don't forget the Bucknellian vaudeville benefit, this evening.

## NEW CATALOG.

Copies of the new catalog for 1910-1911 have been received from the publishers and may be obtained at the registrar's office. Three changes are noteworthy: spring vacation has been lengthened from a period of five days to an entire week, the college bill for the coming year has been raised ten dollars, and the following change in class organization has been inserted:

"Each class is organized with a president and other usual officers. The classes meet for the election of officers on the first Friday of the school year, at three o'clock in the afternoon. The officers then elected serve until their successors qualify. The officers elected on that date by the Freshmen class serve until graduation day when permanent officers are elected."

## JUNIOR ORATORS.

The following have been selected on the basis of their general average in Rhetoric and Oratory to participate in the annual contest of the Junior class: Misses Bronson, Clum, Ruth, and Rittenhouse; Messrs. Waltman, Miller, Elster, Baldwin, H. Johnson, McNeal, and Flockenstine.

All orations will be due on or before April 21st. This year the speakers will compose productions suitable for some educational gathering, such as a commencement, an institute, or a conference. The contestants will consult with Professor Smith concerning details.

## DAY OF PRAYER

DR. EVANS ADDRESSES STUDENTS  
VITAL TOPICS DISCUSSED.

The universal Day of Prayer for Science and Colleges was observed here on Sunday. A special service was held in the Baptist church at 10.30 A. M., when Dr. Milton G. Evans, '82, President of Crozer Theological Seminary delivered the sermon of the morning on a theme suitable to the day. The subject of his discourse was "Christ's Gift of Influence," in which he mentioned the fact that the men who are commonly considered the great men in a nation's history are the men who have been distinct Christians. He mentioned as examples Luther, Cromwell, and of more recent times, Moody and John R. Mott.

Dr. Evans spoke again in Bucknell Hall at three o'clock taking as his theme, "God's Secrets and Man's Discoveries." After talking of this for a few moments in the abstract, Dr. Evans said that we must make practical applications and that the place to begin was right here in college. He continued that it was every man's duty as a loyal son of Bucknell, not only to love his alma mater in an abstract way, but to beautify her campus and buildings, and to take care that by no thoughtless acts of negligence, the naturally charming surroundings of Bucknell might be marred. Such, for example, he said, was a practical application of that lofty which is necessary for a man to receive revelations or discoveries of God's secrets.

**BUCKNELLIAN SHOW.**  
Today is the day for the big Bucknellian Vaudeville show at the Orpheum. Besides several reels of first class moving pictures, the best available vaudeville talent from town, hill, "prep," Sunbury and even "Big Chief" Parson from Boston will be present to furnish the greatest show Lewisburg has seen since long before the Opera House burned. There will be one performance in the afternoon at 4.15 and three in the evening, beginning at 6.45. Each performance will last at least one hour and a quarter. The admission is ten cents.

**SOPHOMORE PRELIMINARY.**  
On account of the large number of Sophomores who have volunteered for the annual contest in oratory a preliminary trial will be held on Tuesday afternoon at 4.15.

## FOLAND AND THE ITALIAN BOYS HERE

BEST NUMBER OF COURSE.

Lyceum Entertainment Makes a Hit, Italian Boys' Quartet Furnishes Some Rare Music.

A splendid audience greeted Elbert Foland and the Italian Boys Wednesday evening at the Beaver Memorial church. The large attendance attested the popularity of the Y. M. C. A. entertainments and gave final assurance of the success of this year's course.

Although the Italian Boys are not experienced entertainers, they have a large and varied repertoire and judging by the character of the entertainment here, can always be depended upon to present a program in perfect keeping with their surroundings. Every selection rendered by the company, beginning with the overture, was unusual in balance, and in harmony and revealed the extraordinary training of the musicians.

The headline performer was Mr. Elbert Foland, a reciter of great dramatic ability. His readings were given with a modesty and power of expression most unusual. His imitation of "A Husband Dressing for the Theatre" was artistic to the highest degree, while his rendering of "The Whodunnit" was a masterpiece of expression. That all his selections were thoroughly enjoyed was proven by the numerous encores to which he was compelled to respond. The work of Giuseppe Pesce on the horn was particularly pleasing. Ray Crapper, soloist, is a fine rotatory soprano; his voice is clear and beautiful; his "Land of the Free" was the favorite of the evening and brought forth prolonged applause. The closing sketch, "A Night in Venice" was a most charming, pleasurable and unique musical and literary fantasy.

No other number of this year's course has given greater satisfaction and delight than the Italian Boys and certainly none would receive a heartier welcome should they return. The program follows:—  
Overture—Nabuccodonosor . . . Verdi  
Italian Boys.  
Harp Solo—"The Men's Prayer"—Oberthur  
"My Old Kentucky Home"—Giuseppe Pesce.  
Violin Solo—Oberthur Mazurka—Wienawski  
Cavalier Rusticus—Giuseppe Di Natale  
Reading—"The Wedding"—  
"The Ambitious Lessor"—  
"The Census Taker's Troubles"—Mr. Foland  
Soprano Solo—"Angels Ever Bright and Fair"—Ray Crapper.  
Cello Solo—"Poet and Peasant"—Suppe  
Enrico Fabrizio.  
Reading—"The Visit to the Doctor's New Wife"—  
"Dressing For the Theatre"—  
"Praising Time Past"—Mr. Foland  
Selection—"Martha"—Flowto  
Italian Boys.  
Intermission.  
"A Night in Venice."  
Scene—Clinton Parker's Studio in Venice.  
Synopsis—Clinton Parker—A Picture "Those Boys Again"—Mail Gouda Echoes—"The Boys"—Barenholz—Tarentella "Carroll of Venice"—Santa Lucia—A Story—"The Land of the Free."

## BAND CONCERT.

On Thursday, March 9, our band will give its annual concert. Talent from the Institute, Academy, and college will participate. Among the organizations will be the young women's quartette, the academy quintette and double quartette. Vocal and instrumental solos and duets have been provided. Several speakers have also volunteered their services.

LOYALTY.

Those who did not hear the address of Dr. M. G. Evans, '82, Sunday afternoon missed a very practical talk on "Loyalty." As an alumnus of the institution Dr. Evans brought out a very true fact that "It is not the faculty, it is not the buildings—but it is the student-body which makes the institution. It is the men who enter a school that makes the school what it is." Too often we forget this, but after all, is it not true?

Continuing in his address, our honored alumnus made a plea for man to be noble—to be clean—for the sake of the school; to so act that the school's reputation may always be the very best.

Then again Dr. Evans made a very good point for all of us to hear in mind, and that was for us to do our part to uphold the reputation that Bucknell has, of having a beautiful campus, second to few. It is the duty of every student to take a personal interest in the buildings and surroundings of Bucknell. Our every act should be guided by our loyalty to the institution and "when we have loyalty in all of its senses, we have captured the word."

It is up to the student largely to make Bucknell muster up to the ideal he has in mind. Let loyalty be the motive power and the institution will be the better.

CLASS ORGANIZATION.

For years class organization here at Bucknell has been more or less lax and to say the least not uniform throughout the various classes. In one direction the faculty has at last intervened in establishing a fixed date on which all classes must hold their elections. The fixing of this date in the early fall, instead of the preceding spring, as has been the recognized custom heretofore, will do much to eliminate some unsatisfactory features. It has happened at times that the President-elect did not return to college the next year. This not infrequently threw an incompetent second-choice man into office. Further all fairness demands that only those members of the class who return to college, together with the new recruits who may enter the class, should choose the man who is to guide them in that particular year.

The additional ruling that permanent Freshmen elections will not be held until after matriculation, will protect the first year men from the discredit of having a non-matriculate President, which has not been an unusual occurrence of late years.

The Editor asks that all news items be handed to him by Monday 8.15 A. M. Kindly bear this in mind so that the paper may be published on time and also that all current topics may be given due space the week they occur.

## COLLEGE BIBLE CLASS.

When the Pharisees found fault because some of the disciples of Jesus did not wash their hands before eating, Jesus made a reply which is significant in its bearing on conduct. He charged the Pharisees with displaying the commandment of God with endless trivialities; he showed that they placed formal religion above natural piety and that they missed the finest expression of religion; namely, a son meeting his duty to his parents.

He further explained that things in themselves cause no moral injury, but actions emanating from the heart do. He emphasized the awful truth: lying makes a man a liar. From the appeal Jesus made to the judgment of the disciples and from the comment of Mark we infer that Jesus accepted tradition after finding it by his own judgment.

The next topic: Divorce and Wealth.

# BUCKNELL LOSES

## FAST GAME.

### FINAL SCORE EVER IN DOUBT.

Varsity After a Bad Start, Showed Superior Form. Game Close. Final Score 35-32.

After quite a delay, occasioned by a dispute over officials the game at Selinsgrove got under way. With the blow of the whistle, Susquehanna, boosted by the host of cheering followers, started off with a rush which was calculated to take any team off its feet. In the first two minutes of play four goals were made in rapid succession by the Selinsgrove boys. However at this point the Bucknell men got up their nerve, while Captain Kurtz was shooting one of his many fouls and started off to try to overcome the lead against them. Up and down the floor the ball shot, with the result that in a short time, the score stood 10-9 in favor of our team.

Susquehanna, on the other hand, was not to be shaken off and came back strong. Several sensational shots put them in the lead again, which were not overcome during the first half. Several points from fouls, made by Captain Kurtz, helped to even up matters, with the result that the half ended with the score of 17-16 in favor of Selinsgrove.

So far had the game been that no one ever had an idea that the first half had been completed.

With the beginning of the second half, Bucknell started off to set the lead, but only succeeded in tying the score. However the Selinsgrove rosters soon stirred up enough enthusiasm to put new spirit into their team to get several more goals which gave them a lead of nine points. The score then being 25-17. In the meantime there was a mixing up of several of the players, with the result that both men were excused from further playing. Then again Bartholomew, who had gone into the game with instructions to watch "Dick" Kauffman, the star and back-bone of the Selinsgrove team, at all hazards, was taken out and Pether substituted. While "Dick" was in he had Kauffman on the run. So fagged out was Kauffman that he had time called five times during the second half, going from the floor for one period of nearly five minutes.

The referee, Rhinhardt, a former Selinsgrove man, seemed to let this fact go unnoticed and here is where Bucknell got a raw deal on the official end of it. Pether proved to be too tight and Thatcher was substituted. With the great handiwork they had Bucknell was not to be denied. Captain Kurtz got his signals working and the team responded to his call. Goal after goal was made by our loyal men and Susquehanna stocks fell below par. It was a case of going, going, going and almost gone, with the final score in doubt.

The great spurt made by the Varsity just simply took Selinsgrove off its feet. Kurtz, Fletcher and Thatcher, with Rhodes and Zehner covering their men and preventing any more points for Selinsgrove, played their best game at this point. "Cap," "Fish" and Thatcher formed a combination the Selinsgrove men could not break up and play they did. Within several minutes of the end, the score stood in Susquehanna's favor by the small margin of 2 points. Then Treco, the former member of the big Treme five, shot his only basket that he obtained during the two games with Bucknell, from the middle of the floor. This brought the score up to 35-31. Then "John" shot another foul, making the final score 35-32 in favor of Susquehanna.

Much credit must be given to Captain Kurtz for the way he led his team. Time and again he spurred the team on, besides playing his usual game. Zehner held his man to one basket and played a fine game at guard. Fletcher, although handicapped by his being held down by the Susquehanna center (apparently unnoticed by the referee) played a hard game. Bartholomew, Rhodes, McCul-

len, Thatcher and Pether also deserve credit, for they all played hard. For Susquehanna D. Kauffman, and Alkens played the best game.

The line-up:

Bucknell Forward Susquehanna Alkens Sunday Crawford

Fletcher Center C. Kauffman Zehner Guard Treco

McCullen Guard D. Kauffman Rhodes

Field Goals: Kurtz 5, Bartholomew, Fletcher 4, Zehner, Thatcher 2, Alkens 5, Crawford, Treco 2, D. Kauffman 6, Sunday.

Foul Goals: Kurtz 6, D. Kauffman 4, Alkens.

# BANQUET PLANS

## STIR UP INTEREST

### COMMITTEE HARD AT WORK.

David Jayne Hill, L. L. D., '74, Will Speak at Philadelphia Alumni Banquet.

The annual banquet of the Bucknell Alumni Association of Philadelphia, to be held at the Colonnade Hotel in that city on Friday evening, April 7th, promises to be the greatest and most successful in the history of the organization. The executive committee has been meeting at regular intervals for a month or more and perfecting the arrangements which will make this general spring roundup of Bucknell graduates one to be remembered. Already the one topic of gossip among the Bucknell men in and around Philadelphia is the banquet well known in Philadelphia on April seventh will constitute one of his very limited number of semi-public engagements while in this country. His toast has not yet been assigned, but the committee is sure to hit upon one that he would be unable to handle.

Another speaker of note scheduled to respond to a toast at the banquet on April seventh is Dr. Lincoln Bailey, '88, who will journey from Stetson University in Florida, especially to be present. Dr. Bailey will be home at that time in order to deliver a series of lectures at Columbia University. To speak at the Bucknell banquet in Philadelphia on April seventh will constitute one of his very limited number of semi-public engagements while in this country. His toast has not yet been assigned, but the committee is sure to hit upon one that he would be unable to handle.

Dr. Harris, of course, will represent the University on the toast list and his talk will not fail to be of intense interest to every man at the meeting who has reserved down in his heart somewhere a little corner for his Alma Mater.

Two games are arranged with State College as usual. The first will take place on the local diamond on May 6. The return game will be played at State College during State's Commencement week, on June 10. The season will be opened on April 8, at home with Susquehanna.

The schedule is as follows:

April 8, Susquehanna at Lewisburg

April 13, Catholic Univ. at Washington, D. C.

April 15, Naval Academy at Annapolis, Md.

April 20, Manhattan at Lewisburg

April 25, Cornell at Ithaca, N. Y.

April 27, Ursinus at Lewisburg

April 29, Dickinson at Lewisburg

May 6, State College at Lewisburg

May 11, Villanova at Lewisburg

May 19, Washington and Jefferson at Lewisburg

May 20, Susquehanna at Selinsgrove

May 27, Swarthmore at Swarthmore

May 29, Villanova at Villanova

May 30, Ursinus at Collegeville

June 2, Seton Hall at S. Orange

June 3, West Point at West Point

June 6, Dickinson at Carlisle

June 10, State College at State College

## SUSQUEHANNA GAME.

The result of the game with Susquehanna at Solingrove was a keen disappointment to the student-body. Those who witnessed the game and knew the rules as to time-out, etc., know that Bucknell did not get a square deal as to the officials. When the manager arranged for an outside referee and his agreement calls for that he should insist upon having the agreement kept. In all cases hereafter it would be well to have a signed agreement having all particulars in it. When "Coach" protested against a former Susquehanna student refereeing, it proved that he knew what he was doing, when during the second half the Susquehanna man left one of the Susquehanna team leave the floor for a period of five minutes without starting the game or even trying to. Such a violation of the time rule was so flagrant that it is hard to understand how it could occur with a fair official.

Even with this handicap our men played well. Within the last few minutes of play, no one could stop them. When time was called a big sigh of relief went up from the group of Susquehanna rooters.

## BASEBALL.

In a short time the call will be given for all candidates to report for baseball practice. So far quite a few men have been reporting at the "gym" for practice in the afternoon, but there are still a number of men who have not been out yet. It is hoped that when out-door practice begins that there will be enough men out to make up three different teams at least. Let's start early and whoop things up for a first-class team this year. There is good material here and we have fine prospects. Let every man come out!

## COLLEGE BIBLE CLASS.

When the statement in Mark is accepted as the original teaching of Jesus respecting divorce, the conclusion to be drawn is this: marriage is indissoluble; remarriage after divorce is adultery. Since, however, this conclusion is legislation and since Jesus did not establish laws or rules, but set forth a principle, this conclusion must be interpreted in the light of his principle.

The principle of the marriage relation according to the teaching of Jesus is this: the physical and spiritual union of husband and wife is an expression of the principle of love in the form of the family and this form is good for society.

Therefore to break the marriage relation with no intention of getting married again or to break the marriage relation with the intention of getting married again may be to act contrary to the teaching of Jesus; to divorce a husband or wife because of adultery when the guilty party truly repents is to act contrary to the teachings of Jesus, for he requires mercy rather than getting justice, love rather than revenge. Not to divorce

husband or wife when the principle of love is being violated in direct injury to all concerned is to act contrary to the teachings of Jesus; for he requires love operating for good.

## THE ORANGE AND BLUE

BUCKNELL UNIVERSITY.

LEWISBURG, PENNA., MONDAY, MARCH 13, 1911.

NUMBER 20

VOLUME XV.

## BUCKNELL LOSES

## TWO GAMES

INDIANS AND DICKINSON WIN.

Varsity Losses to Indians 34-17; Dickinson Barely Wins, Losing Out in Second Half 36-31.

Last Friday night, five Indians, who were out on the warpath discovered prowling about their hunting grounds as many palefaces, who afterward confessed to them that they were seeking a thing called victory. The Redskins immediately surrounded, attacked and after a most desperate resistance conquered these palefaces. Possibly the palefaces would have accomplished their mission and carried off victory, had it not been that the Indians' hunting ground was entirely unlike the battlefield on which they were accustomed to fight, and that the Aborigines took undue advantage of that fact. It was the use of their brute strength rather than skill, which finally permitted them to ward off the invasion of the palefaces. In other words Carlisle Indian School defeated Bucknell in basketball. The score was 34-17.

A whirlwind start at the beginning of the game placed Carlisle in the lead by a good margin. The Orange and Blue quintette on the other hand found great difficulty in acclimating themselves to the peculiar floor and seemed unable to find the basket until the latter part of the half. A field goal by "Bart" and another by Fischer added to a foul goal by "Jawn" Kurtz was the extent of Bucknell's scoring in this half. During the same time the Redskins had scored fifteen points.

The second half proved a little more interesting. Captain Kurtz who was guarded so close in the first period to give him the "slip" and tallied three field goals besides two more fouls. At this rate the "Varsity" slipped up on the Indians until in the middle of the period they were just one point from tying the score. The Redskins however, with Duppis rolling the sphere in at a great rate came back strong before the end of the half and won 34-17. The lineup—

Queen Mab—Thomas Hood—

Friday evening in the Seminary Chapel a very entertaining elocution recital was given by Miss Schillinger's pupils. An open invitation was extended to the Institute Faculty and the building girls, an invitation that, judging from the way in which the seats in the Chapel were taken up, was decidedly acceptable. The program follows:—

## JUNIORS DEFEAT

## "SOPHS" 27-23

UPPERCLASSMEN PLAYED WELL.

Result Was Ever in Doubt. Extra Periods Necessary to Decide Tie.

The Juniors sprang the biggest surprise of the season in basketball circles on Monday night when, with but one Varsity man, they defeated the Sophomore team, strengthened by four Varsity men, in the last played game of the inter-class series. It took an extra five minute period for the upperclassmen to win out, but they did it finally and came forth victors with a good margin of four points, score 27-23.

The Sophomores evidently started out over-confident of victory and thought they would just play with the Juniors for a little while. "Bart" and "Jack" O'Brien each rolled in a field goal while the Sophomores were still napping and gave the Juniors a lead of four points at the start. The 1911 men took a brace and managed to tie the score at 8-8. But the Juniors worked hard and played all around the underclassmen for the remainder of the period and wound up the score, 14-8 in their favor, scoring three field goals, while the Sophs' Varsity players looked on.

The way in which the underclassmen came back in the second half made things look bad for the Juniors, who for the most part, were unlearned in "Doc" Kooking's basket strategy. By getting in a little team work it did not take 1911 long to pull up on 1912 and finally gain the lead of 18-17. Then began a battle galore, the first time there was any real fight shown on either side. By a pretty field goal by "Bart," the Juniors regained a lead of one point. Then the "Sophs" took it again at 20-19, which feat was no sooner accomplished than the Juniors rolled in another one through the netting and put the upperclassmen on the top. A foul goal by Fetter, and the score stood 21-21, when the timekeeper called "time-up."

An extra five minute period of the most strenuous playing did not help matters any. Fischer scored first but "Bart" immediately followed and tied things up again. Another extra five minute period and this time the Juniors did show up that supposedly invincible Sophomore combination in great style. Two field goals in rapid succession, while the "Sophs" entirely lost sight of the basket, did the pretty work for 1912 and when the suspense was ended they had a much deserved victory with a good margin on it, the final score being 27-23.

The lineup:—

|              |   |           |
|--------------|---|-----------|
| Juniors      | Sophomores  |           |
| Bartholomew  | Forward   | Schaeffer |
| O'Brien      | Forward   | Fischer   |
| Jordan       | Center  | Fischer   |
| Schmidt      | Guard   | Dunkle    |
| Musser       | Guard   | Zehner    |
| Bliss        | Guard   | Richards  |
| Field Goals: | Bartholomew 6, Jordan 3, O'Brien, Musser, Fischer 3, Fetter 2, Schaeffer 2, Richards. |           |
| Foul Goals:  | Bartholomew 7, Fetter 7, Referee—McCullon, 1911.                                      |           |

FOUNDER'S DAY BANQUET.

Zeta chapter of the Sigma Alpha Epsilon fraternity celebrated Founder's day Thursday evening with a banquet at the New Cameron House. The large hotel dining room was tastefully decorated with purple and gold, the fraternity's colors. In one of the darkened corners was a large incandescent replica of the fraternity pin. Prof. W. S. Wilcox, principal of the Academy, acted as toastmaster.

Besides the active members of the local chapter, a number of alumni from this section of the state were present, among those here from a distance being R. M. Cole, of Cumberland, Tenn., and J. Frederick Moore, of Washington, D. C.

Phi Kappa Psi Dance.

On Friday evening the Phi Kappa Psi fraternity gave an informal dance in the soup. The cast was as follows: Arnold, Herr Kane, Herta-Seln, Voth, Fraunlein, McCuskie, Seiberg-seln Freund, Herr Davis, Wittkow-Gerichtarat, Herr Everett, Ulrike-seln Web, Fraunlein Dodson.

Y. M. C. A. concert tonight. Jubilo singers will entertain.

Y. M. C. A. will give the last number of the Lyceum Course to-night when the Carolinian Jubilee Singers will entertain in the Methodist Church. This company of singers is one of the oldest jubilee bands in existence. It was originally organized in 1882 and reorganized in 1891. The musicians now in the company have sung together for eleven consecutive years and in that time have given over twenty-four hundred concerts. Each member of the company is a splendid musician and a worthy member of society, each proud of his untarnished name. They have a repertoire of over three hundred songs and give a program of unusual variety, including solos, quartets, old plantation songs, negro melodies, and a great variety of the old fashioned jubilee songs.

From the success which has met their efforts this year the concert tonight will be highly entertaining.

Continental Travelers.

(Continued from last week.)

During the past year the real west, the prairie at once became our object of study and with great interest too. From Denver we switched to the south across the southwest, then to the United States to Los Angeles, Cal., then in the midst of the orange season. Here is the garden spot of America, which we enjoyed to the full. Our next "stunt" was to hike from Los Angeles, the "fair city" of Southern California to the "fair city" of northern California, San Francisco. We accomplished this feat in 15 days, covering a distance of 500 miles. Our course lay over the coast range mountains and through the San Joaquin Valley which lies between the Coast Range and the snow-capped Sierras of the mighty Rocky Mountain system. With our entrance into San Francisco we have completed one-half of our trip in triumph. All the way has been marked with success far beyond all our expectations and, even, our dreams. The results of the trip to our store of knowledge are wonderful, not to mention the experiences gained that will serve us well in life. If the last half of this adventure is as fruitful to us, in accordance with our purpose, as the half just closed, we will count it that the investment made of time and energy was well worth while.

Many have taken trips similar to this that are pursuing, with various purposes and I think it well to state briefly ours in view of the sacrifice we are making. It is two-fold: (1) To come into actual contact, in real life, with "Uncle Sam's" men and women; to meet them as they are and not as they are in their various walks of life; to study from many points of view their manners and customs, as well as their thought and ideas. (2) To see and know our own native land.

We are glad to say that we are realizing our purpose most remarkably, in our course thus far, without the aid of friends, and without the aid of funds—except such as may come from our own labor. Our sole resource lies in ourselves, in plain confidence in ourselves, as well as in human nature around us. We have thus most satisfactorily completed the first semester in the University of Adversity.

## FORMER STUDENT PROMOTED.

Charles A. Kram, ex-'93, of Milton, a law clerk in the office of the Auditor for the Postoffice Department, was recently promoted to the auditorship.

Mr. Kram received part of his education here and then graduated from the law school of Georgetown University, where he received the degree of bachelor of laws in 1893 and the degree of master of laws the following year. He has had wide experience and personal knowledge of the various kinds of work in the auditor's office, and is considered to be exceptionally equipped for his new position.

Y. M. C. A.

At the meeting of the Y. M. C. A. last week the following officers were elected: Pres., A. D. Waltz, '12; V. Pres., W. H. Miller, '12; Secretary, J. Fetter, '12; Treasurer, H. W. Smith, '13.

The leader of this week's meeting will be Professor L. Phillips.

## SENIORS VS. SOPHS

UNDERCLASSMEN WIN FIERCELY CONTESTED BATTLE, 31-28.

The Senior-Sophomore game, long predicted as the most hotly contested battle of inter-class series, failed in no respect to fulfill all expectations. The Seniors with four Varsity men and the Sophomores with an equal number clashed in a way to put even the closest of Varsity games in the shade. Still clinging with defeat at the hands of the Juniors shortly before the 1912 men played their hardest from the start; the Seniors, realizing that victory meant the inter-class championship went to the game even though it meant defeat at the hands of the Juniors. The "Sophs" outwitted the upperclassmen at the start. Pretty passing, which their opponents could not readily break up and sure shooting from under the basket did the pretty work. During the time, in which "Jawn" Kurtz managed to score one foul goal, for his team, the "Sophs" scored seven points. Seemingly unable to accomplish anything by scientific tactics, the Seniors started in to reach it up, with slightly better results. Still the underclassmen led, however and when the half ended, the score stood 16-11 in their favor.

The Seniors came back into the second half, strengthened by "Tubby" Thatcher. For a few minutes they played basket-ball and they really outplayed the "Garnet and Red" men. But soon they resorted to their rough tactics when the score stood one point in their favor. At this the "Sophs" came back and played their opponents close. Then things got red hot. The referee could not begin to call all the fouls and the men tumbled around the floor at a great rate in their eagerness to lay their hands on that precious sphere. The score was tied at 23-23. Thatcher scored, but Fischer did the same trick. Tie again. "Rhine" scored again and this time it was Zehner who balanced the score, 27-27. Just two minutes to play. Then it was that the 1912 men showed their opponents up. Fischer made a great goal on a long shot. Fetter repeated the performance just before time-up was called. A foul goal by Kurtz and the final score stood 31-28, with 1912 on top.

The contest was exciting to the extreme but was marred by the rough playing in which the Senior guards indulged all too freely. The "Sophs" for the most part played clean ball. Fetter and Fischer played a star game for their team, as did Clark for the Seniors. The lineup:—

| Foul Goals:  | Fetter 5, Kurtz 6, Referee—Bartholomew, 1912.                                     |         |

GERMAN SOCIETY GIVES PLAY IN BUCKNELL HALL.

The first of the German plays, which the Deutscher Verein has been preparing, was presented before the Verein and a number of their guests in Bucknell Hall on Thursday evening. The play was a decided success; all of the characters acted their parts in a most natural manner. The play was entitled "Versenzen" since the trouble was caused by too much salt in the soup. The cast was as follows: Arnold, Herr Kane, Herta-Seln, Voth, Fraunlein, McCuskie, Seiberg-seln Freund, Herr Davis, Wittkow-Gerichtarat, Herr Everett, Ulrike-seln Web, Fraunlein Dodson.

NUMBER 21

VOLUME XV.

ALUMNI TEAM  
DEFEATS 'VARSITY'  
GAME WAS LISTLESSLY PLAYED."Grads" Took Lead in First Half  
and Held It Throughout. Final  
Score, 36-28.

For the first time in years, the alumni of Bucknell defeated the Varsity in Tustin Gymnasium, on Thursday night. The game was extremely slow and lacked sensational play. The Varsity for some unknown reason never really got into the contest as they should and after the alumni took the lead in the first half, the undergraduates never again got the lead or even tied the score. Unfortunately for the Varsity, only three alumni came back and Palmer and Loewen of the Academy team, and had to be run in at forward.

1913 VS. 1914  
SECOND YEAR MEN WIN BY THE  
SCORE OF 25-19.

Wednesday evening the Sophomores met the Freshmen in their annual class game. Contrary to expectation, the Freshmen put up a fine article of basketball and there were times when it looked as though the "Grads" and "Stead" might go down to defeat. In one respect the game was entirely different than the others in the inter-class series, for clean basketball and not rough tactics prevailed. The Sophomores were handicapped by the illness of Peter who did not play the star game, of which he is capable.

Bell, of the Freshmen team, started the scoring and his goal was closely followed up by a foul goal made by Lyne. After this Zeiner dropped a basket for the 1913 men. This gave the Sophomores new life and they played with such vigor that, by the end of the first half, the score stood 13-7 in their favor.

In the second half both teams started in with a rush and until the latter part of the game the score was very close. Toward the end, the Sophomores' superior team work showed itself and they ran away with their opponents. The final score was 25-19 in favor of the Sophomores.

Stehler played a good game for the Freshmen. His work at guard was fast and showed that with consistent practice he will develop into a strong player. Zeiner starred for the Sophomores although his passing at times was erratic.

The lineup:—  
Sophomores Forward Goodwin  
Petter Forward Bell  
Fisher Center Lyne  
Richards Guard Schler  
Zeiner Guard Johnson  
Bernhart Guard Johnson  
Field Goals: Zeiner 6, Fischer 2, Petter 2, Richards, Bell 2, Stehler 2, Goodwin 2, Johnson 2, Lyne, Bell 2. Referee—Palmer, Academy.

## BASEBALL MEN OUT.

Those who have not been down to the "gym" this week to watch the baseball men working have missed seeing some good work. From the number of men who have already reported and have been practicing for the last few weeks, Capt. O'Leary will certainly be able to pick a good team. The position made vacant by Northrup and Ploz is bound to be vigorously contested for. Already there are seven out for a regular berth as Varsity pitcher, Danforth, Augst, Frantz, Hagman, Sprout, Talbot and Worthington. All these men are showing up strong and promise to make good. Other positions are being contested for in like manner and from all appearances we can look for a good season.

## DEMOSTHEANS ENTERTAIN.

COLLEGE GIRLS  
GIVE RECEPTIONA Large Number of Guests Were  
Royally Entertained at the Semi-  
nary.

The "College Girls," the big reception of the college year, was held in the Institute Parlor, Friday evening, March 17. As in former years, the decorations were beautiful, the effect of the whole being that of a small peach orchard. Enclosing the large central space was a picturesque gray stone wall over which leaned peach tree branches, pink with bloom, while in the green foliage of the ceiling, gleamed the lights shaded with masses of pink blossoms. There were about a hundred and seventy-five people present. The music for the evening was furnished by Miller's orchestra, from town. Refreshments were served in the Seminary dining room, which was decorated like the big reception rooms with branches of pink blossoms and pink shaded lights.

## PRESIDENT HARRIS ILL.

When President Harris failed to appear for classes last Monday, few of the students knew that he was compelled to be absent on account of sickness. Dr. Harris however had been feeling ill for some time and as conditions gradually grew worse, Dr. Nutt was summoned from Williamsport and diagnosed the case as appendicitis. The condition of the patient did not warrant an operation and other treatment was given. The latest word received this morning reports that Dr. Harris's condition is much improved. From developments it is quite likely that the President will be able to resume his duties with the opening of the new term, March 29, unless a sudden turn occurs for the worse.

## JUBILEE SINGERS

LAST LYCEUM NUMBER DRAWS  
LARGE CROWD.

On Monday evening the Carolinian Jubilee Singers rendered the closing number of the Y. M. C. A. Lyceum Course. There was a larger attendance present than at any of the former numbers, the seating capacity of the Methodist church, being taken to the utmost.

All through the course the students and town people by their hearty support have expressed their appreciation and satisfaction with the course. The Jubilee Singers were certainly of rare quality. The members of the company in their old plantation and jubilee songs displayed a bit of the life of the southern negro in a very pleasing manner. An interesting part of the program was the rendition of solos and readings which were of a high class. The pianist held the attention of the audience as few pianists are able to do.

## "GYM" EXHIBITION

"DOC" HOSKINS HAD NOVEL PROGRAM TUESDAY NIGHT.

Quite a few of the students witnessed the novel proceedings arranged by "Doc" Hoskins, Tuesday night. The first on the program was a contest by six men for the "B" awarded for excellence in "gym" work. Villalon, '11, John Harris, '12, Goodwin, '14, Carver, '14, Johnson, '14, and Ardyotte, '14, were entered. Work was done on the horizontal bar, parallel bars, horse and mat. At the end of the contest the judges announced that J. Harris, '12, was first and Goodwin, '14, second.

During the contest "Cen-h" had boxing and wrestling matches arranged. Schreiner, '12, was pitted against S. Harris, '07, and Dunkle, '12, against Richardson, '12, in boxing. Several of the men who were opposed in wrestling were Cornish, '12, vs. Arndt, '12; Teemer, '12, vs. Sweet, '11; Hooker, '12, vs. Winter, '12.

## JUNIOR SMOKER

SMOKER GIVEN IN GYMNASIUM  
AFTER ALUMNI GAME.

On Thursday night the Juniors gave their annual smoker in the gymnasium. The college band which was present for the alumni game ably assisted in making the smoker a lively occasion. Time and again they resounded to the call for music and helped to promote good cheer. The committee of which Schreiner, '12, was chairman, had amply provided their guests with pipes, cigars, etc., and everyone seemed to be having a good time.

## RETROSPECT.

At this time we are gradually approaching the summing-up period of our term's work. When we drew near to the time for examination last term, it was a question with some of us whether we were satisfied with the work we had done. This time we can tell still better whether we were measured up to the work we attempted or not. It is true that college is the testing ground for the man—a testing ground in more ways than one. Too often we look back on the days gone by and we are sorry that things are not as they might have been. The nearer one gets to graduation the more one realizes that this fact is true. However with others there is a feeling of satisfaction with what is and not a thought is given to what might have been. But let us ask ourselves the question "Which is the better attitude?" Shall we be satisfied with the retrospective view we see or shall we go on determined to attempt and master greater things? There is always a danger in satisfaction for then the man will sooner or later fail to meet his obligations. Can we not, as we look back over the work done, go forward with greater zeal to help ourselves, those about us and also help to bloom our Alma Mater?

## A GOOD RECORD.

The illness of our President has brought out the fact that this is the first time he has been forced to miss a class, on account of sickness. In forty years, and also that he has not required the assistance of a physician for thirty-nine years. When we come to think of this record, we must confess that it will be hard to find an equal.

Dr. Harris' interest in the college has been great and the place made vacant by his illness has been a hard one to fill. Not only were his classes to be provided for, but also his administrative duties had to be performed. So far everything has gone along well under his direction, for in spite of his illness he has had an interest in his work.

The student-body and the many friends of Dr. Harris unite in wishing his speedy recovery from his illness.

## APPRECIATION.

With this issue of the "Orange and Blue" the present staff retires. The year we have just finished has been one filled with its problems, just as the preceding editors have found. For the first few issues everything goes along beautifully, but sooner or later the "faithful few" are found. Each succeeding editor thinks he has chosen a staff which will heartily cooperate with him, but very soon, pressure of work etc. causes the retire-

ment of part of the staff to section from which they seldom appear. For this reason the suggestion has been made that those who care for a position on the college weekly staff compete and let the man who is interested and who will work have the place. This is the only way all the departments can be represented and justice done each.

The retiring editor wishes to take this opportunity to thank those who have assisted him in any way in publishing the paper during the year. He also takes pleasure in announcing that the new editor will be Stanley P. Davies, '12.

Students at Dartmouth are allowed to carry only fifteen hours' work per week. In case a student takes more than this amount he receives credit for the fifteen hours only in which he has the highest standing. University of Iowa boasts of a "Quo Vadis" club. One of their requirements for membership is a record of having traveled a thousand miles on railroads without a ticket.

At Montgomery and Herndon Prof. Bromley Smith lectured recently in the interest of progressive citizenship.

## PHILA. ALUMNI HOLD ENTHUSIASTIC BANQUET

EIGHTY-SIX "GRADS" PRESENT.

Notable Reunion Marked by Eloquent Speeches. Ambassador David J. Hill Present.

The banquet of the Bucknell Alumni Club, Philadelphia, on Friday evening, April 7th at the Commodore Hotel, was the most notable in its history. Eighty-six gentlemen surrounded the tables, and Bucknell enthusiasm was at high pitch.

The guests represented the history of the college for six decades. A son of each president except one was present. The toastmaster Dr. Albert R. Garner, '99, guided the spirit of the evening well.

Dr. Martin called attention to the need of the theory of variation to account for the differing personalities of the sons of Alma Mater. He briefly stated the place of personality in educational efficiency. Realizing this ideal in an important world, Dr. Martin had brought culture, travel, industry to the banquet.

SUSQUEHANNA TAKES VICTORY.

Varsity Outbats Her Opponents, But Then Again, Makes Some Costly Errors.

The local student-body, and players, who noticed with anxiety the unfavorable weather conditions during the past week did not anticipate with any great joy the opening of the season with Susquehanna University on Saturday. Nor were their fears unfounded. The game was listless and uninteresting throughout, the cold, chilly atmosphere affecting the life and action of the team, so as to cause the players to look and act like an assortment of automatons. The team, Saturday, had but two of last year's malcontents, but they were entirely of freshmen, who played together for the first time. To say, however, that the game was poorly played would be an injustice to the men. There were findings of fast and simple ball. This was especially noticeable as the game progressed. After the unfortunate second inning, the fellows knuckled down to business, and although they were unable to overcome the opposition's lead they won the last half of the evening's play. The story by innings:

1st inning: Campbell fans out, O'Brien draws a base on balls; Logan on base; O'Brien reaches 1st on an error; Patrick fans out; followed by O'Brien. No score.

2nd inning: Wordflow reaches 1st on an error; Augustus sacrifices, sending Wordflow to 2nd; Stocker hits safe, scoring Wordflow; Campbell reaches 1st on an error; O'Brien reaches 1st; Stocker thrown out at home; Campbell scoring on the play. Logan drives to short, O'Brien out at home. Two runs.

3rd inning: Logan hits safe; Patrick poked out at 1st; O'Brien walks; Wordflow fans; Augustus fans; Augustus flies to pitcher. No score.

4th inning: Stocker sacrifices out; Campbell flies to short; O'Brien flies to left. No score.

5th inning: Logan out at 1st; Logan hits safe, caught stealing; 2nd; Patrick flies out to left. No score.

6th inning: O'Brien walks; Wordflow fans; Augustus flies out to 2nd base; Augustus substituted for Stocker or drives to short, who throws O'Brien out at 2nd. No score.

7th inning: Campbell hits safe; O'Brien hits safe, advancing Campbell to 2nd; O'Brien steals 2nd; Logan hits to the infield; Wordflow thrown out at home; Zedner substituted for Logan drives O'Brien home; Patrick and O'Brien fan. One run.

8th inning: Wordflow reaches 1st on an error; Augustus sacrifices, sending Wordflow to 2nd; Stocker hits safe, scoring Wordflow; Campbell reaches 1st on an error; O'Brien reaches 1st; Stocker thrown out at home; Campbell scoring on the play. Logan drives to short, O'Brien out at home. Two runs.

9th inning: Campbell hits safe; O'Brien hits safe, advancing Campbell to 2nd; O'Brien steals 2nd; Logan hits to the infield; Wordflow thrown out at home; Zedner substituted for Logan drives O'Brien home; Patrick and O'Brien fan. One run.

10th inning: Wordflow reaches 1st on an error; Augustus sacrifices, sending Wordflow to 2nd; Stocker hits safe, scoring Wordflow; Campbell reaches 1st on an error; O'Brien reaches 1st; Stocker thrown out at home; Campbell scoring on the play. Logan drives to short, O'Brien out at home. Two runs.

11th inning: Campbell hits safe; O'Brien hits safe, advancing Campbell to 2nd; O'Brien steals 2nd; Logan hits to the infield; Wordflow thrown out at home; Zedner substituted for Logan drives O'Brien home; Patrick and O'Brien fan. One run.

12th inning: Wordflow reaches 1st on an error; Augustus sacrifices, sending Wordflow to 2nd; Stocker hits safe, scoring Wordflow; Campbell reaches 1st on an error; O'Brien reaches 1st; Stocker thrown out at home; Campbell scoring on the play. Logan drives to short, O'Brien out at home. Two runs.

13th inning: Campbell hits safe; O'Brien hits safe, advancing Campbell to 2nd; O'Brien steals 2nd; Logan hits to the infield; Wordflow thrown out at home; Zedner substituted for Logan drives O'Brien home; Patrick and O'Brien fan. One run.

## BASEBALL SQUAD LOOKS PROMISING

AN ABUNDANCE OF MATERIAL.

Team Had First Practice Under Coach "Bry" Dickson On Monday. Only Three Veterans.

The Susquehanna game on Saturday was the first test of the strength of the 1911 baseball nine. So early, however, was this game in the season, that the choosing of the line-up had to be more or less guess work and many shifts are probable before the close of the season.

Although Captain O'Leary has had the pitchers working indoors for more than two months, he has had no real opportunity to get a line on the new men. But with the arrival of Coach "Bry" Dickson on Monday of this week the first real baseball weather made its appearance. This is the first time for several years that Bucknell has been fortunate enough to enjoy the services of a professional coach. "Bry" Dickson, on Monday of this week the first real baseball weather made its appearance. This is the first time for several years that Bucknell has been fortunate enough to enjoy the services of a professional coach.

The most encouraging feature thus far, has been the superabundance of good material. The Freshman class has supplied more than its share of candidates, thus making up for its deficiency in football and basketball.

Of last year's regular team, only O'Leary at catcher, ex-Captain Loveland at short and O'Brien at second, remain. To take the place of Northrup and Pheasant, several new players are being added.

## PITT. ALUMNI BANQUET

"GRADS" WILL ASSEMBLE AT HOTEL HENRY, APRIL 12.

Bucknell alumni, in and about Pottsville, are planning to come together in a reunion at the Hotel Henry, on the evening of Thursday, April 12. Elaborate preparations are being made. Prominent speakers among the alumni will be those to make some good stirring Bucknell speeches and only a good attendance is asked by the committee to make the banquet a success.

GREETING.

Again a new staff puts its hand to the wheel to guide the destinies of the Orange and Blue around the circuit of another year. We must confess that our dreams for the work to be done, and the advances to be made in the coming year, are golden. If they fail to be realized, pardon them as a weakness of all new editors, who see before them only the glorious opportunities and are wont to overlook the troubles and perplexities which will necessarily arise. We will spare our readers a lengthy enumeration of all these golden-planned plans. Permit us to say merely that we consider our best only too little to put into our labors for the advancement of the Orange and Blue and our alma mater; but as much as our best is, that much will we willingly give, all for Bucknell. How far our efforts will be of avail only these pages can in the future testify.

We consider our motto, "A Square Deal for Everybody" not merely as so much print, but as a real, vital iron-clad policy which shall govern our attitude toward college conditions at all times. The Orange and Blue is above all a Bucknell paper which regardless of faction, must work only for the welfare of the institution as a whole. As such, the paper demands the hearty support and cooperation of the students and alumni. In such a way only can the true function of a college paper be realized. We wish every Bucknell student even though perchance his name should not appear in this column, to consider himself in fact a member of the staff, whose aid will at all times be appreciated.

THE ALUMNI BANQUET.

Nothing of more import to the future progress of Bucknell University can be imagined, than an alumni banquet, such as was held in Philadelphia on Friday night. Such a coming together of "old grads," whose many old college chums need for the first time in years, has a deeper significance than the mere pleasure which is realized in the renewing of these old friendships, however fine that may be.

An alumni banquet makes the alumni, as a whole, feel themselves to be in reality an integral part of the University unit, the activity and interest of which part, in college affairs, is just as essential for the welfare of their common alma mater, as that of the students themselves. Too often, the college is considered to be composed merely of faculty and undergraduates. Nothing can be better calculated to remove such an erroneous idea, than the alumni banquet. Only in Milton there is so much.

JONES-KROHN.

Miss Harriet Jones and Mr. John H. C. Krohn were united in marriage at Wilmington, Del., last Monday afternoon. Both the parties are residents of Sunbury. The bride was formerly a student of music in Bucknell Institute. Mr. Krohn has for some time been employed in the Pennsylvania shops in his home town. The marriage came as a great surprise to the many friends of Miss Jones here.

## WHY DID JESUS DIE?

To answer the question, Why did Jesus die? historically, we must observe the varying emphasis in the different books of the New Testament. The simplest answer is that given in the first three Gospels. According to the teaching of Jesus in these Gospels his death was the consummation of his life of love in winning men to God through association with himself. At the same time he would, if the will of God could be done otherwise, escape death; for it was the severest possible trial in that it seemed as if the companionship of God had been withdrawn. His death, including his life, was to free men from sin and to make them at peace with God.

The logical connection between the fact and its result Jesus did not expound; for he was not a philosopher, but a poet, not a Greek, but a Hebrew. The experience of history has demonstrated the ameliorating relation between man and the death of Jesus.

'VARSITY SUFFERS  
DEFEAT IN THE SOUTH

NAVY AND C. U. THE VICTORS.  
Bucknell's Defeat at Annapolis. The First in Several Years. Score 2-0.

Baseball stock at Bucknell received a severe jolt, last week, when the varsity journeyed South, to cross bats with Catholic University and Annapolis. It was hoped by many, that the warmer temperature of the South would bring out the required speed and speed, which was sadly lacking in all the exhibitions on the local field. Keen was the disappointment, when the returns showed that Bucknell had failed to register a victory, in either game. The scores were Catholic University 8, Bucknell 4; Annapolis 2, Bucknell 0. The Navy defeat was sorely felt, because the Varsity's record at Annapolis was an enviable one.

## The Catholic Game.

The Catholic University game was featureless. The day was unfavorable for baseball, being cool and damp, which added not a little to the general lethargic conditions of the times when his meant runs. The one redeeming feature of the game was O'Leary's home-run drive far over the center fielder's head, with two men on the bases.

If the reports are true, "Tim" drove the ball out in the bushes so far that the entire team could have circled the bases before the ball was recovered had the rules of the game permitted.

## The Navy Game.

The game was a marked improvement over the Catholic University contest. Despite the fact that the grounds were muddy and treacherous, notwithstanding the sprinkling of saw sand over the diamond, the teams put up an excellent article of baseball. The Navy's smothered a liner, that looked like a safe hit, throwing the man out at first was one among several plays that won the applause of the spectators, and kept the Middies on the jump all through the game. The Navy's left fielder, Osborne, robbed Zehner of a sure three bagger, by a sensational over-armed catch. Bob Hagan pitched for the varsity and his efforts deserved better success. He allowed but six hits and with the exception of the fifth lining they were well scattered. Zehner at first, played a good game considering the fact that he is now at his position. Here, as was also noted in the Catholic game, Bucknell failed in effective stick work. The Middiesmen, on

the other hand, hit for two singles in the fifth and coupled with a base on balls and a wild throw netted the Navy enough tallies to win the game. The score 2-0.

BUCKNELL LUNCH  
IN QUAKER CITY

ALUMNI CLUB INVITES MEMBERS.  
"Bucknell" is Pass Word at Colonnade Hotel, Philadelphia, Every Monday.

ALL BUCKNELL MEN, whether Academy, college, matriculate, special or extra, who come to live within a radius of seventy-five miles of Philadelphia, are cordially invited to join the Bucknell Alumni Association of Philadelphia. The procedure is very simple. Ask personally or through some one you know to have your name enrolled on the registry. This is kept by the officers of the club and they will enter your name and address. You will then receive notices from time to time of the smokers, excursions and of the annual meeting. The membership fee is included in the subscription price of the annual directory. Or write a letter to the secretary of the club that you wish to receive invitations. Be sure to keep the secretary of the club informed of your address as he has no other way of learning it.

On every Monday at noon, if you go to the cafe of the Colonnade Hotel, Fifteenth and Chestnut Streets, Philadelphia, and say "Bucknell" to the waiter he will seat you where the Bucknell men gather for lunch. The system of paying for your lunch is that known as "Dutch." For the sake of unifying the Bucknell men, we call the Colonnade Hotel cafe, the Bucknell headquarters and it will be continued as such so long as satisfaction is manifest. You will find among the Bucknell men at the lunch hour on Mondays, every Monday, a warm and cordial welcome. A Bucknell man will not feel himself a stranger at that hour and place. Say "Bucknell" to the waiter and you will see for yourself.

If you have had any difficulties with fellow students while at college, such differences are classed as "Nursery Troubles" and have no consideration among the members of the club.

## LOWERY MEMORIAL

TABLET TO MEMORY OF NOTED ALUMNUS UNVEILED.

At the Easter services of the Park Avenue Baptist church of Plainfield, N. J., yesterday morning, was unveiled with most impressive ceremonies, a beautiful bronze tablet, inscribed to the founder and first pastor of the church the late Rev. Row Lowery, D. D. The tablet was presented by the members of the church and is a token of their appreciation of the inestimable work of Dr. Lowery in their midst.

The late Dr. Lowery is one of Bucknell's most noted alumni. Graduating in the early class of 1854, he spent several years here when the classes of the institution were held in the basement of the old Baptist church, immediately upon graduation, he was ordained into the Baptist ministry. After successfully filling several charges, he accepted a call from the University to the professorship of Rhetoric, and at the same time the call of the Baptist church to be its pastor. In 1875, after six years of successful work here, he retired and took up his abode in Plainfield where he was active up until his death in Nov. 1899, in the work of the Park Ave. church.

Dr. Lowery has gained particular renown as the writer of hymns. Such familiar songs as "I Need Thee Every Hour," "Where Is My Wandering Boy Tonight," "One More Day's Work For Jesus" and many others, are of his composition. He is also the composer of several Bucknell songs, published in the song book of the class of 1897. He was a prominent member of the Phi Kappa Psi fraternity, delegates of which organization attended the services of the unveiling of the tablet yesterday.

## PROFESSOR PUBLISHES ESSAY.

The Meaning of History, an enlightening article, written by Henry Thomas Colestock, Ph. D., published in the Baptist Commonwealth of March 30, has attracted widespread attention. The article reveals the liberality of Prof. Colestock's learning and stamps him as a master in his work.

Prof. Colestock calls attention to the fact that in recent times a new conception of history has emerged. History is the unfolding life-experience of the race. All sections of the human race have started in low, savage conditions and their history is their life-experience in rising from savagism to enlightenment. This conception of historical study has been a large factor in producing modernism in religious thought. Only in the light of historical study based upon the evolutionary conception of the life of the race can the problem of unity in Protestant Christianity find its solution. Redundancy of religious organizations in any community brings weakness. Only by uniting in the smaller towns and villages can a danger to freedom of thought, a distinctive Protestant characteristic be averted.

## CHEMICAL SOCIETY.

The Chemical Society will meet in the laboratory on Friday afternoon of this week. The subject for discussion will be photography. Hugette, '11, will speak on the camera and its uses and Rice, '11, will speak on the developing of plates and papers.

## DR. HILL RESIGNS

WILL LEAVE POST AS AMBASSADOR TO GERMANY.

From the White House at Washington on Saturday came the announcement that David Jayne Hill, '74, Ambassador to Germany had resigned his post and that his resignation had been accepted by President Taft. The resignation will not take effect until July 1.

No reason has as yet been published by Dr. Hill for his resignation and

## 1912 L'AGENDA

YEAR-BOOK HAS BEEN SENT TO PRESS.

The 1912 L'AGENDA has been sent to press. That which looked so doubtful only a few months ago has been realized and the Junior class will have a publication, fit to rank with any of former years. On Jan. 27, Editor Waltham assigned the work to his various associates and on last Tuesday, April 11, the last of the material was mailed to the publishers, a remarkable time, in which to complete such a vast amount of work.

And this has been done moreover, without any sacrifice of the usual features of the book. In fact many new features will appear this year. For instance, Ambassador David Jayne Hill mailed from Berlin, an article on "Why Germany should be studied in America," which will be printed in full; there will be a complete history of basketball at Bucknell, including an article on the origin of basketball and reminiscences of the first basketball days here by one of Bucknell's early quartette stars, "Five and Twenty Years" is the title of another noteworthy production, which traces the noble work which three of our professors have accomplished in a quarter century of loyal work at Bucknell. These are only a few of the many "stunts" which will appear. The art work is exceptionally good and original in its idea. The illustrations will be scattered lavishly throughout.

Manager McNall expects to have the first installment of books arrive about May 29, somewhat earlier than he had at first hoped. The book is being published by the Grit Publishing Company of Williamsport, the firm which put out last year's L'AGENDA.

ALUMNI BANQUET  
IN SMOKY CITY

HULLEY ELECTED SECRETARY.  
Hotel Henry Was the Scene of Rousing Reunion. Good Cheer, a Plenty.

In the private parlors at Hotel Henry, the Bucknell Alumni of Western Pennsylvania, held a rousing good smoker on Thursday evening, April 13th. Despite the heavy rains, quite a goodly number were on hand. Enthusiasm and good cheer prevailed, and many a merry college tale was passed around the festive board by men of different classes, to the huge enjoyment of all present.

After the excellent menu had been justly dealt with, President Wassell, '00, called upon several prominent Pittsburgh Alumni for short addresses. The speaking was followed by a business session. Among other business was the election of E. B. Hulley, '07, as Secretary.

Mr. Arthur Love, a professional entertainer and composer of note, then entertained for about an hour with his enjoyable repertoire of recitations, songs, and selections on piano, violin and banjo. As a fitting finale, all joined in a melody of old Bucknell college songs.

TWO YEARS WORK.

Rev. J. W. Green, '06, of Bucknell, yesterday celebrated his second anniversary as pastor of the Hebrew Baptist Church of Philadelphia. His work there has been a wonderful success. The church two years ago, was in a rather lax condition but through his hard work it is now prospering beautifully. He has added more than seventy-five members to the church roll.

L'AGENDA.

All Bucknell students, and particularly the members of the Junior class, should have a great sigh of relief at the announcement that the 1912 L'Agenda has at last gone to press.

That the great possibility of having the year pass without any Junior publication, which seemed so great early in the year, has been avoided and that no wanting link has been left in a long chain of Bucknell year-books, is a cause for much rejoicing.

Great credit falls upon those who were instrumental in bringing the class together on the book, and to the editor, his staff, and the manager, for the remarkably short time, in which they completed the work on the publication.

INTER-FRATERNITY EASEALL.

At Brown a regular inter-fraternity baseball league consisting of a series of forty games has been organized. In past years, different organizations at Bucknell have occasionally met for a friendly contest on the diamond but no regular schedule including all fraternities has been adopted. Why should this not be possible? Games could be arranged for Saturday mornings and the afternoons when the 'Varsity is away on the trips. This would give many a man of mediocre ability who cannot consider himself in 'Varsity class a chance to enjoy the great national sport. Why not have developed from every organization get together and form such a league?

Why did Jesus rise from the dead?

Of the sources we may say this: they gave a general agreement; they are consistent and non-spectacular in style; they are not a syncretism.

The evidence for an answer to our question is two-fold: authority and reason. The authority is the testimony of the early apostles, the value of which depends on one's opinion of these apostles. The reasons are three: the uniqueness of his personality suggests, if it does not prove, a unique experience; the manifestation in him of God who rules the universe leads us to expect power enough to conquer the greatest enemy of humanity; a person perfect in that love which is the goal of the universe should triumph in this world.

Jesus rose from the dead because of what he was. The resurrection can be understood only in the light of his personality. The early church because of its world-view sought to evoke faith by presenting the resurrection; we because of our different world-view regard the resurrection as the climax of faith to which we come by an understanding of Jesus' unique and transcendent personality.

BUCKNELL LOSES TO  
MANHATTAN COLLEGE

VISITORS WIN GAME IN NINTH.

Two Clean Hits Together With a Sacrifice Did the Trick. The Score 1-0.

After eight innings of a most stubbornly fought battle, in which the visitors failed slightly in solving Daniel's delivery, Manhattan College on Thursday, won out in the ninth inning by securing two clean hits—the only two to their credit in the entire game. It was a hard game to lose, for the visitors at no stage of the game showed any better form than our men. On the other hand, Bucknell registered more hits and strengthened by Fred Daniel's excellent pitching, certainly made things look as though the game was coming our way. It is quite evident from the record our team has made thus far, that the "mud hit" foot is not in our camp. Another fact that may have materially aided in making the contest a close one was the muddy ground, which the rains of the preceding day and night caused, thus making fast and speedy playing impossible.

Strengthened considerably by the addition of Loveland, last year's captain, and third baseman Raftery, formerly of Mercersburg Academy, the varsity went into the contest with plenty of vigor and confidence. There were times when the visitors threatened the home plate, when the big "Moose" was a little muddled, but in every instance Capt. O'Leary was equal to the occasion, and, ably supported by his men, shattered Manhattan's hopes.

It looked very much as though the varsity would score in the sixth inning, when O'Brien, Logan and O'Leary got to bases on balls, thus filling the bases. There was but one out and Zehner at bat. The spectators were on their toes, many of them cheering; the rest were adjusting their faces into hopeful smiles of anticipation. "Waiter" lifted the ball out to right field while O'Brien and Logan dug for the bases, but the right fielder shot the ball over to the second baseman who caught Logan off the bag, retiring the side without a score.

For eight innings the spectators watched the two teams fight to a draw. Up to this time Bucknell had been making a record for Bucknell by pitching a no run, no hit game. The other pitcher, Thompson was also effective and it looked in the minds of many of the spectators as though our men would be the only sure outcome. Just then something happened. Westley drove a liner to right field, Desbrau sacrificed to second, and Hurley brought him home with another smash to right field. In our half of the ninth, Bucknell tried her best to lose the ball on the campus, somewhere beyond Manhattan's reach, but there was nothing doing, and Daniels, who hit safely to right field, did not score.

Both teams suffered by the injury of one of their team mates through accidents. Worrlow was injured at first base as the result of a fall. Connolly of Manhattan college, was hit in the neck by a pitched ball.

**Game by Innings:**  
1st Inning: Loveland flies to first; O'Brien hits safe; Logan follows with a single, advancing O'Brien to second; O'Leary flies to center field; Zehner out at first.

2nd Inning: Daniels strikes out; Campbell and Raftery ground to short who throws them out at 1st. Loveland grounded to the pitcher, thrown out at 1st; O'Brien hits safe, steals second; Logan flies to right field.

3rd Inning: O'Leary flies to first; Daniels to center field, Daniels strikes out.

4th Inning: Campbell out at 1st; Raftery flies to left field; Hagan flies.

## DEATH CALLS

FRANK C. McNAIR

Senior Succumbed to Williamsport Sunday Evening. Had Completed Work for Graduation.

Frank Clarence McNair, '11, of Philadelphia, passed away last evening at Coopers Private Sanitarium, Williamsport, following an operation for intestinal trouble, with which he had been suffering for several weeks. At his bedside, when death came were several of his friends and friends, but none of his relatives. When McNair's condition became serious, several telegrams were sent to his folks, but all attempts to get word to them before death came proved unsuccessful. The death of their son will place a double affliction upon the unfortunate family, in that the father is lying close to death's door, and may at any moment pass away.

## QUARTET CONCERT

TO BE GIVEN IN BUCKNELL HALL WEDNESDAY EVENING.

As announced last Monday, the Bucknell Male Quartet will give a concert in Bucknell Hall on Wednesday evening of this week. The quartet consists of Van Osten, First Tenor; Carpenter, Second Tenor; Gross, First Bass; Lloyd, Second Bass; and Pettor, Bass.

Some have been fortunate enough to hear them. To these they need no introduction. Those who have not heard them as a quartet, at least, know them as individuals. Each has done considerable work in his line, and with the hard practice and training that Professor Stolz has given them, they are sure to furnish an enjoyable evening.

Do not think that we have no superior musical talent at home. We have. Like Conwell's "Acres of Diamonds," they are right in our midst. If we will only realize the fact, they have an interesting and varied program as many a quartet that has traveled for years. The program follows:

**PART ONE.**  
1. Hunter's Chorus . . . . . Hervey Quartet.  
2. Solo (a) Christina . . . . . Penn (b) Absent . . . . . Metcalf (c) The Woodpecker Nests (d) Mighty Lak a Rose Nests (e) Mr. Van Osten.

3. Love's Dilemma . . . . . Richardson Quartet.  
4. Reading: "How Columbus did not discover America" . . . . . King Mr. Fetter.

5. Rosalie . . . . . De Koven Quartet.  
6. Bugle Song . . . . . Hatton Quartet.

7. Solo (a) Aus Medien Grossen Scherzen . . . . . Franz (b) Der Wanderer Scherzen (c) Little Boy Blue . . . . . Joyce (d) Forgotten . . . . . Cowles Mr. Lloyd.

8. Reading . . . . . "Welcome Home" Mr. Fetter.

9. Duel, "Love of Jesus" . . . . . Pike Messrs. Van Osten and Lloyd.  
10. (a) "The Moon" . . . . . Gehl (b) "Good Night" . . . . . Gehl Quartet.

## BUCKNELL BAND BUSY.

Through the kindness of Mr. Thomas Lohr, father of Griton Lohr, '08, the band is again ready for business. Mr. Lohr has loaned his son's bass horn to the organization to take the place of one which was surreptitiously appropriated last term.

As Mr. Grande, the present bass horn player, will graduate in June he wishes a successor to qualify this year and will permit any volunteer to practice on the horn.

**TRACK SCHEDULE**  
FIVE MEETS DEFINITELY ARRANGED. POSSIBILITY OF OTHERS.

Manager John Roser, of the Varsity track team, has now made final arrangements for the spring meets and has had the dates ratified by the Advisory Board. Only Gettysburg, whom the Varsity has met on the circuit path regularly for a number of years, is yet unheard from. Negotiations are being carried on with them at present and the possibilities are that a date be arranged.

Dickinson, an old standby on the track schedule will not be met this spring for the first time in years. The meet which was scheduled with them has been called off by the advisory board.

Although not competing at the Varsity Carnival at Pennsylvania, Bucknell will again be represented in the inter-collegiate at Harrisburg, in which the Orange and Blue track men made such a good showing last year. The inter-class and Freshmen-Sophomore meets will be run off as usual. The new colleges, who appear for the first time on Bucknell's track schedule are Pennsylvania State and Colgate. With the former institution athletic contests have been held but every line of sport except track and the meet this spring will round out the relations with them. Colgate is entirely a stranger to Bucknell as far as athletics go, in arranging this date, Manager Roser opens up the heretofore closed relations with them. The dates as now arranged follow:

May 6, Penn-State at State College  
May 12, Inter-class Meet Lewisburg  
May 19, Colgate at Hamilton, N. Y.  
May 27, Inter-collegiate at Harrisburg.  
June 2, Sophomore-Freshmen Lewisburg.

**DICKINSON GAME CALLED OFF.**  
A recent action of the Advisory Board of the Athletic Association, has caused the Dickinson game, scheduled for the college campus, next Saturday, April 29, to be called off. It is not likely that any other game can be arranged, to substitute for this contest.

**FRESHMAN DECLARATION.**  
The annual declaration contest of the Freshman class will be held in Bucknell Hall on Friday evening, April 28th. A varied program interspersed with music has been arranged.

**ANNUAL SOIREE**  
A BRILLIANT SUCCESS  
"THE CLASS PLAY" PRESENTED.

On Saturday evening, April the twenty-second, the Fourth Year class of the Institute gave its Annual Soiree. The Program opened with the usual march when the members of the class, marshalled by two seniors, entered, Miss Hollingshead playing the Coronation March from "Le Prophece". This was followed by the "March Militaire" by Schubert, played by Misses Rittenhouse and Matthews. Between the acts Miss Radack entertained the audience with popular selections.

The play, entitled "The Class Play," was elaborated and rearranged by the girls themselves and it certainly was a credit to them. The production was under the direction of Miss Edith Schilling and much of the success was due to her enthusiasm and personal effort.

The scene of the first act is laid in the den of Nell Power's home. The girls have learned that a wealthy friend will give them one thousand dollars toward their fund for the gymnasium if they will raise half the amount. As a result they plan to give a class play. "Bunny" agrees to take a man's part until her unexpected meeting with Nell's brother. In the second act the members of the class are in Dave's room, making the costumes and preparing generally for the play when Dave's Aunt, Mrs. McNair appears. The girls misjudge one of their class mates, Ruth Hagger, and in the third act they discover what a fine girl she really is. In the fourth act they discover that the night of the play "Heavy" falls to take her part and Ruth takes her place. That night after the play the manager tells them that they have cleared six hundred dollars and that they have won their one thousand dollars. The play closes with a progressive-dinner party in Mrs. McNair's cottage on Commencement day, two years later. At the close of the girls announce their engagements, "Bunny" to Mr. Powers, "Heavy" to her friend Bob and Dave to Joe. After they recall college days they each give their plans for the summer and finally give a toast to the class and to all.

The cast was as follows:  
Madeline Stone—(Dave)—Ruth Roy-al.  
Constance Kemper—(Heavy)—Marg-aret.  
Ella Bergey—(Grosch)—Eleanor Pros-er.  
Ellen Perry—(Gladys)—Isabelle Wolfe.  
Dot Lindsey—(Short)—(who owns a small sister)—Nellie Folmer.  
Frances Minor—(Bunny)—Elizabeth Helsing.  
Marie Emerson—(Cate)—Blanche Henderson.  
Ruth Hagger—(Katherine McCoskey).  
Mrs. McNair—(Dave's aunt)—Mary Starook.  
Aunt Lane—(a Junior)—Frances See-ley.  
Edward Powers—(Nell's brother)—Ruth Hoffa.

**CHAS. SHORCKLEY DIES.**  
Charles C. Shorckley died suddenly last Friday at Pittsburg of acute pneumonia. He entered Bucknell in 1899 with the class of 1903 but dropped out at the end of his junior year and finished in 1906, graduating Sc. B. After leaving here he took a course in engineering at Lehigh University. He played on the Varsity football team his last year here and was a prominent member of Lehigh's eleven. Funeral services were held this afternoon from the home of Mrs. Shorckley on South Third street.

OUR LOSS.

Feelings of the deepest sorrow

overwhelm us as we find it necessary

to announce the death of our fellow

student and co-worker, Frank C. Mc-

Nair. Our alma mater sustains the

loss of one, who was her loyal son,

always enthusiastic for her welfare

and always proud to own her name.

As a friend and school-mate, his

loss is irreplaceable. Ever faithful

and true, a good counselor and a

jolly companion, we can find no

words with which to express how

deeply his departure from our midst

will be felt. When we consider that

but a few short weeks ago, he himself

wielded the editorial pen, which now

we use to write of his death, we can

hardly bring ourselves to realize, that

he is really departed to that land

from which there is no return.

Our heart-felt sympathy goes out

to the bereaved family in being

deprived of the one in whom they

had placed their cherished hopes, who

sacrificed to give their boy a college

education; especially to the mother,

who now has to bear up under the

weight of a double affliction.

\*\*\*\*\*

COMMUNICATION.

Where are the men who were last

fall given the great honor to be

elected cheerleaders? Do they think

that Bucknell students have lost that

invaluable right of all college

men to yell and support their team?

Was not a glorious fight, such as the

'Varsity made against Manhattan, worthy

of the best of cheering? Is a

State game the only time to show

some spirit? The fellows are there,

they have the spirit; they want to

yell. But where are the men whom

they have chosen to lead them? We,

fellows, who sit on the hill are not

"muckers," but everybody has got the

shilly and the "nerve" to get up and

call for some yells. It is up to those

fellows who were appointed, to get

busy, or see that somebody takes their

place.

A Loyal Fan.

\*\*\*\*\*

After a lapse of several years we

hear once more of a Bucknell Male

Quartette, which will not only sup-

ply home entertainment, but will fill

extensive engagements throughout the

state. Bucknell certainly should be

represented in the field of music, as

well as on the athletic field.

\*\*\*\*\*

We note from our exchanges, that

Ohio Wesleyan is troubled with an

athletic deficit, and that the students

there are initiating a movement, to

have a compulsory athletic fee placed

upon the college bill. Being in the

same boat, here at Bucknell, we can

extend our most hearty wishes for

success to the Ohio Collegians.

## BUCKNELL MEN HONORED.

Winfield S. Booth, '08, and Radcliffe, a former student in the Academy, have been chosen as two of the seven men to represent their class of 1911, on the platform, at the Commencement exercises, of the Crozer Theological Seminary, on June 7. Booth, was also a Commencement speaker at Bucknell.

## URSINUS HERE THURSDAY.

Besides the two games away from home, this week, at Cornell and Elmira, the Varsity will meet Ursinus, on Thursday, at Lewisburg. The Collegeville boys have an unusually strong combination, and they have been winning everywhere. Not the least of their victories was the one over Princeton, early in the spring.

## DICKINSON RELATIONS.

The reports from Cattle in the papers, that Dickinson called off athletic relations with Bucknell, because the latter would not adopt the four year eligibility rule, are false. Bucknell does, most decidedly observe the four year rule and has done so for a long time. Bucknell took the initiative and called off athletic relations with Dickinson, because they very discourteously cancelled a football game already scheduled with us to take on a game with Pennsylvania. Bucknell by the way had the offer of this date first but the manager turned it down because he did not deem it worthy of our institution to be so discourteous as to cancel the game previously arranged with Dickinson.

The cheering at the Ursinus game was good. But we pity some fellows who are afraid to open their mouth, except to knock the team. The cheering must be a hundred per cent better next week. Everybody yell!

We are proud of our Phila. alumni. They are a faithful band and the influence of their weekly gatherings in booming Bucknell cannot be overestimated. We hope that still more Bucknell men will turn out to partake of their "casts" on Mondays.

## TRACK GOSSIP

"FLEET-OF-FOOT" ARE DIGGING CINDER PATH HARD.

From all indications, the "Varsity" track team of this spring will be of the usual good calibre, composed of men of ability, who can be depended upon to make a good showing. With the State meet not far off the men are training hard under the direction of Coach Hoskins. While handicapped this year by the loss of McDonough and "Cy" Butt, who were both record holders, it is still very possible that among the new men, some will be found to take their places.

Fairchild is showing his usual good form and many are looking for him to break a record in the half mile event. Rosart also shows up well at this distance.

Of the distance men only Ballard is left from last year but the new men, Rife, Richards, and Durrell are proving themselves to be worthy of notice.

In the quarter mile Roberts, Everett, Johnson, and Welches, all seem to be good material, and it is more than likely that from this aggregation, one can be picked, who will represent the college to its best advantage. In the hundred yard dash there are also many promising candidates among whom are Glover, Arndt, Jordan and Kiskely. These men have been materially aided during the past week by some inside coaching from McDonough, '10.

Duffon is showing up this year as well as ever before in the high and broad jump and in the hurdles. Waycott and Dunkle also seem to be good.

Captain McAllister, Zehner and Tyson are all doing good work with the weights, so that it will be a close race between them for first place on the Varsity. Thatcher is the only man who has made a bid for a place in the pole vault although there may be some men who will come out later.

Frank M. Jenner, '10, holds a business position with the Gillette Co., Cortland, N. Y., and may be addressed at "The Messenger."

A. K. Dettler, '09, is the present District Attorney of Northumberland county.

# STUNT NIGHT AT NORTHFIELD.

One night during the Northfield conference is given over entirely to athletics. This is known as stunt night. Each delegation dresses in some distinctive fantastic costume, and parades in lock step to the auditorium, where cheer after cheer is given. After the general cheering subsides, the roll is called, of all the colleges having four or more delegates present. Each delegation called responds with one of its college yells.

If the delegation numbers more than eight they also give a college song. Still larger delegations are permitted to do a stunt. When a delegation has finished its response, it is given a cheer by the entire assembly. Then there is a patriotic address by some renowned speaker and the enthusiasm is so great that he is continually interrupted by cheers.

Just as the delegates rush from the auditorium a large pile of oil soaked wood is lighted. It would be hard to imagine a more wild and at the same time more enthusiastic scene, than a thousand fantastically dressed students, in an old time snake dance which only dies down with the dying embers of the bonfire.

# GETTYSBURG MEET SCHEDULED.

# TO POINT OUT THE REASON

We have cured a man of Ready-made habit through the tailoring we are producing. They cost no more than the good ready-to-wear kinds but they give you individuality of appearance and an air of prosperity that goes hand in hand with well made tailored-to-order clothes. We have over six hundred fabrics which will make your selection sure. Our style sheets show what is strictly proper for Spring Wear.

## WAS JESUS DIVINE?

The second question propounded by the Bible Class is, Was Jesus Divine? The scientific method of answering this question is to sift the data of the New Testament, to deduce from the data what Jesus was, and then to see whether the word, divine, suits this conception.  
The earliest sources present Jesus as the sinless Messiah who had a unique relation to the Father. What constituted that unique relation they did not define. Paul and John add to the common picture of the earliest sources, pre-existence and deity. In estimating these contributions of Paul and John we should keep in mind the atmosphere in which they originated; for Paul and John had to correct pre-conceptions that were not within the horizon of the earliest sources.  
Our data will not allow us to classify Jesus with other men in his relation with God.  
To describe his uniqueness, perhaps the best we can do, is to say he was divine.

ELECTRIC BELL SYSTEM  
FOR 1911 MEMORIAL

ALSO "OLD GLORY" FOR DOME.

Contract to be Completed by June 15. Historic Old Bell Rings Last This Term.

Ring out the old, ring in the new. With the opening of the next term of Bucknell University, no more will the old-fashioned school house bell on West Wing peal out its mournful tones calling the weary one to class and suggesting an air of classical antiquity about the learned precincts of the old college. A system of electric bells will monotonously whirl out the passing of the hour in a quite modern manner and in keeping with the statement in the catalog that Bucknell is a twentieth century institution. This is the plan of the class of 1911 for a class memorial according to the decision of the Memorial Committee at their meeting on Wednesday evening. To fill another "aching void" and to leave here something in the way of a visible memorial as well as the extremely practical electric bell system, the class will also present a large flag to the University, so that "Old Glory" may float to the breeze from the central dome on college hill, where now stands an empty flag pole.

The bells will be regulated by an electric clock which will be placed in the library. Small bells will be placed in every class room, laboratory and engineering room of the University, while upon the top of Main Building the dome will be enlivened and there will be placed a large gong which will sound its summoning notes to the college in general. In an interview Manager MacAnulty, chairman of the committee, said that work would be started upon the memorial almost immediately and that the contract is to be entirely finished by June 15, before Commencement.

The members of the Memorial Committee, are: MacAnulty, chairman, Loe, E. A. Snyder, Huston, Tyson, Grondie, Kase, Saml, Huysen, Schlo, App, Pugh, Trauger, Miss McGinn, Miss Ryan and Miss Pyle.

It was an easy victory which Villa Nova took home with them after their exhibition on the local diamond on Thursday afternoon when Captain O'Leary's men presented them, figuratively and almost literally, with a 13 to 2 victory.

This was the third consecutive game for Pitcher Talbot and he surprised even those who knew the true condition of his arm by lasting as he did until the seventh inning when he was succeeded by Worthington. The latter also did excellent work considering the support accorded him. The playing of the balance of the team, with only a few exceptions, fell far short of the usual standard, for which there could be no possible excuse.

Owing to an injured hand Captain O'Leary started the game on the initial sack, Zehner taking the position behind the bat where he showed good form.

After Villa Nova had scored one run in the first inning O'Brien, who headed the list for Bucknell, smashed a terrific drive into the left corner seemingly for two or three sacks, but the crowd, with shouted breath, saw it safely secured by the left fielder as "Porky" rounded second.

In the fourth inning, during the visitor's swat-fest, Flaherty connected squarely with the ball and, handicapped by an injured foot, ejected the bags before it was returned from across the railroad track where it had landed in a back yard.

Finally in the fifth session Bucknell made a sudden spurt and by means of an error and a safe hit scored two runs.

From the fifth inning until the close of the game, the spectators were treated to an almost endless and incoherently variety of errors, which fortunately terminated in the last half of the ninth inning—thanks to the all-wise provision of the rule-book.

ALUMNUS' FIFTH RE-ELECTION. With no opposition Fred W. Robinson, '98, President of the State Educational Association, was re-elected superintendent of the public schools of Bethlehem, Pa., for the fifth consecutive time, at the meeting of the school board of that city on Wednesday.

FRANK K. MCNAIR. On Thursday morning at 3:30 o'clock Frank K. McNair, father of the late Frank K. McNair, '11, passed away at his home, 1345 R. R. House St., Philadelphia, in the 59th year of his age.

ALPHA SIGMA VS. FORUM. On Saturday the Forum and Alpha Sigma baseball teams played a game which ended in a draw, 11 to 11. Time alone kept the score low. Eisemenger's fielding was spectacular.

## BUCKNELL MEN SPEAK.

Last Friday evening Tyson, '11, after an appropriate address, presented the diplomas to the graduating class of the Turbotville High School, Cranford, ex-'12, as the Principal of the school has won the good will of the students and the townspeople. After a preliminary program by the graduates Prof. Robinson Smith gave the annual Commencement address.

## JUNIOR ORATORY.

The annual contest of the Junior class will be held on Friday evening. As usual the productions will be original. This year the contestants have been restricted to topics suitable for an educational gathering. During the following week other members of the class will present their annual debate.

## HARRY O. NEWCOMB, '78.

Harry O. Newcomb, '78, president of the Mechanical National Bank, in Millville, N. J., and one of the best known lawyers in Cumberland county, died in a physician's office in Vineland, N. J., on Friday night. His death was probably due to heart failure.

## ANOTHER DEFEAT

VARSITY LOST ONE-SIDED CONTEST THURSDAY EVENING.

BUCKNELL MINSTRELS  
ARE COMING

ANNUAL EVENT TO BE RESUMED.

Able Direction Assurance of Quality of Show. The Olio a Feature of the Program.

For the first time in three years the "Darktown Brigade" is again busy arranging its exhibition for the eager populace of Lewisburg. The minstrel show was once an annual affair, but since the destruction of the Opera House interest has lagged. This year the performance will be given in Commencement Hall and a good, old hearty laugh will be assured all who attend.

The boys have worked hard under the direction of Prof. Stolz and Miss Schillinger. To those who know the quality of these able directors, no further comment on the quality of the Minstrels will be necessary.

The six and men, Little, '11, Sprout, '11, Bliss, '12, and Talbot, '12, are all experienced in minstrel work and know their parts well. They have only the newest and latest jokes as of course, no old ones are allowed.

The Olio, "Countdown Justice," is, to state it mildly, enough to make a horse laugh, and so is surely enough to make a few fan seeking people at least smile. Little is the chief actor in this part, and if there is anyone who doesn't know his abilities in comedy, let them take this opportunity to find a real comedian.

The chorus has been trained by Prof. Stolz and will give some of the latest popular songs.

Now, if you have not had a good laugh for some time, come out Tuesday night and you will be richly rewarded. Remember the time, 8 P. M., Tuesday, the Place. Commencement Hall, and the girls—well you know best.

## TWO GAMES THIS WEEK.

Two Varsity baseball games are scheduled for this week. Washington and Jefferson on Thursday and Gettysburg Saturday. The former nine has been meeting with success in its contests in the western part of the state, but has not as yet tested its strength against the eastern teams. Gettysburg's diamond squad is of about the same caliber as in former years.

## 1912 L'AGENDA

YEAR-BOOK IS NOW ON SALE.

MANY ATTRACTIVE FEATURES.

The 1912 L'Agenda has arrived. The book, far from being a makeshift, as was feared, is quite up to standard and in many respects surpasses the publications of former years. The illustrations are unusually good both in their artistic work and in originality of design. The cuts, too, show superior workmanship and have been arranged in very attractive form.

The "features" are not lacking, the history of basketball at Bucknell and the letter from Ambassador Hill being of rare interest. The literary department is well filled with excellent material. The book is dedicated to Dr. Enoch Perrie, in recognition of his twenty-five years of faithful work at Bucknell.

Copies of the L'Agenda may be procured at the University Book Stores, hill and town, or through the manager, D. A. McNeal.

DEUTSCHER VEREIN  
PRESENTS TWO PLAYS

BOTH WERE A GREAT SUCCESS.

Bucknell Hall On Thursday Rivalled a German Theatre. Full House Greeted Performers.

He who passed over the threshold of Bucknell Hall on Thursday evening, might well imagine himself within the precincts of a Berlin theatre, were he to fix his attention carefully upon the stage. For there were enacted by the Deutscher Verein two well known German plays, "Unter vier Augen" and "Ein Amerikanisches Duell," which breathed of the typical life of the Fatherland. Not only was the dramatic skill of the actors of the finest, but so fluently and so expressively did they handle the language of the nation across the water as to delight the heart of every real German who was present and to bring forth the greatest admiration from the students of the tongue.

A well filled house greeted the performers and although undoubtedly many of the listeners were unable entirely to understand the German yet the action of the plays was so carefully brought out, that never in either of them did the interest of the listeners flag. Herr Professor Riemer coached the productions, and only to his untiring efforts is the splendid success of the dramas due. They were indeed the crowning features of a most successful year of work for the Deutscher Verein.

ROCHESTER QUARTETTE. The Y. W. C. A. entertainment, which will be given on Wednesday evening by the Rochester Seminary Male Quartette promises to be one of great interest to all. The tickets are being sold fast and the house will probably be full. Tickets may be procured at Heller's Drug Store or by addressing "Y. W. C. A., Seminary. Admission 35 cents. ## SEMINARY NOTES.

Frances McNeil, '14, entertained Helen Ott, '14, Sunday.

Miss Edith Whytley, of New Berlin, spent Saturday with Miss Stanton.

Mrs. Jameson, of Danville, visited her daughter, Mary Jameson, Wednesday.

The Tri-Delta girls were entertained at the Phi Gamma Delta halls on Tuesday evening.

Violet Wetterman, '12, and Ruby Stuck, '12, spent Saturday and Sunday at the latter's home in Tower City.

INTER-CLASS TENNIS. The Freshman tennis team defeated the Sophomore team, on Thursday afternoon, on the S. A. E. court in two straight sets the scores being 7-5, 6-1. In the first set W. Harris and Reading represented '11 while Stolz and Potts constituted the '12 team. In the second set Africa took the place of Reading and McTure and Winter substituted Potts.

Friday afternoon the Junior team won by default from the Seniors.

Three more matches are yet to be played in the inter-class tennis series. They are scheduled as follows: May 8, Juniors vs. Sophomores. May 9, Seniors vs. Freshmen. May 10, Seniors vs. Sophomores.

MR. HONEYMAN SPEAKS. Mr. R. M. Honeyman, secretary of the Normalists, Y. M. C. A., spoke to the students on Sunday afternoon in Bucknell Hall, under the auspices of the college Christian Association. Mr. Honeyman spent five years as the secretary of the Bowers Y. M. C. A. in New York City and his address consisted chiefly of vivid descriptions of the work in savannah from the gutter, in that most verdant section of the great metropolis.

A quite astounding statement was that cold facts show the vast majority of the outcasts, who merely subsist there on five cent meals and sleep in filthy ten cent lodging houses, to have been reared and bred in good homes.

To Students desiring profitable employment during vacation we have a fine line of flavoring extracts and perfumes to offer. Live men can make big money. Let us show you.

These goods were always used at the Academy during Rochester Grading's management.

SILENT.

Next year the old bell, which has  
so long rung out its tones over the  
campus, will be silent. Year in and  
year out it has sounded for the hun-  
dreds of students, who have trod the  
old halls, its imperious summons to  
class and more joyfully has announced  
the close of the recitation period; it  
has merrily chimed the tale of  
many an athletic victory, and as  
solemnly called to morning chapel  
services. We hate to see you go his-  
toric, faithful, old bell but every-  
thing must make way for the loud  
challenge of progress.

The electric bell system is modern  
and must come. A more practical me-  
morial could not have been selected  
by the class of 1911, and the com-  
mittee is to be congratulated on its  
choice.

COMMUNICATION.

The prospective college student is  
already busy selecting his future Alma  
Mater. He is studying and com-  
paring the catalogues of the several  
schools that seem to appeal most  
strongly to him; he is watching their  
athletic standings and devouring every  
 morsel of college information he can  
get. Nothing delights such a  
young man more than direct talk  
with one who is actually in college.  
Nothing has more influence upon him.  
He admires the college man.

It is true enough that Bucknell has  
her representatives to visit these like-  
ly men. Bucknell however does not  
belong to her corps of representatives  
nor indeed to her faculty. She belongs  
to her Student Body—to the individ-  
ual. And how much more can per-  
sonal work avail than that of the  
best representative. Such being the  
case it is up to the individual to  
maintain the well established high schol-  
astic standard by getting men here  
who are the best. The best is none  
too good; but there is no use for the  
left-overs.

Do you wish to do your full duty  
for Bucknell? If so, think of those  
who may enter some college next  
fall and, by keeping in touch with  
them from time to time, show a per-  
sonal interest in them. In short, do  
your best in any way possible to get  
them headed this way. It is the only  
way to keep the school up as  
we would have it kept.

Signed,  
WIDE-AWAKE.

WHAT IS THE GOAL OF CHRIS-  
TIANITY?

The goal of Christianity is the  
Kingdom. The manner of its coming,  
the early church thought, would be  
sudden and catastrophic; but the  
principle of the Kingdom, the pre-  
quisite for entrance, they taught, was  
love. They could not see the possi-  
bility of the complete realization of  
the principle in the present social or-  
der; we believe that the present social  
order is founded on this principle  
and that its consummation will be  
the fulfillment of this principle.

Therefore we take their term and  
emphasize the principle: we accept

Jesus as the perfect expression of  
the Kingdom. We strive through man  
to bring the social order to a real-  
ization of itself because we believe  
that God through man is in the social  
order and that the social order  
will become what it ought to be when  
God in it through man will be allowed  
to express Himself.

## ‘VARSITY SCORES A BIG DOUBLE VICTORY

### EASILY DEFEATS OPPONENTS.

Washington and Jefferson and Gettysburg Suffer Decisive Defeats  
Scores, 11-4 and 8-4.

For the first time since the opening of the baseball season were the admirers of the Orange and Blue treated to the real article. Those who have watched the work of the varsity during the season declare the exhibitions of Friday and Saturday were nothing short of marvellous.

There is a reason. Captain O'Leary, Manager Brubaker, Coach "B" Dickson and several other potentates held an experience meeting last week which probably accounts for the thunder storms we have been having lately. At any rate the effect of that meeting to say the least was uplifting—driving several thousands of the sticks to new berths.

The first game under the new combination was with Washington and Jefferson College. Worrlow did the serving for the varsity. The visitors did not take to Mr. Worrlow in his official capacity and throughout the game made desperate attempts to show their evil designs. Their efforts however, bore no fruit, for the wily little freshman kept the hits scattered over the scorebook.

The work of the infield was the feature of the game. The old men fielded their new positions with the greatest ease, and as to ginger and speed they fairly burned the diamond. Logan was the heaviest offender of the bat, having three hits out of four times at bat, while the rest of the varsity generally helped along. There was nothing doing on either side until the third inning, when Duffy started a justification which did not subside until the varsity had lashed around and registered eight runs. This inning was almost the death of W. & J., and but for Haymaker's home run in the sixth with one man on base the game might have terminated fatally for the visitors. Bucknell lashed another run in the sixth after Lister smashed a pretty three-bagger. Two more were made in the seventh by Loveland and Logan. W. & J. rallied in the last inning and scored two runs, but too late to turn the tide of battle.

Gettysburg-Bucknell Game.  
Gettysburg College opposed the varsity on Saturday, and they too fell easy victims before the Orange and Blue's fast fielding and timely hitting. The visitors used two pitchers in this contest with disastrous equality divided. There was one home run and three two-baggers, not to overlook the three double plays.

Saturday was a gala day in town, the Jr. O. U. A. M. celebrating its 75th anniversary, and a large crowd was anticipated. In this respect, however, the management was disappointed for all that there was to be seen of the Mechanics was a motley crowd just over the border of the athletic field in the "free country."

Daniels who had been out of the game for several weeks did the twirling for Bucknell. He had the opposing batsmen under control at all times keeping their hits well scattered. On three different occasions the spectators' enthusiasm worked up to the breaking point when the varsity's infield pulled off just as many lightning double plays. O'Brien's spectacular catch and speedy throw in third retired an inning that might have ended fatally.

Gettysburg scored in the first inning on a wild pitch. The varsity also tallied in this inning, when Loveland drove a red hot liner between center and left field, that rolled out over the tennis court. Gettysburg scored another run in the second and then stopped registering.

A first prize of \$75.00 and a second prize of \$25.00 will be given for the best oration on subjects connected with the movement for International Peace. The orations will be due on or before the first Monday in January, 1912. The winner of this contest will be entitled to represent Pennsylvania in an interstate oratorical contest.

This year the oration written by Mr. George Middleton, '12, was among the six orations chosen by a committee selected by the Peace Society. Mr. Middleton presented his oration from the platform at Dickinson College in February. The judges were Lieutenant Governor Reynolds; Henry C. Miles, one of the organizers of the Lincoln and the Keystone Parties; and Dr. Ehrenfeld of York College Institute.

The Junior Oratorical Contest vied with the Gorman lecture on Friday evening for the smallest attendance. The contest did not attract the attention it has in former years, presumably because of scarcity of performers. Owing to pressing school duties four of the men chosen were unable to compete. The subjects this year were of an educational nature. It may be that the speakers undertook a more difficult task than the contestants of former years, but it is deplorable that a class having such ability should put up such an exhibition as that of Friday evening. The orations were for the most part lacking in style, in material and in delivery. The contestants were Miss Ritchiehouse, Miss Chum, Miss Ruth, Miss Bronson, and Pickelstein and Baldwin.

A canvass of representative students at Gettysburg shows the consensus of opinion in favor of the honor system.

## SENIOR CLASS PLAY CASTE PICKED

### NINE CHARACTERS IN CAST.

"The Rocket" By Its Mystery and Excitement Gives Promise of Superior Senior Production.

"The Rocket," the three-act play to be presented this year by the Senior Class gives promise of surpassing anything of its kind that has been undertaken heretofore by the students. The play derives its name from the brilliant rise in wealth and happiness of one of the principal characters and his subsequent fall, it being analogous to a rocket.

The play, which is full of mystery and exciting situations, as well as embodying an interesting love story, is, in exceedingly capable hands, the casts including the best talent in the school, and under the direction of Miss Schillinger a successful presentation is assured.

"The Rocket" will be presented on Monday evening, June 19, in Commencement hall and following is the personnel of the cast:

Lori Leadonhall . . . Frank G. Davis  
The Chevalier Walkinslaw . . . Fred C. McAllister  
Joey Hamersmith . . . F. B. Little  
John Maricle . . . Frank T. Hamill  
Florence . . . Miss Gretchen Radack

## PEACE ORATIONS

### PRIZES OFFERED FOR BEST PRODUCTIONS.

The Pennsylvania Arbitration and Peace Society makes the following announcement to under-graduates in colleges of this state:

A first prize of \$75.00 and a second prize of \$25.00 will be given for the best oration on subjects connected with the movement for International Peace. The orations will be due on or before the first Monday in January, 1912. The winner of this contest will be entitled to represent Pennsylvania in an interstate oratorical contest.

## JUNIOR "EX"

### ORATIONS WERE NOT UP FOR MER STANDARD.

The Junior Oratorical Contest vied with the Gorman lecture on Friday evening for the smallest attendance. The contest did not attract the attention it has in former years, presumably because of scarcity of performers. Owing to pressing school duties four of the men chosen were unable to compete. The subjects this year were of an educational nature. It may be that the speakers undertook a more difficult task than the contestants of former years, but it is deplorable that a class having such ability should put up such an exhibition as that of Friday evening. The orations were for the most part lacking in style, in material and in delivery. The contestants were Miss Ritchiehouse, Miss Chum, Miss Ruth, Miss Bronson, and Pickelstein and Baldwin.

## ENJOYABLE FESTIVITIES IN MIRTH AND MUSIC

### STUDENTS GIVE FINE SHOW.

Work of the Local Minstrels Well Received by Large Audience in Commencement Hall.

After a rest of three years, Bucknell boys on Tuesday evening again appeared in Minstrel. All the characteristics of former Minstrel shows were present, now and popular songs, choruses, monologues, the latest jokes and local hits which afforded cyclones of merriment. All the performers, some in vocal and others in farcical work, made a creditable showing. The Ohio, Coonstown Justice, was a lively performance, quite fitting for the class of an evening of amusement.

Although the program was long drawn out, the audience gave close attention and showed full appreciation of the efforts which were made to entertain them. The support accorded to the managers at this show is an evidence that the Bucknell Minstrels, once one of the best features of the college year, are desired by town and students and should have a regular place upon the college calendar.

## SAVE THE BELL

### PHILA. ALUMNI DON'T WANT LAND-MARK TORN DOWN.

Editor of the Orange and Blue:—  
We have come to look upon the Alumni Lunch Hour as a fact, and the feature in the weekly round of every working Bucknell Man in and around Philadelphia. It is a real pleasure to drop in at least once a week when convenient, and find somebody and something to link us up again with the "Old College on the Hill."

With duly suppressed emotions we accept Pritchard's fine apology. Say no more! It is enough, for us to feel that we have pointed the way to you, boys, and we have been both highly amused and entertained by your delicious little piosanry about "smoking us out" or some unpopularity to that effect.

Recently we had the pleasure of entertaining "in our midst," a rising young lawyer from Scranton. We had hoped that it would "take" there. Each of the other sides of the second class will be dealt with accordingly.

"Among those present" on recent Mondays were: Doolan, Manning, Sterling, LeVan, Bailey, Dr. J. K. West, Rambo, Garner, Heller, John Davis, "Jim" Davis, Jackel, Perrine, Morse, Harris, Weymouth, Siffer and Noshit.

And now in closing, just a hint about another matter. About bells—put in all the modern electric electric bells you please—let "the old-fashioned school house bell" hang silent. If you will—but don't put out a hand to take it down until you hear from us—some of the older Bucknell boys. When we come back and climb the "Hill"—when we are gray—and "gone," maybe—we want to hear that same "Old-fashioned school house bell"—even if we have to climb up and dig the moss and ivy out of its rusty throat, once every year at least. "Huff" say!

Cordially yours,  
EDWIN LIGHTNER NESBIT,  
Secretary.

BUCKNELL MAN POSTMASTER.  
On Tuesday of last week William G. Murdock, ex-'05, a young attorney in Milton received word that his nomination to the postmastership of that town had been confirmed by the United States Senate. Mr. Murdock was a student here for several years but he left before completing his course to enter Dickinson Law School.

### LARGE CROWD GREET'S QUARTET

Rochester Quartet Gave Second Annual Concert in Chapel Wednesday Night, May 17th.

With a reputation to sustain, which they had established last year to the effect that they are entertainers, the Rochester Quartet Male Quartette last Thursday evening more than fulfilled the best expectations of a well filled hall and established over a better reputation than before. The quartette work was excellent. The selections showed unusual musical qualities and at the same time were colored with an expression and feeling, such as is rarely found in the best of quartettes.

The "hit" of the evening was accorded when the quartette rendered some harmony in the familiar college tunes of the hill. Mr. Mathias' readings from Dunbar were very true representations of "darkey" life and customs. The solo work of Mr. Gibson, tenor and Mr. Potter, bass, was of a high class, each of whose selections were well applauded by the audience. The impersonations by Mr. Ross in "Rock-a-bye-Baby" were most skilful and amusing. The rapidity with which he changed from the representation of one type to the other showed that he had improvisation down to a fine art. During the intermission, Oscar Wolfe, '12, the accompanist, delighted the audience with several piano selections.

## GERMAN LECTURE

### GERMAN PROF. OF STATE COL' LEGS GIVES LANTERN TALK.

On Friday evening at eight o'clock Mr. Starcke, a German exchange teacher at State College, gave an excellent talk on Berlin and Potsdam before the Deutschher Verein. It was illustrated, and the views were occasionally good. Speaking a very clear and distinct German, Mr. Starcke was a source of much pleasure to those who really know something about his native tongue.

After the talk the members of the class of the four different plays presented this year, were invited to Prof. Martin's charming home. This part of the program was an unusually welcome treat to Mr. Starcke, for he had not yet been admitted into the American home in such a friendly manner. And we may well be glad that it was the Martin home that was thrown open to him. A cultured European would there see American culture at its best. There were also presented a few scenes of the last two plays, which Mr. Starcke enjoyed very much. In fact his words of praise were the best expression of reward and gratitude that the members of the two casts have yet received. His kind words to the players were exceedingly flattering. And he could really judge.

The members of the Verein who heard and met Mr. Starcke feel that they have been raised into a higher realm and that the treasures of the spirit are after all worth striving for. We wish him well!

PRESIDENT HARRIS ILL.  
Pres. Harris was confined to his home with a second attack of appendicitis in the early part of the week. Prof. Hare had charge of the class in Theosis. It is expected that Doctor Harris will be able to resume his duties this week.

The freshmen at Cornell receive a novel receipt for their class dues. The receipt is a small, round, white button, with the numerals 1911 and the words, "Taxed." Are you?

## SEMINARY NOTES.

Dorothea Jones, '14, entertained her parents on Sunday.

Miss Rice spent Sunday at her home in Elmira, N. Y.

Marian Rogers entertained her sister from Saturday until Monday.

Nora Dodson, '11, Helen Scott, '11, Susan Snyder, '12, and Inez Sellers were home over Sunday.

Miss Scott, the Art teacher at the Institute, spent the week-end in Philadelphia.

Marian Harmon, '11, and Vera Coker, '11, spent Saturday and Sunday at the former's home in Monticoreville.

Miss Georgina Scott gave an elaborate dinner at the New Cameron House on Wednesday evening for several members of the Institute and the Y. W. C. A. Cabinet.

## INTERCOLLEGIATE NOTES.

An effort is being made at Northwestern to compel Freshman girls to wear green caps.

Columbia University plans to set a scholarship standard for entrance to Greek letter fraternities.

There are only thirty students from west of the Mississippi in this year's Freshman class at Yale.

The Senior class at Brown, recently adopted "Hooloo" a South Sea Island god as their mascot.

Ninety-four hundred women students at Cornell held a prom, short time ago, to which no men were invited.

Students at the University of Virginia are much agitated over a movement to establish coeducation there. They are talking on the question.

A student at Utah was arrested for attempting to injure himself and locked up as an insane man. He developed later that he was only going through infatuation stunts.

To Students desiring profitable employment during vacation we have a fine line of flavoring extracts and perfumes to offer. Live men can make big money. Let us show you.

## A DANGEROUS PRACTICE.

There has arisen among the town  
ramps and "light-wads" of Lewis-  
burg and vicinity the practice of us-  
ing the railroad embankment as a vau-  
tage point to view the athletic con-  
tests between the college teams and  
their opponents. This custom has  
grown to such an extent of late that  
the railroad tracks bid fair to assume  
the proportions of a good sized grand-  
stand. The college authorities should  
take immediate measures to prevent  
this dangerous practice. It is not only  
robbing the athletic association of  
a source of revenue which rightly be-  
longs to it, but it is encouraging a  
practice which is extremely dangerous  
and may some day result fatally. The  
grow-ups are not the only offenders.  
There are scores of innocent children  
thoughtlessly jeopardizing their lives.  
There is a great deal of traffic on this  
line and the Reading freight trains  
rush along at frequent intervals. How  
easy it would be for a fast freight to  
dash around the curve while the  
crowd on the tracks is intently watch-  
ing a game and now down these chil-  
dren by the hundreds. There is but  
one effective method to cope with this  
situation. The railroad company should  
be petitioned to exercise their rights  
and arrest every individual who tres-  
passes upon their property, in the in-  
terest of the athletic association and  
the public safety.

## COLGATE TRIUMPHS

BUCKNELL LOST BY BIG MARGIN  
IN DUAL MEET.

In the second meet of the season  
the varsity track team again suffer-  
ed a rather overwhelming defeat. This  
time it was Colgate who applied the  
administering dose, when they met  
the Orange and Blue in a dual meet  
at Hamilton. Bucknell's few points  
were taken in the high jump by Dun-  
ton and the hammer throw by Ty-  
son, besides several second places.  
Two places were counted. The final  
score was 90-22. The summaries:—

## WHAT IS PRAYER?

Accepting the conclusion of the  
New Testament and the testimony of  
Christian experience that there is an  
objective answer to prayer, holding  
that prayer is an expression of our  
trust in the Father as the Ultimate  
in the universe, realizing that He  
who has made laws that are good for  
us will not violate them, recognizing  
our own limitations of knowledge re-  
specting the operation of these laws  
and of the forces in the spiritual world  
possessed with an ambition for the  
reign of God in our souls and in the  
souls of others, we turn to our Fa-  
ther believing that in His own way  
He will listen to what sometimes seems  
to be prattle and will not leave us  
alone in the natural order which He  
has ordained.

## SEMINARY NOTES.

Amelia Whitaker, of Millville, N. J., is visiting her sister, Verna Whitaker, '11.

Ethel Hottenstein, '12, of Milton, spent Friday and Saturday with Helen Loveland, '12.

Isabelle Rockwell, '14, entertained Vera Coker, '11, over Sunday at her home in Canton.

Cecil Childs, '12, who has been home for some time on account of illness, has returned to college.

On Saturday evening the girls of the Freshman class gave a party in the "Old Gym" for the Junior girls. The room was decorated with flowers, pennants and pillows. The great part of the evening was spent in dancing, afterward, light refreshments were served. The freshmen certainly proved that they could give their guests a splendid time.

American universities are shortly to co-operate with Oxford and Cambridge universities to join Britain in founding a central university in China not allied with any religious body.

A new cut system has been put into force at Washington and Jefferson, whereby it is provided that students incurred by men representing the college on teams or clubs shall not be counted.

President Jordan, of Stanford University, has forbidden baseball this year because of "systematic muckraking" infesting the sport. The ban will likely be extended to football. Ping pong and table tennis will go next.

## VOLUME XV.

## 'VARSITY VICTOR AND VANQUISHED

## ORANGE &amp; BLUE ON 5-DAY TRIP.

Trims Gettysburg, But Gets a Row of Goose Eggs at Swarthmore. Scores, 10-4; 8-0.

He that doth not expect shall not be disappointed is a maxim that applies right well to the fortunes of the varsity. After taking from Gettysburg the first game on the five-day trip, prospects for a successful series were entertained. Swarthmore came next and, inasmuch as the Main Liners themselves were also suffering from a defeated game our chances for victory looked good. It is just at this point where the varsity said maxim comes in. The varsity had no difficulty in defeating Gettysburg on the latter's diamond last Friday. The defeat at Gettysburg was more decisive than the one administered last week on the home ground for the hatted-field collection escaped a shut-out by the narrow margins. The only runs of the game Gettysburg secured in the ninth, when Brumbaugh started a rally with two men on the bases, netting four runs. Bucknell indulged in a general swatfest in the third inning touching up Emplfield for six hits for seven runs. Beaver, who relieved him in the fourth, fared no better, the varsity finding him for five hits and three runs. Logan, again, was the chief offender at the bat, having four hits out of four times at bat. Lister was a close second, having three hits to his credit. "Bucky" O'Brien was spliced in the third inning and Worrlow was sent to his place at short. Score 10-4.

SEVEN Pennsylvania colleges and universities were represented at the fourth Annual track meet of the Pa. Intercollegiate Athletic Association, of Harrisburg, on Saturday.

The Indians again captured the title securing 55½ points, with Lafayette second with 29½ points. Lockhart third place with 17 points. Bucknell came next with 15½ points, followed by Gettysburg, Pittsburg and Dickinson. The four men to represent the Orange and Blue were McAllister, Fairchilds, Tyson and Dutton. McAllister took first place in the shot-put. Distance 46 ft. 4½ in. Tyson took first place in the Hammer throw. Distance 126 ft. 11½ in. Dutton was second in the 120 yd. hurdles and tied for second place in the high jump.

SUN DIAL ERECTED.

The work on the "1910" class Memorial was completed Saturday, when the beautiful copper sun dial was placed on the fountain located between the Library and Main Building.

VEREIN LANDPARTIE.

Die Mitglieder des deutschen Vereins werden den nächsten Dienstag ihre jährliche Landpartie feiern. Das Picknick soll auf Blue Hill stattfinden, und all Mitglieder sind eingeladen. Mitglieder sind um es heisst glücklich zu machen.

Every effort is being made to reach the entire student body and it will be considered a factor if the work of signing the petition is carefully and thoroughly done by those having the matter in charge.

BUCKNELL ENTERS FOUR MEN IN PA. INTERCOLLEGIATE MEET.

The question of the compulsory athletic fee is not a new one. Back in the nineties an effort was made to inaugurate such a fee but it was met with a determined refusal on the part of the authorities. Several years ago another attempt was made, which met a similar fate. Circumstances have arisen of late in the affairs of the athletic association, necessitating reform to meet the exigencies of the situation. Hence the petition.

A large amount of data has been secured by the committee from universities and colleges who have adopted a similar system. In this collection there are reports from Penna. State College, Gettysburg, Dickinson, Franklin and Marshall. The report from State College shows how it became possible for her to secure the service of an expert coach, maintain a fine athletic field, build tennis courts. At the same time she is able to schedule five good football games at home, although the gate receipts are practically nothing. The close of a football or baseball season does not bring with it that unpleasant task of "touching" the alumni for funds to pay the association's debts.

The men who are lack of this movements are finally convinced that—

(1). To put the Athletic Association upon a solid financial basis is to secure a regular income.

(2). To create enthusiasm and cooperation it is necessary to get every student vitally interested. The fellows who attend the games and cheer the players hold season tickets. The rest conceal themselves in their rooms.

(3). To do justice to the loyal backers of athletics is no more than right that the others who do not give a cent should be made to come to the front and shoulder the burden.

(4). To secure good strong teams for the attractions on the home grounds is an impossibility where the financial support comes from less than 25 per cent. of the student body. Don't kick about the schedule unless you have a right to do so.

(5). To finance a football team during an entire season involves several thousand dollars. How long do you think the varsity would last if it depended upon the present student support?

(6). To obtain the service of an efficient coach requires quite a large sum of money. Here is where the Alumni shine.

Every effort is being made to reach the entire student body and it will be considered a factor if the work of signing the petition is carefully and thoroughly done by those having the matter in charge.

BUCKNELL ENTERS FOUR MEN IN PA. INTERCOLLEGIATE MEET.

The question of the compulsory athletic fee is not a new one. Back in the nineties an effort was made to inaugurate such a fee but it was met with a determined refusal on the part of the authorities. Several years ago another attempt was made, which met a similar fate. Circumstances have arisen of late in the affairs of the athletic association, necessitating reform to meet the exigencies of the situation. Hence the petition.

A large amount of data has been secured by the committee from universities and colleges who have adopted a similar system. In this collection there are reports from Penna. State College, Gettysburg, Dickinson, Franklin and Marshall. The report from State College shows how it became possible for her to secure the service of an expert coach, maintain a fine athletic field, build tennis courts. At the same time she is able to schedule five good football games at home, although the gate receipts are practically nothing. The close of a football or baseball season does not bring with it that unpleasant task of "touching" the alumni for funds to pay the association's debts.

The men who are lack of this movements are finally convinced that—

(1). To put the Athletic Association upon a solid financial basis is to secure a regular income.

(2). To create enthusiasm and cooperation it is necessary to get every student vitally interested. The fellows who attend the games and cheer the players hold season tickets. The rest conceal themselves in their rooms.

## IMPORTANT ANNOUNCEMENTS OF PARTICULAR INTEREST.

## CAMPAIGN FOR ATHLETIC FEE.

Alumni Take Initiative in Movement to Inaugurate the Compulsory Athletic Fee.

There was circulated among the various fraternities and clubs during the past week a petition concerning an Athletic fee. This petition was gotten up and circulated by several active Alumni who are interested in the welfare of athletics at Bucknell. By this means, an effort will be made to find out how the students stand on this matter, and if favorable, a report will be made to the committee on athletics, composed of members of the board of trustees.

The question of a compulsory athletic fee is not a new one. Back in the nineties an effort was made to inaugurate such a fee but it was met with a determined refusal on the part of the authorities. ## VARSITY SUSTAINS

## TRIO OF DEFEATS

## LOCALS TAKE ANOTHER SLUMP.

Suffer Defeats at Villanova and Ursinus. Loss to Cadets at West Point in Poorly Played Game.

Three defeats in a row coming Bucknell's way put a check to the winning spirit of the nine that followed the shake-up in positions. The first two defeats came on the wind-up of the Philadelphia trip. The other the Orange and Blue boys picked up on the bony banks of the Hudson. One had laming in each of the three games proved Bucknell's Waterloo.

## VILLA NOVA GAME.

Villa Nova had little difficulty in triumphing the varsity on the former's field, Monday. It was a hard hitting contest in which the Main Liners took an active part, finding Hagan for 14 hits, two of which were home runs. Four runs were made off Bucknell in the first inning and three more in the second. Logan was the only man on the varsity able to connect effectively with Brien's delivery, having a home run and a single to his credit.

## URSINUS GAME.

The Memorial Day game was with Ursinus at Collegeville, Daniels occupied the tumlet for Bucknell, and did effective work, allowing but six hits. The varsity, however, could do nothing with Boyer's delivery. The feature of the game was the work of the varsity's outfielders.

It certainly is the sincere wish of a great many alumni that the movement will result in getting a compulsory Athletic Fee, and in time the Bucknell athletes out of the mire and place them on an even footing with other colleges of the same class.

## TRACK TROPHIES

## GETTYSBURG IS THE LOSER.

Many "B's" Captured in Dual Meet Varsity Won By Good Margin.

Last Wednesday before a good-sized crowd on the Nixon Field of Gettysburg College, Bucknell defeated Gettysburg in a dual track meet by a score of 63-49. The meet was good and interesting, the winners not being certain of their victory until the end of the two-mile event, which was last on the program.

## ALUMNA'S ACCOMPLISHMENT.

Miss Allen Mitchell Zierden, a graduate of Bucknell University with the class of 1900 and at present a resident of Dufelo, Pa., is being honored by the papers of her home town and the state as the girl who followed her own hill through the legislature and won out.

Miss Zierden sometime ago conceived the idea that this state should have a State Museum located at Harburg, and she had a bill prepared and introduced into the legislature to that effect. For two years she has been working persistently for the passage of the bill and has gone in person to the legislators and to their meetings urging its support. Last week the bill was passed and now awaits the Governor's signature. Miss Zierden is at the head of the Educational Museum.

## SOPHS DEFEAT FRESH

## EDGE OUT VICTORY BY SMALL MARGIN IN TRACK MEET.

On Saturday afternoon the Sophomores carried off the laurels from the Freshmen in the annual dual inter-collegiate meet, points 60 to 52. The Freshmen who fared better on the track events were ahead until the very last when the Sophs captured all but a few points in the field events and edged out their rival team. While well contested by the division of honors the results of the events showed poor time. The summaries:

100 yards—Won by Glover, '14; Nixley, '14, second. Time—11 sec.  
220 yards—Won by Glover, '14; Waychoff, '14, second. Time—25 3/4 sec.  
440 yards—Won by Everett, '12; Glover, '14, second. Time—55 3/4 sec.  
880 yards—Tie, Everett, '12; Bogart, '12. Time—2 min. 37 sec.  
One Mile—Won by Bogart, '12; Carver, '14, second. Time—7 min. 15 sec.  
Two Miles—Won by Bogart, '12; Carver, '14, second. Time—11 min. 35 sec.  
220 Low Hurdles—Won by Waychoff, '14; Johnson, '14, second. Time—29 3/4 sec.  
120 High Hurdles—Won by Waychoff, '14; Tilton, '12, second. Time 18 seconds.  
Broad Jump—Won by Thomas, '14; Hooker, '15, second. Distance—18 feet, 2 inches.  
High Jump—Won by Dunkle, '12; Johnson, '14, second. Height, 5 ft. 2 inches.  
Pole Vault—Won by Hooker, '15; Johnson, '14, second. Height, 8 ft. 6 inches.  
Shot Put—Won by Teamer, '12; Grabowski, '14, second. Distance—37 feet, 3 1/2 inches.  
Discus Throw—Won by Teamer, '12; Fisher, '15, second. Distance—92 feet, 3 inches.  
Hammer Throw—Won by Teamer, '12; Fisher, '15, second. Distance—104 feet, 8 inches.

## BACCALAUREATE SERMON.

Prof. Llewellyn Phillips preached the Baccalaureate sermon of the Brookville High School in the Presbyterian church of that town Sunday.

100 yd. Dash—Leathers, Gettysburg. Time—10 1/2 sec.  
220 yd. Dash—Fairchild, Bucknell. Time—22 3/4 sec.  
880 yd. Dash—Fairchild, Bucknell. Time—2 min. 10 sec.

Broad Jump—Dutton B. Stock G. Distance—20 ft. 5 in.  
Two Mile Run—Bogart, B. Fairchild Bucknell. Time 10 min 31 sec.

Leathers was the chief point-getter for Gettysburg, having to his credit three first places. For Bucknell the main point-getters were Dutton, '12, with 15, Fairchild, '11, with 13, and McAllister, '11, with 10. These men from the results of the meet are eligible to the Varsity "B" namely: Bogart, '12, Teamer, '12, and Waychoff, '14. Each event was well contested and well contested by the points were tied for second place. The track men seemed to be in good form while the weight men held their own and netted many points for B. U. In several events Gettysburg was surprised by seeing Bucknell take the points while they had expected their own favorites to win. The following is the score:—

## SIXTY-FIRST ANNUAL

## COMMENCEMENT

## THE FINAL PROGRAM PUBLISHED.

Alexander's Band Engaged. Oratorio Sunday Afternoon. Reunions of Many Classes. Other Events.

The final program of the happenings of Commencement Week in detail has been published from the Registrar's office. Besides the main events of the week formerly announced there are on the program many other features which will add to the attractiveness of this gala time of the college year.

Alexander's Band of Wilkes-Barre, much famed for their ability on the instruments will be here to furnish the suitable musical background to the rounds of celebration. They will first appear at the Senior Class Play on Monday evening and on Tuesday will render the customary twilight concert on the campus. The band will be present as usual also at the formal graduating exercises in Bucknell Hall on Wednesday morning. The oratorio, St. Paul, by Mendelssohn, on which students have been working the greater part of the year will be given in Bucknell Hall Sunday afternoon. The President's reception will be held on Tuesday evening.

The following classes will hold reunions on that day: '51, '61, '71, '81, '96, '01, '06, '10. At the corporation dinner on Wednesday the Guest of Honor will be Dr. Joseph K. Weaver, of Norristown, an active trustee of the University, in honor of the fiftieth anniversary of his graduation. The detailed program follows:

## SEMINARY NOTES.

Hannah Berlin, '12, and Lois Baer, '12, are visiting in Milton.  
Bessie Kates, '11, is entertaining Ida Miskelley of Millville, N. J.  
On Saturday the Delta Phi Sorority held its annual picnic at Blue Hill, Mrs. Glover, of Hudsonfield, N. J., is visiting her daughter, Hannah Glover.

Helen Levegood, '12, Ruth Edward, '14, and Francis McNail, '14, were home over Sunday.  
Susan Snyder, '12, and Olive Lewis, '12, are spending a few days at the latter's home in Mill Hall.

## ALUMNI NOTES.

Rev. Walter W. Corll, '08, who occupied the pulpit at Hughesville, has accepted the charge at Mt. Lebanon.  
Last Sunday, Rev. R. C. Conover, '39, preached his farewell sermon as pastor of the Pemberton, New Jersey Baptist church, and becomes pastor of a church in Plainfield, N. J.

Condit, '08, who graduates in June from the Newton Theological Institution is under appointment as a missionary of the American Baptist Foreign Mission Society and will sail for the foreign field in September. His field has not yet been designated.

## MINSTRELS AT MILTON.

On Monday night of last week the College Minstrels made its appearance in the Milton Opera House. The attendance was very small due probably to the excessive heat.

WANTED. Two or three college men in each county in Western Penna. to sell an article for which every man is a customer and which is easily sold. The best opportunity that has been offered for vacation employment. If interested, address

TEN GAMES ON  
FOOTBALL SCHEDULE

THREE PLAYED AT HOME  
Nearly All the Teams Listed Are  
New to Bucknell. State College  
is Dropped.

Only two of the teams with which  
Bucknell played football last season  
are on the schedule for next fall  
which has just been completed by  
Manager Brewer, '12, and ratified by  
the Athletic Advisory Committee.

Probably the most notable change  
on the schedule is the nonappearance  
of State College. Ever since  
athletic relations were resumed with  
our rivals in 1909 they have been a  
knowledgeable to be out of our class  
and this year when they refused to  
schedule a game to be played at Lewis-  
burg, as was their turn, negotiations  
were ceased and the Military Academy  
at West Point was taken on. The

## SENIORS WHO WILL TEACH.

J. W. Trauger will teach Physics  
and Mathematics in the High School  
at Middletown, N. Y.  
P. Thomas Hamill, '11, has been  
elected principal of the public schools  
at Ligonier, Pa.

Harry R. Waltman, has been chosen  
by the Board of Education at Mill-  
ville, N. J., superintendent of the  
South Millville Public Schools.

Charles H. Heacock is to be pro-  
fessor of science and mathematics in  
Broadus Institute, Phillipsburg, West  
Virginia.

Paul G. Snyder has accepted a po-  
sition as superintendent of the Mil-  
linsburg, Pa., High School.

Marc L. Baldwin will instruct the  
students of Broadus Institute in the  
languages.

Sanders has been appointed to  
teach in the High School at Hawley  
next fall.

Helen McClure expects to teach in  
the Milton High School this next  
year.

Laura McGinn is to teach Latin in  
the Lewisburg High School.

Dora Raymond has secured a po-  
sition in the High School at Flem-  
ington, N. J.

Vera Coler will be a member of  
the faculty of the University of Por-  
to Rico at Rio Piedras, P. R., next  
fall.

Theta Delta Tau Dance.  
The annual dance of the Sopho-  
more Fraternity was held at Milton  
Park, Friday. The dance proved a  
very pleasant affair and was at-  
tended by 15 couples, active members  
of the chapter and "Sol" Mezzar, '10.

Varsity Scores State.  
BUCKNELL LEADS, 2-1, WHEN  
STORM STORMS GAME.

The largest crowd that ever at-  
tended a Bucknell game, saw the  
Varsity give State the score of her  
life. Flushed with the victories of  
almost a score of battles, cheered by  
hundreds of loyal spectators, Penn-  
sylvania contemplated with longing  
and confidence Bucknell's second scalp.

Craig the first man up for State  
connected with Daniel's delivery for  
three bases. Workman drove him  
home with a single. That was the  
fully as worthy as the star of the  
game.

A game with A. and M. College at  
Raleigh, N. C., October 12, will fur-  
nish a "delicious" fight for the team  
as well as an excellent game.

Villanova, Haverford and Ursinus  
also appear on the schedule for the  
first time in years and will prove  
fully as worthy as the star of the  
game.

While only three of the scheduled  
games will be played here at Lewis-  
burg the home games will all no doubt  
prove good ones and be one more item  
in the list of the past season.

As a whole the schedule is excel-  
lently arranged and speaks well for  
Manager Brewer who has succeeded  
admirably in engaging school teams  
which are nearer our size and grid-  
iron strength. The schedule—  
Sept. 30, Lock Haven Normal at  
Lewisburg.

Oct. 7, Lehigh at South Bedle-  
hem.  
Oct. 14, Wyoming Seminary at  
Lewisburg.

Oct. 19, A. and M. College, at Ra-  
leigh, N. C.  
Oct. 28, Rochester University, at  
Rochester, N. Y.

Nov. 4, Lafayette at Easton.  
Nov. 14, Army at West Point.  
Nov. 18, Villanova at Wilkes-Bar-  
re.  
Nov. 25, Haverford at Lewisburg.  
Nov. 30, Ursinus at Reading.

COMMITTEES WORKING  
ON ATHLETIC PROBLEM

Faculty and Alumni Body.  
Athletic Executive Board To Be Es-  
tablished. Investigations of Alu-  
mi Reveal Plain Truth.

During the week faculty and alu-  
mi have been hard at work on solu-  
tions to Bucknell's great athletic fi-  
nancial problem. Below is an account  
of what both parties have accom-  
plished:

The Faculty Action.  
The following report of the special  
committee on athletics, presented  
by Professor Rockwood at the Fac-  
ulty meeting held February 27, 1911,  
was adopted:

"Subject to the control of the Fac-  
ulty, the management of athletics in  
Bucknell College shall be in the hands  
of an Executive Board, which shall  
consist of three members of the Fac-  
ulty elected annually by the Faculty,  
two members of the Alumni Associa-  
tion, and two undergraduates  
elected by the Athletic Association.

In case of failure of the Athletic As-  
sociation to elect members of the Ex-  
ecutive Board, the vacancies shall be  
filled by the Faculty.

The Faculty shall appoint an assist-  
ant to the Financial Controller who  
shall perform such duties in the Fi-  
nancial Management as the Faculty  
may determine.

The assistant to the Controller  
will be a student, competent in fi-  
nancial management. It is not intended  
to supplant the various managers, but  
to supplement and steady the work  
and make it more efficient. While  
the Board of Trustees has no right to  
impose a compulsory fee upon the  
students to spend on the athletic  
teams, aid can be rendered in other  
ways. The Controller and his as-  
sistant will have the right and duty  
of soliciting subscriptions from Alu-  
mi and other friends of athletics.  
With plans now adopted or being con-  
sidered, athletics at Bucknell will be  
played in good shape for next year.

Some Alumni Investigations.  
Within the last few weeks the com-  
mittee on a compulsory Athletic Fee  
have succeeded in getting together  
some remarkable facts. It is indeed  
astonishing to learn that 114 out of  
the 350 students at Bucknell are the  
sole contributors to the athletic as-  
sociation. Of this number, 26 are  
Seniors, 24 Juniors, 25 are Sopho-  
mores and 39 are Freshmen.

Lamentable as matters are in the  
student body, the split manifested  
by the various managers is far worse.  
Eight of the ten managers and as-  
sistant managers for 1910-1911 did not  
have 1910-1911 Season Tickets, nor  
were these eight officers even mem-  
bers of the Athletic Association at  
the time of their election.

Investigation reveals the fact that  
at the annual spring election, held  
June 2, 1911, of the six officers elect-  
ed three had season tickets. Of the  
other three, two took out mem-  
bership cards on June 1, 1911, two days  
before election, and the third man  
was not and is not a member of  
the athletic association.

Reports from the treasurer show  
that two holders of season tickets  
of \$2.50 each on their tickets on June  
2, 1911, when the list of season tick-  
et holders was obtained from the  
Treasurer of the Athletic Associa-  
tion.

Out of the 297 students in the Col-  
lege Department, 114 hold season  
tickets. Of this number 11 have 2  
tickets; making a total of 125 mem-  
bership tickets held by the student  
body.

The percentage of season tickets  
in each of the eleven fraternities and

clubs in the college is as follows:  
31 per cent, 79 per cent, 73 per cent,  
66 per cent, 56 per cent, 45 per  
cent, 44 per cent, 43 per cent, 13  
per cent, 11 per cent, 11 per cent.

There are 196 fraternities men who  
signed the petition, circulated among  
the students last week. Of this num-  
ber, 91 have season tickets. Ten of  
these students have two tickets; or  
a total of 101 season tickets.

In spite of these facts which show  
how few of the students under the  
present system own tickets, the re-  
sults from the circulation of the peti-  
tion show that all the students are  
unanimous in their call for the  
compulsory athletic fee. There are  
297 fellows: of these 297 there have  
been 240 who signed the petition.

The other 57 are for the most part  
students unaffiliated with the fraterni-  
ties and regular boarding clubs, whom  
it has been impossible to approach  
with the petition. Only one man has  
refused to sign and he became so  
among the men in the various fra-  
ternities and eating-club men not one  
has failed to sign the petition.

CAPTAINS ELECTED.  
At a meeting of the track "B"  
men in class room 1, on Tuesday  
afternoon, Edward P. Dutton, '12, of  
Clearfield, holder of the high jump  
record and for three years a "Varsity"  
man was elected captain of the track  
team for the season of 1912. At a meet-  
ing of the basketball "B" men at the  
same time, Herman E. Zohmer,  
of Tamaqua, for two years a "Varsity"  
guard was elected captain of basketball.

SOPHOMORES WIN  
FRESHMEN DEFEATED IN AN-  
NUAL DIAMOND CONTEST, 9-2.

The Sophomores had little diffi-  
culty in taking the annual inter-  
class baseball contest from the Fresh-  
men on Thursday night, 9-2. The  
Sophomores took a big lead in the  
first two innings when the Fresh-  
men battery failed to work out in  
good style and the count on the  
same which the 1911 men never  
threatened to take away from them.  
Fisher who twirled for the Sopho-  
mores hit freely but he kept the bats-  
men scattered and allowed his pitch-  
ers to get out of the third and  
one in the eighth.

Joe Logan took the place of Frantz  
on the mound for the Freshmen in  
the fifth and pitched good ball hold-  
ing them to two runs in the ninth  
inning. The Sophomores had fif-  
teen stolen bases to their credit. The

CHAUTAUQUA INSTRUCTOR.  
Dr. Henry T. Colestock, professor  
of History in Bucknell University, has  
been chosen as one of the instruc-  
tors for the Penna. Chautauqua to  
be held at Mt. Gettysburg this summer.

Rev. W. R. Pimm, '92, has re-  
signed his pastorate at Factoryville  
and assumes charge of the Baptist  
church at Phillips, West Va.

TWO COLUMNS  
OF ADS. WILL GO

READING MATTER INCREASED.  
Orange and Blue Next Year Will De-  
vote Extra Space to Alumni News.  
Subscriptions Must Be Increased.

Two columns of advertising will be  
cut out of The Orange and Blue next  
year and in its place two more col-  
umns of reading matter of alumni and  
local interest will be added to the  
news section of this paper. Yes, that's  
true. Such is the verdict that was  
reached this week and this old pa-  
per will next year enter upon a new  
regime. The advertising has reached  
its high water mark in recent is-  
sues, made necessary by the great  
falling off in subscriptions among the  
students and alumni. Now we are  
going to proceed to make the paper  
more attractive to its readers and  
more "newsy."

The Orange and Blue management  
has every confidence that as it takes  
this step to do justice by its read-  
ers that the readers of the paper, and  
above all those who are not readers  
of these columns, but who as alumni  
and students of Bucknell should be,  
these people will in turn play  
fair with the management and not  
only subscribe but when they have  
subscribed pay their subscriptions.

It is a fact to be lamented that in  
the past year the alumni and stu-  
dents have not supported The Orange  
and Blue, as they should. Less than  
twenty per cent. of the students sub-  
scribe and still fewer of the alumni.  
That is hardly justice. Now, The Or-  
ange and Blue is making the initiative.  
The news space will be increased two  
columns. Will you in turn do your  
part by the management so that it  
can keep the weekly up to this high  
standard? Subscribe next year and  
show that you are interested in your  
college and that you do want a good  
paper to represent it and not an ad-  
vertising folder.

In view of these improvements and  
the slowness of the readers in pay-  
ing their subscriptions the manage-  
ment has decided to increase the nom-  
inal subscription price to \$1.25 but  
if subscriptions are paid before Janu-  
ary 1 the present rate of \$1.00 will  
be allowed. To avoid frankly this  
step is necessary because under the  
present system many of the subscrib-  
ers for the paper this year have at  
this late date yet failed to pay up.

Along with the increased space  
is to come at the same time improve-  
ment in the staff upon whom it will  
fall to fill this space with good live  
news. There is no room on the staff  
for loafers. Any who have thus far  
been tried out and failed to make  
good, will be dropped and new men  
will be given a chance to display their  
worth. This weeding-out process is  
to be continued until every man who  
is permitted to have his name in the  
column of editors is a worker and a  
good one at that.

"ELECTRICALS" LOCATED.  
Every man graduating in the elec-  
trical engineering course this June  
has secured a position for next year.  
The men will be located as follows:  
John Roser and Charles N. Bru-  
baker will be with the General Elec-  
tric Co. at Pittsfield, Mass.

Andrew J. Huston has signed up  
with the Westinghouse Electric Co.  
at Pittsburg.

J. C. Hibish, George Koser, and  
A. C. Fairchild have secured posi-  
tions from the Western Electric Co.,  
at Harrington.

Raymond C. Decker will go to Cin-  
cinnati with the Allie Chalmers Co.  
Stuart W. Sweet has accepted an  
offer from the General Electric Co.,  
at Shepleyville, N. Y.

COMMENCEMENT NEWS.  
The Commencement News will con-  
tain this year many new and inter-  
esting features. Every student who  
is not staying for the week would  
enjoy reading the paper at home.  
Subscriptions should be left with De-  
Lancey, '12.

## SEMINARY NOTES.

Lulu Long, ex-'12, is visiting Kath-  
erine Bronson, '11.

Pearl Shoemaker, ex-'12, is back  
for Commencement.

Anna Johns, of Tamaqua, is visit-  
ing Grace Rositter.

Ruth Royal is entertaining her moth-  
er and grandfather for a few days.

Mrs. Nixon, of Homer, N. Y., is  
visiting her sister, Cecil Childs.

Miss Louise Kolb, of Mobile, Ala.,  
is spending the week with Vera Col-  
er.

Helen Lovegood, '12, and Ada  
Brooks, '12, were in Watsonstown over  
Sunday.

Ruth and Elizabeth Hensling are  
entertaining their sister, Henrietta  
Hensling, of Altoona.

Helen Ott, '14, and Veria Whitaker  
spent Saturday and Sunday in Sun-  
ey with Frances McNail.

SCHOLARSHIP FOR ALUMNUS.  
Stanton R. Smith, '09, head of the  
Department of Science in the Public  
High School at West Chester, has  
been appointed to the Wm. Penn.  
Scholarship in the U. of Pa. by Gov-  
ernor Tener. The scholarship car-  
ries with it four years' free tuition.  
Mr. Smith will enter the Medical De-  
partment.

COMMENCEMENT NEWS.  
The Commencement News this year  
will be under the management of Ol-  
iver S. DeLancey, '12. Subscriptions  
by mail are twenty cents, by car-  
rier fifteen cents. All subscriptions  
are payable in advance. Communi-  
cations should be directed to the busi-  
ness manager.

COMMENCEMENT INVITATIONS.  
Chairman J. O. Roser of the Sen-  
ior invitation committee announces  
that the invitations have arrived.  
All those who have not yet secured  
them may do so by calling at his  
room, 15 E. C.

SENIOR PICTURES.  
Cook, the photographer requests  
that all Senior cap and gown photos  
be handed to him without delay for  
insertion in the graduation picture.

To Students desiring profit-  
able employment during vaca-  
tion we have a fine line of flav-  
oring extracts and perfumes to  
offer. Live men can make big  
money. Let us show you.

These goods were always us-  
ed at the Academy during Reg-  
istrar Gretzinger's manage-  
ment.

"AUF WIEDERSEHEN."

Not farewell or good-bye but simply "Auf Wiedersehen" we would say to the readers of The Orange and Blue in this, the last issue of the college year. Even to the seniors we would say only "Auf Wiedersehen" for we want to hear from them during the year in the way of communications as to what they and other alumni are doing, and in the way of opinions on college problems. Our columns are always open to communications from the alumni.

With two full columns on this page and a full column on both pages 3 and 4 for reading matter we have great hopes for publishing a paper next year in which the college can take pride. We want to put the best into the paper and if that is to be done we must have support from students, alumni and faculty. Let us all try not only to make The Orange and Blue better next year but also to make it a big year for Bucknell all around. Work during the summer, to bring in new students, quietly advertise your alma mater, let your actions reflect credit upon her, and next year Bucknell will bloom.

**SENIOR CLASS PLAY**  
AN ATTRACTIVE FEATURE OF COMMENCEMENT WEEK.

The class play, "The Rocket," which will be presented in Commencement Hall on Monday evening, June 19, 1911 is one of the best features of Commencement week. "The Rocket" is written by the famous Arthur W. Pinero who is noted as one of the best writers of comedy in the English language. The comedy is composed of three acts. It is interesting and spicy throughout and the unexpected keeps happening from the beginning until the curtain falls.

The cast is composed of the best players of the class. Each one has appeared in plays before. They have all proved themselves worthy of the parts they are now taking. For six weeks they have been practicing nearly every day and those who are acquainted with the players and their able coach, Miss Schillinger, say it will be the most entertaining play ever presented in Commencement Hall.

Doors open at 7.15. Curtain rises at 8.00. All seats are reserved and are on sale at Hesters. Music by Alexander's Band.

1911 MEMORIALS APPEAR.

At exactly five minutes to nine o'clock Saturday morning and in place of but few the new "Old Glory" presented to the school as part of a memorial by the Senior class of 1911.

was raised for the first time to its exalted position on the flag pole on Main Building where, throughout the years, it shall flaunt its stars and stripes, the emblem, under which this nation and this school have attained their mighty triumphs.

The flag, which is ten by fifteen feet in size, presents a beautiful appearance when unfurled to the breeze and fills a want that has existed for several years.

The same day the large electric clock which is to regulate the system of bells was erected in the library where the old clock formerly hung. The new clock has a most attractive appearance, much more fitted to the dignity of its surroundings than the old time-keeper. On the large glass door is inscribed in gold letters "1911 Class Memorial."

### SEMINARY NOTES.

Miriam Evans was in Milton Sunday.

Hannah Berlin, '13, was home from Thursday until Sunday.

The tri-Delta fraternity had their annual picnic at Blue Hill on Saturday.

Miss Dush has gone to Poughkeepsie, N. Y. to attend the Vassar Commencement.

Mrs. Gerhart entertained the tri-Delta seniors at dinner on Sunday at the Cameron House.

Helen Levesgood '12, entertained her mother, Mrs. John Levesgood and her sister, Dorothy, on Friday and Saturday.

### BEN GREET PLAY.

On Saturday afternoon, June 17th, the famous Ben Greet Players of London and New York will be seen here in their charming open air presentations of Shakespeare's Comedies on the Campus of Bucknell University.

This year the play will be "Twelfth Night," perhaps the most popular and the most laughable of all the master's works.

Mr. Ben Greet, who has not been seen here in years makes his reappearance as Malvolio, one of his most famous roles. As Orsino, Mr. Dallas Anderson will appear in the same role in which he appeared with Miss Maude Adams when "Twelfth Night" was presented by her at the Harvard Stadium.

Reserved seats at Heisers Drug Store. Price \$1.00.

In case of rain the play will be given in Commencement Hall.

Eugene C. Switzer, '00, is a Civil Engineer with the Carnegie Steel Co. in Superior, Ohio.

W. H. Chapman, '78, is pastor of the Presbyterian church in Brockwayville, Pa., and may be addressed at "The Manse."

J. K. Spurgeon, '10, a student at the Univ. of Pittsburg Law School during the year, recently passed the Fayette County Bar examinations and is now practicing law in Uniontown.

To Students desiring profitable employment during vacation we have a fine line of flavoring extracts and perfumes to offer. Live men can make big money. Let us show you.

These goods were always used at the Academy during Benjamin Gretzinger's management.

You should own a MOORE'S BECAUSE

It can be carried anywhere, anywhere, in your pocket or purse. It writes without shaking. When the cap is on, the pen writes in the ink, without leaking.

It writes continuously without an even flow of ink.

It will never dry out of ink, even if you leave it in your pocket for months.

It is the simplest fountain pen to fill. No fiddling to unscrew, just take off the cap, and it is ready to fill.

It is made in the simplest manner of the finest parts, nothing to get out of order.

It is giving satisfaction to thousands of users all over the world.

It is the best Fountain Pen made.
